GENERAL ORDINANCE NO. 9, 1959

AN ORDINANCE to amend the Municipal Code of Indianapolis, 1951, General Ordinance No. 140, 1951, as Amended, and more particularly Title 10, Chapter 3, Sections 10-302 and 10-307 thereof pertaining to unlawful noises, and fixing a time when the same shall take effect.

BE IT ORDAINED BY THE COMMON COUNCIL
OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. That Title 10, Chapter 3, Section 10-302 of the Municipal Code of Indianapolis, 1951, General Ordinance No. 140, 1951, as Amended, be and the same is, hereby amended to read as follows, to-wit:

10-302. Unlawful noises. Except as in this ordinance otherwise

provided, it shall be unlawful for any person to make, continue, or cause to be made or continued, any loud, unnecessary, or unusual noise, or any noise, which either annoys, disturbs, injures or endangers the comfort, repose, health, peace or safety of others within the limits of the city; and accordingly the following acts, among others, are declared to be loud, disturbing and unnecessary noises in violation of this ordinance, but said enumeration shall not be deemed to be exclusive, namely:

(1) Horns, signaling devices, etc. The sounding of any horn or signaling device on any automobile, motorcycle, street car, or other vehicle in any street or public place of the city, except as a danger warning; the creation by means of any such signaling device of any unreasonably loud or harsh sound; the sounding of any such device for an unnecessary and unreasonable period of time; the use of any signaling device except one operated by hand, air or electricity; the use of any horn, whistle or other device operated by engine exhaust; and the continued or repeated use of any such signaling device when traffic is for any reason held up, or in any parade, or in any group of vehicles.

(2) Radios, Phonographs, etc. The using, operating, or permitting to be played, used or operated any radio or television receiving set musical instrument, phonograph, calliope, or other machine or device for the producing or reproducing of sound in such manner as to disturb the peace, quiet and comfort of the neighboring inhabitants, or at any time with louder volume than is necessary for convenient hearing for the person or persons who are in the room, vehicle or chamber in which such machine or device is operated and who are voluntary listeners thereto; except when a permit therefor for some special occasion is granted. The operation of any such set, instrument, phonograph, machine or device between the hours of eleven o'clock P.M. and seven o'clock A.M. in such a manner as to be plainly audible at a distance of fifty feet from the building, structure, or vehicle, in which it is located shall be prima facie evidence of a violation of this section.

(3) Loud Speakers, Amplifiers for Advertising. The using, operating or permitting to be played, used, or operated of any radio, or television receiving set, musical instrument, phonograph loudspeaker, sound amplifier, or other machine or device for the producing or reproducing of sound, at any places upon the public streets, or in any vehicles used for the transportation of persons for hire, as a common

carrier, for the purpose of commercial or other kind of advertising, or attracting the attention of the public to any activity, or building or structure, and is so used as to disturb and annoy other persons in their business, or homes, or elsewhere in their right of personal privacy and quiet.

(4) Yelling, Shouting, etc. Yelling, shouting, hooting, whistling or singing on the public streets particularly between the hours of ten P.M. and seven A.M. or at any time or place so as to annoy or disturb the quiet, comfort, or repose of persons in any office, or in any dwelling, hotel or other type of residence, or of any persons in the vicinity.

(5) Animals, Birds, etc. The keeping of any animal or bird which be causing frequent or long continued noise shall disturb the comfort or repose of any persons in the vicinity.

(6) Steam Whistles. The blowing of any locomotive steam whistle, or steam whistle attached to any stationary boiler, or one operated by any other means, except to give notice of the time to begin or stop work, or as a warning of fire or danger, or upon request of proper city authorities.

(7) Exhausts. The discharge into the open air of the exhaust of any steam engine, internal combustion engine, or any other type of engine or power unit, on a motorboat, motor vehicle, motorcycle, or other vehicle, or craft of any kind, except through a muffler or other device which will effectively reduce and prevent loud or explosive noises therefrom.

(8) Defect in Vehicle or Load. The use of any automobile, motorcycle, or other kind of vehicle so out of repair, or so loaded, or in such manner as to create loud and unnecessary grating, grinding, rattling or other noises.

(9) Loading, Unloading, Opening, Boxes. The creation of a loud and excessive noise in connection with loading or unloading any vehicle, or the opening and destruction of bales, boxes, crates, and containers.

