February 26, 1922.

Mr. Jos. L. Hogue,
City Controller,
City of Indianapolis.

Dear Sir—I am submitting to you for your approval and transmission to the Common Council an ordinance for the creation of the position of clerk in the Department of Public Purchase at a salary of Eighteen Hundred (\$1,800.00) Dollars per annum.

To the President and Members of the Common Council, City of Indianapolis:

Gentlemen—I hand you herewith a communication from the Board of Public Works, asking for the passage of an ordinance authorizing the transfer of Six Thousand Five Hundred (\$6,500.00) Dollars from the Electric, Gas and Vapor Lights Fund of the Department of Public Works, and that the same be reappropriated and transferred to the City Civil Engineer's Office Maintenance Fund of the Department of Public Works.

Dear Sir—I am directed by the Board of Public Works to submit for your approval and transmission to the Common Council an ordinance authorizing the transfer of Six Thousand Five Hundred

March 6, 1922]

CITY OF INDIANAPOLIS, IND.

101

(\$6,500.00) Dollars from the Electric, Gas and Vapor Lights Fund of the Department of Public Works, and reappropriating and transferring the same to the City Civil Engineer's Office Maintenance Fund of the Department of Public Works.

Yours truly,

GEO. O. HUTSELL,
Clerk, Board of Public Works.

February 13, 1922.

Mr. W. F. Freeman,
Board of Public Works,
Indianapolis.

My Dear Mr. Freeman—If you and the Board decide, after going over the figures I submitted for automobiles for the Engineering Department, to approve them, will you please ask Mr. Ogden to prepare an ordinance for the transfer of Sixty-Five Hundred (\$6,500.00) Dollars from the Electric, Gas and Vapor Lighting Fund to the City Civil Engineer's Office Maintenance Fund?

I would like to have this ordinance put in Council at the next meeting so that the cars can be purchased before the middle of March, when the work opens and these cars will be needed.

As I explained to you, I have recommended Dodge cars because figures show that they are the most economical of light cars. Mr. Newby has approved the purchase of Dodge cars also.

There is no question as to the number to be purchased. Any less cars than listed will handicap the work greatly.

Very truly yours,

J. L. ELLIOTT,
City Civil Engineer.

February 27, 1922.

To the President and Members of the Common Council, City of Indianapolis:

Gentlemen—I hand you herewith a communication from the Board of Public Works asking for the passage of an ordinance authorizing the transfer of Five Hundred (\$500.00) Dollars from the Electric, Gas and Vapor Lights Fund of the Department of Public Works and the reappropriation and transfer of the same to the Erroneous Assessments Fund of the Department of Public Works.
