To the Hon. President and Members of the Common Council, Indianapolis, Ind.:

Gentlemen—I hand you herewith letter from the Honorable Mayor and also letter from the committee from the Marion County Council of the American Legion, asking for an appropriation of \$8,500 to the Department of Finance for the purpose of paying the expenses of the public patriotic celebration to be held in this city at the State Fair Grounds on the 4th day of July, 1921, under the direction of the Marion County Council of the American Legion.

I am also submitting a budget covering the expenses estimated for this celebration, also ordinance covering same and recommend its passage.

Very truly yours,

ROBERT H. BRYSON,

City Controller.

June 2, 1921.

Mr. Robert H. Bryson, City Controller, City of Indianapolis:

Dear Mr. Bryson—I am forwarding you herewith letter received from the Finance Committee of the Marion County Council of the American Legion, in which they request an appropriation from the City to cover the expense of a Fourth of July celebration which is to be given free to all of our citizens. I feel that such a celebration, sponsored by the American Legion on this great holiday, will be a splendid inspiration to a higher consecration to patriotism, which can not be estimated in dollars and cents.

Therefore, will you please prepare an ordinance and present same to the County Council, with recommendation for its passage.

Yours very truly,

CHARLES W. JEWETT,

Mayor.

May 23, 1921.

To the Hon. Charles W. Jewett, Mayor of the City of Indianapolis, City Hall:

Dear Mr. Mayor—On July Fourth, there will be held in the city the greatest patriotic celebration ever held in the City of Indianapolis. The Marion County Council of the American Legion, in honor of a day that means so much to the hearts of every loyal, red-blooded American

citizen, has arranged, tentatively, a very elaborate program, to start with a great parade passing over the down-town streets in the morning, following which, in the afternoon, it is proposed that there shall be a field day and athletic carnival at the State Fair Grounds run under the sanction of the Amateur Athletic Union, and winding up the day by a magnificent fireworks display in the evening. This is to be a civic as well as an American Legion celebration, and therefore there will be no admission charged at the Fair Grounds, the whole program being free to all. As a pleasant part of the day's program, there will be held a number of picnics at the Fair Grounds by certain of the Legion Posts and other organizations, thus making an enjoyable day for the Legion members and their families, as well as a big day of patriotic celebration for the City of Indianapolis.

A big feature of the program is to make Indianapolis the hub of patriotic endeavor for not only the city and the State of Indiana, but the nation at large. The fact that our good city is the national headquarters of the American Legion makes Indianapolis a most logical center towards which all eyes will be turned on July 4th. The Marion County Council of The American Legion in fostering plans for this great celebration is therefore striving for results whose potential value to our city will be beyond reckoning.

The speakers of the day who will occupy the reviewing stand at the parade, will be, in addition to our Honorable Mayor and others of our citizens, Secretary of War Weeks, Postmaster General Hays, Rear Admiral Coontz, the presence of whom will attract many thousands of people from the state at large as well as our own city.

The parade will be made up of representatives from each Legion Post marching in full uniform, also Red Cross Units, and other organizations connected with the World War, and also representative organizations of the Spanish-American War veterans and Civil War veterans. There will also be units from the Regular Army obtained from Ft. Benjamin Harrison and Camp Knox, Ky., including batteries of artillery in full equipment.

The field meet will be run under official sanction of the Amateur Athletic Union, and noted athletes from all over the country will be brought together and into competition. Any records established will be official Amateur Athletic Union records.

The fireworks display in the evening will be so arranged as to close in a fitting way this great day of celebration. It is planned to have this display elaborate enough to make it attractive and pleasing to all, and the aim of this feature of the program will be to drive home the lesson of patriotism through a Fourth of July celebration conducted safely and sanely, wherein the lofty ideals of true American citizenship are emphasized.

To make sure the accomplishments of the program such as briefly outlined in the foregoing paragraphs, it will be necessary to obtain financial assistance from sources outside of the resources of the American Legion. The momentuous importance of unqualified success in this Fourth of July celebration make absolutely necessary the entailment of certain expenses, and as the American Legion has already placed itself on record as being against solicitation of funds for such purposes from the merchants, manufacturers and civic bodies of the city, the Marion County Council of the American Legion does therefore by this writing petition the Honorable Mayor, the City Council and the City Controller to arrange for an appropriation from the funds of the City of Indianapolis in the sum of \$8500.00 to be available immediately for the expenses of the American Legion Fourth of July celebration of 1921.

In addition to the great patriotic importance of this celebration, it is worthy of note to mention the fact that thousands of people will be drawn into our city from outside points throughout the state. Indianapolis will be a patriotic mecca through this occasion.

We, the undersigned, as the committee designated for this purpose, in behalf of the Marion County Council of the American Legion, do therefore pray your favorable action to our petition.

Very respectfully yours,

ROY SAHM,
EVANS WOOLLEN, JR.,
ED JACKSON,
Committee.

Yours very truly,

BOARD OF PUBLIC SAFETY,

From the Board of Park Commissioners:

May 26, 1921.

Mr. George O. Hutsell, City Clerk, Police Station, City:

Dear Sir—At the request of the Board of Park Commissioners I have prepared and submit herewith for introduction in the Common Council at its regular meeting an ordinance annexing certain territory contiguous to the present city boundary at the northwest part of the city along the Myers Free Gravel Road, and what is now known as West Riverside Drive.

For the information of the Council I wish to explain that this is a narrow strip of ground comprising for the most part the west half of the roadway of the Myers Free Gravel Road, and the west part of what is now known as the West Riverside Drive from 30th street north. In laying out the new road, which has already been constructed from 30th street north to 38th street, the west part of the roadway extended outside of the city limits and there is some question as to the right of the Park Department to maintain that part of the roadway. The same condition will exist with reference to the new roadway which is now being constructed along the Myers Free Gravel Road from 30th street south to the Lafayette road, and which the Park Board wishes to take over as a part of the boulevard system of the city.

There is an urgency for quick action in this matter because of the condition arising at this time in the construction of a part of this roadway for which the Park Board wishes to enter into a contract while the road building equipment is on the work. The Board believes that it can contract for this work much cheaper while the machinery is located there than later on when it will be necessary for the contractor to place a steam shovel at this place at a great expense. The contractor has

about finished his work for the county and can not afford to leave his equipment on the job longer than is absolutely necessary.

It will be necessary to publish the ordinance for two consecutive weeks after its passage before it is effective, and for this and the above reasons it is hoped that the Council may be disposed to suspend the rules and pass this ordinance at its next meeting.

J. CLYDE HOFFMAN,

Attorney for the Board of Park Commissioners.
