January 19, 1959

To the President and Members

TERESA F. LAFFEY,
City Clerk

January 19, 1959

To the President and Members
of the Common Council of the
City of Indianapolis, Indiana

Gentlemen:

Pursuant to the laws of the State of Indiana, I caused to be published in the Indianapolis Star and the Indianapolis Commercial on Thursday, January 8th and January 15th, 1959, Appropriation Ordinance No. 1, 1959, a notice to taxpayers that the above named Ordinance would be brought again before the Council on the 19th day of January, 1959, and hearing was set for that date.

Notices were also posted in the Court House, Police Station and City Hall, ten days prior to the above date.

Very truly yours,

CITY OF INDIANAPOLIS
TERESA F. LAFFEY
City Clerk

January 19, 1959

To the President and Members
of the Common Council of the
City of Indianapolis, Indiana

Gentlemen:

Pursuant to the laws of the State of Indiana, the Purchasing Department under the direction of Purchasing Agent, Frank Scheib, advertised for bids for the printing of the Journal of the proceedings of the Common Council and the binding of same for the year, 1959.

Several firms submitted their bids on the printing of the Journal, among them, the Indianapolis Commercial Printing Company, 223 East Ohio Street. We fully recognize and respect the legal aspect of the bid procedure, and according to law the lowest and best bid is the one most acceptable to the City of Indianapolis.

The bid submitted by the Indianapolis Commercial Printing Company, was not the low bid in this instance, but we do consider it as the lowest and best bid received and opened by the Purchasing Agent on Friday, January 9, 1959. We should like to state our reasons for requesting that the Indianapolis Commercial's bid be the one accepted by the City of Indianapolis.

It has been our understanding that this service has been rendered by the Commercial for the past seven years. It is necessary that Council proceedings be stored in a fire-proof vault, so as to insure the safe-keeping of our records in the event of fire, and the Commercial is equipped to do this. Though this is not required in the actual specifications as set out by the Purchasing Department, we are convinced it is a deciding factor in the City's acceptance of the Commercial bid.

The Indianapolis Commercial has not only had the seven years of experience in printing this Journal, but we feel the firm has maintained excellent quality of work and rendered services invaluable to us with regard to time-saving and often rush and/or last minute changes.

Their location of course would account for the convenience to this office, as in the past it has been necessary for us to discuss various points with the printer and we find it extremely convenient to merely step out the back door of City Hall and be in the printing firm within a matter of minutes.

With the advantages of convenience and quality this past year, this office compiled and edited with the help of the Indianapolis Commercial, the 1957 Supplement to the 1951 Municipal Code at a savings to the Taxpayer of more than \$3300.00.

We feel we have accomplished a great deal in the past three years and have strived to maintain a high standard of work and effort that necessarily is demanded and must be forthcoming from this office.

Therefore, we respectfully request that the Common Council take affirmative action on the bid submitted by the Indianapolis Commercial Printing Company, as we find that in our daily work standards, there is no substitute for experience.

Very truly yours,

CITY OF INDIANAPOLIS
TERESA F. LAFFEY
City Clerk

GENERAL ORDINANCE NO. 5, 1959

AN ORDINANCE to amend the Municipal Code of Indianapolis, 1951, General Ordinance No. 140, 1951, as amended, providing for the licensing and regulation of taxicabs and fixing a time when same shall take effect, and repealing any ordinance, or provision thereof, in conflict therewith.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. That Section 7-1706, subsection (1) of General Ordinance No. 140, 1951 as amended, is hereby amended to read as follows: RENEWALS AND TRANSFERS AND TERMINATION OF LICENSES.—1. Any person lawfully holding any one or more such licenses for taxicabs and not in default of any provisions hereof, shall be entitled to obtain a renewal license for each ensuing year for each such license so held, by paying the annual fee of seventy-five dollars for each such license and by maintaining in effect the required insurance policy for each vehicle operated.

Section 2. That Section 7-1711, Subsection (2), of General Ordinance No. 140, 1951, as amended, is hereby amended to read as follows: (2) No licensee shall operate more taxicabs than such licensee is licensed to operate but shall at all times operate a sufficient number of such taxicabs so that the public shall receive reasonably adequate service. A licensee may from time to time remove taxicabs from service without replacing same, and if such period of time shall exceed thirty (30) days, such licensee shall deliver to the Board of Public Safety written notification of the taxicabs so retired from active service, specifying the particular license number of each taxicab so retired. By so doing, a licensee shall in no way surrender any right or title to such licenses and the licenses for taxicabs removed from service shall remain in full force and effect. When any license is so retired from service as provided for above and in the event the Board of Public Safety at any time may consider that taxicab service to the public is inadequate, then, and in such case, such Board shall order all licensees who have removed taxicabs from service to return to active service within a reasonable length of time such taxicabs or a portion of the same as the Board

shall determine necessary, or, if such taxicabs have been disposed of, to purchase or acquire taxicabs within a reasonable time to replace those so disposed of, or a portion of same, as the Board shall determine the public convenience and necessity requires. If any licensee shall object within five (5) days after receipt of such order, then the Board shall hold a hearing in which such licensee shall be permitted to submit among other facts evidence concerning service rendered and the effect that the operation of additional taxicabs would have on such licensees business at such time. If after such hearing the Board of Public Safety shall determine that public convenience and necessity require the operation of additional taxicabs, then such licensee shall be required to return to service such number of taxicabs as ordered by the Board or to replace same within a reasonable time if such taxicabs have been disposed of. In determining the number of taxicabs each licensee shall return to service no licensee shall be required to operate a greater number of his licenses on a pro rata basis than any other licensee. In making application for renewal of licenses the procedure heretofore provided shall be applicable except as to renewal applications for licenses for taxicabs which have been temporarily retired as provided above, in which case renewals of taxicab licenses shall be granted although at the time such taxicabs have been temporarily retired from service.

Section 3. This ordinance shall be in full force and effect from and after the passage, approval by the Mayor and compliance with all laws pertaining thereto.
