MISCELLANEOUS BUSINESS

Mr. E. A. Wells, Works Manager of International Harvester made the following statement to the Council relative to the manner in which it handled Special Ordinance No. 15, 1954, As Amended:

We of International Harvester's Indianapolis Truck Engine Works wish to express our appreciation to the members of the Indianapolis City Council for the forward-looking manner in which you have handled the matter of annexing our property to the City of Indianapolis, effective April 1, 1956.

Your postponement of the effective date of annexation until next year brings what we believe to be a fair solution to the problem created by our property being removed from the tax rolls of Warren Township (Outside). As you know, our taxes paid to Warren Township (Outside) make up approximately 20 per cent of the tax revenue of that governmental unit.

Some months ago, when the ordinance to annex our property to the City of Indianapolis was originally proposed, residents in Warren Township (Outside) were greatly disturbed, and rightly so. They were faced with the immediate loss of a major portion of their tax revenue.

The problem thus created resulted in a series of meetings during the intervening months with members of your group, members of the City Planning Board, the Mayor of Indianapolis, officials of the Indianapolis Chamber of Commerce, and others. In those meetings, we of International Harvester, were very impressed with the spirit of cooperation and understanding shown by these gentlemen in trying to arrive at a suitable solution of the problem.

The Indiana State Legislature in its 1955 session provided enabling legislation whereby the City Council could set a future date for the annexation of specific properties. The intent of this legislation was to allow better planning in future annexation proceedings so that the parties concerned would not be affected too abruptly. Your group saw fit to apply this new legislation in your action tonight.

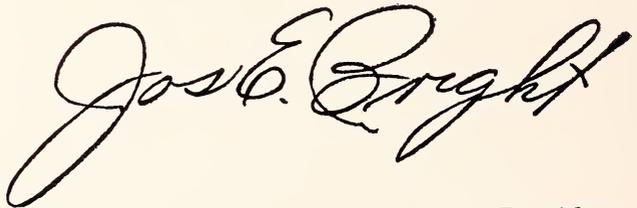

By scheduling the annexation of International Harvester property for next year, you are providing Warren Township (Outside) with a period of time in which to reconsider their tax structure so that the loss of International Harvester tax revenue will not be felt so suddenly. The problem has, in our opinion, been solved in a fair and equitable manner.

We have enjoyed our association with Warren Township (Outside), and we look forward to being an industrial resident of Indianapolis. Our transition from one governmental unit to the other will be made much easier because your action this evening shows your desire to give fair consideration to all parties concerned in the annexation of our Indianapolis Truck Engine Works property.

On motion of Mr. Ehlers, seconded by Mr. Radel, the Common Council adjourned at 9:30 P.M. CST.

We hereby certify that the above and foregoing, is a full, true and complete record of the proceedings of the Common Council of the City of Indianapolis held on the 20th day of June, 1955, at 6:30 P.M. CST.

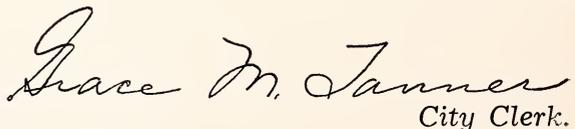

In Witness Whereof, we have hereunto subscribed our signatures and caused the seal of the City of Indianapolis to be affixed.