(10) Construction or Repairing of Buildings. The erection, excavating for, demolition, alteration or repair of any building, other

than between the hours of seven A.M. and six P.M. on week days, except in case of urgent necessity in the interest of public health and safety, and then only with a permit from the city building commissioner, which permit may be granted for a period not to exceed three days while the emergency continues and which permit may be renewed for periods of three days or less while the emergency continues. If the building commissioner should determine that the public health and safety will not be impaired by the erection, demolition, alteration or repair of any building, or the excavation therefor, or of streets and highways, within the hours of six o'clock P.M. and seven o'clock A.M., and that loss or inconvenience would result to any party in interest, he may grant permission for such work to be done within the hours of six o'clock P.M. and seven o'clock A.M., upon application being made at the time the permit for the work is issued, or during the progress of the work.

(11) Schools, Courts, Churches, Hospitals. The creation of any excessive noise on any street adjacent to any school institution of learning, church, or court while the same are in use, or adjacent to any hospital, which unreasonably interferes with the operation thereof, or which disturbs or unduly annoys patients in the hospital; Provided conspicuous signs are displayed in such streets indicating that the same has been declared and is a school, hospital, or other such quiet zone.

(12) Hawkers, Peddlers. The loud shouting and crying of peddlers, hawkers and vendors which disturb the peace and quiet of the neighborhood.

(13) Drums. The use of any drum, horn, or other instrument or device for the purpose of attracting attention by creation of noise to any performance, exhibition, show, or sale; except in a parade or place for which a permit has been granted.

(14) Metal Rails, Pillars and Columns, Transportation Thereof. The transportation of rails, pillars or columns of iron, steel or other material, over and along streets and other public places upon carts, drays, cars, trucks, or in any other manner so loaded as to cause loud noises or as to disturb the peace and quiet of such streets or other public places.

(15) Street Railway Cars, Operation Thereof. The causing, permitting or continuing any excessive, unnecessary and avoidable noise

in the operation of a bus, or street railway car, or caused by defective conditions therein, or of its tracks.

(16) Pile Drivers, Hammers, etc. The operation between the hours of ten o'clock P.M. and seven o'clock A.M. of any pile driver, steam shovel, pneumatic hammer, derrick, steam or electric hoist, or other appliance, the use of which is attended by loud or unusual noise.

(17) Blowers. The operation of any noise-creating blower or power fan, or any internal combustion engine, the operation which causes noise due to the explosion of operating gases or fluids, unless the noise from such blower or fan is muffled and such engine is equipped with a muffler device sufficient to deaden such noise.

(18) The using, operating or playing, or permitting to be used, operated, or played, any bell, radio, musical instrument, phonograph, loud speaker, sound amplifier, or other machine or device for the producing or reproducing of sound, in or upon any vehicle used for the transportation and sale of any goods, wares, or merchandise, in or upon any of the streets or highways within the limits of the City of Indianapolis, and which sound producing instruments are set to produce any noise, music or sound in excess of 115 decibels, measured at 6 inches from sound producing amplifier or speaker; the use or operation of any vehicles so equipped, with such sound producing equipment in operation, between the hours of 10:00 o'clock P.M. and 10:00 o'clock A.M., of the succeeding day; or the use or operation of any such sound producing equipment in or upon any such vehicle while such vehicle is moving along or upon any such street or highway, it being the intent and purpose hereof to permit such use of such sound producing equipment in or upon any such vehicles only when such vehicle is parked or standing still in or upon any such street or highway and during the hours herein provided.

Section 2. That Title 10, Chapter 3, Section 10-307 of the Municipal Code of Indianapolis, 1951, General Ordinance No. 140, 1951, As Amended, be, and the same is, hereby amended to read as follows, to-wit:

10-307. Commercial advertising by sound truck prohibited, Except as in 10-302 otherwise provided, no person shall operate, or cause to be operated, any truck for commercial sound advertising purposes at any time or places in this city with the sound amplifying equipment in operation.

Section 3. This Ordinance shall be in full force and effect from and after its passage, approval by the Mayor, and compliance with all laws pertaining thereto.

Which was read for the first time and referred to the Committee on Public Safety.
