## INTRODUCTION OF APPROPRIATION ORDINANCES

By Councilman Ehlers:

### APPROPRIATION ORDINANCE NO. 22, 1955

**AN ORDINANCE appropriating from the current and/or anticipated balances in the Parking Fund, commonly known as the Parking Meter Fund, such sums as shall be needed for the payment of principal and interest becoming due at any time upon the proposed One Million Eight Hundred Thousand (\$1,800,000.00) Dollars, more or less, bond issue of 1955 of the City of Indianapolis Off-Street Parking Commission, declaring an emergency, and fixing a time when the same shall take effect.**

**WHEREAS, the Indianapolis Off-Street Parking Commission has declared by a resolution that it has a need for funds in the Parking Fund, commonly known as the Parking Meter Fund, said resolution being based upon a certificate thereto by the City Controller that such funds were then so available and indicating the amount so available, and also the amounts estimated for the balance of this year and the ensuing twenty-five (25) years, and**

**WHEREAS, the Acts of 1951, Chapter 312, Paragraph 3, authorizes such appropriation;**

**NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA, That:**

Section 1. As a further source of revenue to apply to the payment of any or all of the One Million Eight Hundred Thousand (\$1,800,000.00) Dollars, more or less, maturity value of revenue bonds to be issued and sold during 1955 by the Indianapolis Off-Street Parking Commission for the acquisition of and construction of parking facilities on the following described real estate located in the City of Indianapolis, Marion County, Indiana, to wit:

**SITE 1.**

Lots 1, 2 and 3 of Square 74 of the Donation Lands, in the City of Indianapolis, Marion County, Indiana, as shown in Book 1, pages 73-74, in the Office of the Recorder of Marion County, Indiana, and including Lots 1 through 12 in Palmer's Subdivision thereof as shown in Plat Book 3, pages 3-18, in the Office of said Recorder, and bounded by the South property line of Maryland Street, the West property line of Illinois Street, the North property line of Chesapeake Street and the East property line of the first alley West of Illinois Street;

**SITE 2.**

Lots 1, 2 and 3 of Square 63 of the Donation Lands in the City of Indianapolis, Marion County, Indiana, as shown in Book 1, page 62, in the Office of the Recorder of Marion County, Indiana, and bounded on the North by the South side of Washington Street, on the East by the West side of Alabama Street, on the South by the North side of the first alley South of Washington Street, sometimes known as Pearl Street, and on the West by the East side of the first alley West of Alabama Street;

there is hereby appropriated, allocated and pledged any portion or all of the current or anticipated balances in the Parking Fund, commonly known as the Parking Meter Fund, which balances are in addition to and in excess of all appropriations in the Budget adopted for such Special Parking Fund, and to all further expense and costs estimated to be required in connection with such parking facilities, including all parking meters placed upon the public streets and places, which balances shall be available, as needed, and as are hereby appropriated by this ordinance, for the payment of the principal and interest be-

coming due at any time upon any and all such revenue bonds and without the same being specifically pledged or limited to any such particular bonds, the whole being hereby generally pledged to the principal and interest of any and all of said bonds.

Section 2. The continuing use of said funds for the payments of interest and principal on said bonds, without further appropriation thereof, shall continue hereafter in amounts as certified to be so available by the City Controller to the Indianapolis Off-Street Parking Commission, each year or oftener upon request of said Commission therefor; provided, however, that no such funds shall be used for such payments so long as the accumulated rentals and income paid to said Commission for the use or operation of said Site 1 and said Site 2, less all expenses of said Commission, including said Commission's operating expense, its maintenance and expenses for said Site 1 and said Site 2, and interest paid on said bonds and prior retirements thereof, exceed the amount required within the next six (6) months for interest on said bonds and amortization or retirement thereof, at any given time while any of said bonds are outstanding.

Section 3. While any of said bonds remain outstanding, the unexpended amounts appropriated out of the Parking Fund, sometimes known as the Parking Meter Fund, in the annual City budget and by any additional appropriation ordinances shall at no time reduce the balance in said Parking Fund which is unencumbered except by the pledge created by this ordinance to less than Sixty Thousand (\$60,000.00) Dollars.

Section 4. Nothing in this ordinance shall authorize portions of any revenues or balances thereof in said Parking Fund, commonly known as the Parking Meter Fund, which have been derived from the use of any parking meters, now or hereafter acquired by the City of Indianapolis and for which said City has not yet obtained a complete and clear title by payment therefor, shall be diverted or used for any purposes authorized by this ordinance, but such revenues shall be handled and used by the City until all such parking meters are fully paid for.

Section 5. Upon the issuance of said One Million Eight Hundred Thousand (\$1,800,000.00) Dollars, more or less, revenue bonds of the Indianapolis Off-Street Parking Commission, for the purpose of acquiring said Sites and construction of parking facilities thereon, this pledge of parking meter revenues shall become a continuing pledge,

for the next twenty-five (25) years, and until all of said bonds are paid and retired, for the payment of interest and principal on said bonds, without additional appropriations.

Section 6. The above appropriation is necessary because of the existing emergency requiring the pledge of such funds against their possible use in connection with said bonds, and the serious need for parking facilities in downtown Indianapolis.

Section 7. This ordinance shall be in full force and effect from and after its passage, approval by the Mayor, and compliance with all laws pertaining thereto.

Which was read for the first time and referred to the Committee on Finance.
