INTRODUCTION OF RESOLUTIONS

By Councilman Williamson:

RESOLUTION

WHEREAS, at the present time certain cities in Kentucky and Tennessee are petitioning the Interstate Commerce Commission to include the areas where such cities are situated in the Eastern Time Zone, and

WHEREAS, there is now pending a hearing under Docket No. 10, 122 entitled "Standard Time Zone Investigation" which is pending before the Interstate Commerce Commission and is set for hearing in the City of Louisville in the State of Kentucky, and,

WHEREAS, this governing body, the Mayor, the business, financial and industrial interests in Indianapolis together with a majority of the citizens herein prefer to operate under Eastern Standard Time and,

WHEREAS, the City of Indianapolis while in the Central Time Zone, has unofficially by preference of its citizens operated for the past year on unofficial Eastern Standard Time, and,

WHEREAS, it is the conviction of this governing body and the Mayor of this city that the City of Indianapolis should officially petition in company with other cities in Kentucky and Tennessee, to have the City of Indianapolis included in the Eastern Standard Time Zone.

NOW, TREREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA, that:

Section 1. The Mayor of the City of Indianapolis and other city officials be and they are hereby authorized to execute the form of petition attached to this Resolution which form of petition is by reference incorporated in this Resolution, to cause the same to be presented to the Interstate Commerce Commission.

Section 2. That the said Mayor of the City of Indianapolis be

authorized to appear before the Interstate Commerce Commission or to designate one or more representatives of the City of Indianapolis to appear for and on behalf of said City and its Mayor and governing body, and to present and file said petition and to advance the City's request that the City of Indianapolis be included in the Eastern Standard Time Zone of the United States of America as fixed by the Interstate Commerce Commission.

BEFORE THE INTERSTATE COMMERCE COMMISSION

DOCKET NO. 10122—STANDARD TIME ZONE INVESTIGATION

PETITION OF CITY OF INDIANAPOLIS, INDIANA

FOR REOPENING, FURTHER HEARING, AND RECONSIDERATION AND MODIFICATION OF OUTSTANDING ORDERS DEFINING THE LIMITS OF THE EASTERN TIME ZONE SO AS TO INCLUDE ADDITIONAL PORTIONS OF THE STATE OF INDIANA.

TO THE INTERSTATE COMMERCE COMMISSION:

Comes now your petitioner, City of Indianapolis in the State of Indiana, pursuant to Resolution adopted by City Council, authorizing the filing of a petition before the Interstate Commerce Commission, a copy of which is attached hereto, and respectfully show:

1. Your petitioner is a City of the first class in the State of Indiana, centrally located therein, the capitol city of said State, and having a present population of over 500,000 persons and a metropolitan area of approximately 750,000 persons.

2. Your petitioner has been located within the Standard Central Time Zone since the original order in this case. However, it has observed Daylight Saving Time during the summer months for 14 years with a few exceptions. This time has been observed voluntarily by the people of the community in their business, trade and personal affairs. The time thus voluntarily observed has given more satisfactory than Standard Central Time. The government offices here have opened and closed one hour earlier to conform to the public need.

3. The community would be bettered by its inclusion in the Eastern Time Zone for these reasons:

a. The community contains many industries and businesses having direct and daily business connections with industries and businesses in the Eastern Standard Time zone and it is therefore important that they operate on the same time.

b. Your petitioner's major communications are with areas now in the Eastern Standard Time Zone and it is therefore important zone change requested by the City of Lexington and other communities in central Kentucky and in Tennessee and it is economically desirable that the communicating areas be in the same zone.

c. Under the proposed change of zone requested by the City of Lexington and other Central Kentucky communities including the City of Frankfort which is the State Capitol, as well as certain Tennessee cities, a time line could be run through the States of Tennessee, Kentucky and Indiana and connect with the Eastern time line in the State of Michigan.

d. The people of the community have shown a definite preference for Eastern Standard Time.

e. For the last several years some communities in the Indianapolis area have voluntarily adopted Daylight Saving Time and others have not, and a change of the zone boundary to include the requested area would establish a uniform system of time throughout the area and with other communities in eastern and central Indiana.

f. Your petitioner is attempting to attract new industries and to promote industrial expansion and many of the industrial firms which might be attracted to the area have headquarters in the Eastern Standard Time Zone, and would be more attracted to a community which operates on the same time as their headquarters.

g. The rail carriers serving the community have indicated to your petitioner that they have no objection to the requested change and your petitioner is informed and believes that the requested change would result in fewer operating exceptions than will exist if the line herein proposed is adopted.

h. Your petitioner requests that it be allowed the right to intro-

duce such further evidence of the need for Eastern Standard Time within the requested zones as may be appropriate at the hearing herein.

4. The line which your petitioner proposes that the Commission adopt is as follows: Any time line connecting with the Michigan Eastern Standard Time line on the North and the new proposed Kentucky Eastern Standard Lines of the South, and including the Indianapolis area in such Eastern line Zone. However, the City of Indianapolis speaks only for the Indianapolis area solely.

5. Your petitioner suggests that a hearing on this intervening petition be conducted at Louisville, Kentucky.

6. This petition is filed in 15 counterparts, each with the force of an original.

WHEREFORE, petitioner respectfully prays:

That the Commission reopen this proceeding for further hearing and make or cause to be made such further investigation as it may consider proper in the premises and modify its outstanding orders in this proceeding by extending the limits of the United States Standard Eastern Time Zone to include the area described in paragraph 4.

Dated at Indianapolis, Indiana, on June 15, 1959.

Respectfully submitted,

CITY OF INDIANAPOLIS
