To the Honorable President and Members of the
Common Council of the City of Indianapolis, Indiana

Gentlemen:

The undersigned herewith submits to you General Ordinance No. 115, 1955, to amend Section 11-103A of Title 11, Chapter 1, of the Municipal Code of Indianapolis, 1951, commonly known as the Zoning Code of the city.

The purpose of this Ordinance is to permit the use of ground of approximately six (6) acres lying immediately to the north of the Pennsylvania Railroad yards and adjacent thereto on the east side of South Sherman Drive.

Because of its proximity to the railroad yards and because of the very narrow frontage on Sherman Drive, this tract is not suited for residential purposes as it is now zoned and by changing the zoning to a U-5 use, the land can be used for industry and will become an asset to the city as taxable property.
