#### REPORTS FROM CITY OFFICERS.

From the City Controller:

July 3, 1922.

*To the Officers and Members of the Common Council, City of Indianapolis, Indiana:*

Gentlemen—I hand you herewith an appropriation ordinance for \$31.00 to Ralph Wilson to refund him for double payment which he has made by mistake for Billiard and Pool Table License to operate three Pool Tables at 1706 Hoyt Ave., Indianapolis, Indiana, said license expiring December 31, 1922.

Receipts No. 79 and 285.

I respectfully recommend the passage of this ordinance.

Respectfully yours,

JOS. L. HOGUE,  
*City Controller.*

June 30, 1922.

*To the President and Members of the Common Council,, City of Indianapolis, Indiana:*

Gentlemen—The law of 1905, Section 8711 of Burns Revised Statues, gave the City the right to pay for Street Intersections out of the General Fund and in case of deficiency in General Funds, to issue Certificates at Six (6) per cent. to the contractor and also to make a special assessment of all lands in the City to take care of Street Intersections.

This was never done however, until 1914 when the first Certificates were issued and the first special assessment was made. Certificates were issued amounting to \$290,884.08 and have been redeemed to the amount of \$288,884.08 leaving \$2,000.00 in Certificates outstanding since October 11th, 1918.

In the budget of 1919 an appropriation of \$26,400.00 was made with the supposition that that amount would be sufficient to redeem all outstanding Certificates, but by the time there was enough money available in the General Funds to pay that amount, the interest had accumulated so that \$2,000.00 was left unpaid.

I am handing you herewith, an Ordinance calling for \$2,229.48 the amount required to redeem the outstanding Certificates and stop the interest on same. The above amount includes interest to August 1, 1922 and I recommend the passage of this ordinance so that they may be taken up on that date.

Very truly yours,

JOS. L. HOGUE,  
*City Controller.*

July 3, 1922.

*To the President and Members of the Common Council, City of Indianapolis, Indiana:*

Gentlemen—I hand you herewith a communication from the Corporation Council of the Legal Department asking for the passage of an ordinance creating the office of Assistant to the Corporation Counsel, to be known as the Public Utility Engineer and Adviser, fixing his salary and appropriating the sum of Two Thousand (\$2,000.00) Dollars, to the Salary Fund of the Department of Law, out of which to pay his salary for the remainder of the year 1922, and fixing a time when the same shall take effect.

I respectfully recommend the passage of this ordinance.

Yours truly,

JOS. L. HOGUE,  
*City Controller.*

July 3, 1922.

Honorable Joseph L. Hogue,  
City Controller,  
City of Indianapolis.

Dear Sir—Herewith please find General Ordinance No. . . . . . 1922. This ordinance provides for the appointment in the Legal Department of a Public Utility Engineer and Adviser.

One of the most important problems today with which municipalities are concerned, is that of the Public Utility. Other cities have recognized the importance of this matter and have secured the service of Expert Engineers and Accountants. It is my judgment that with the assistance of an Expert Engineer, I can accomplish much good for the users of Public Utility Service in our City. A lawyer is absolutely handicapped in dealing with rate making cases and other Public Utility cases, unless he come in possession of valuation data which alone can be secured by an Expert Engineer. Every lawyer who has been connected with this Department and dealt with utility problem will bear testimony to this fact. I am so thoroughly convinced of the necessity of this assistance that I am urging the passage of this ordinance.

Will you please recommend the passage of the same?

Respectively submitted.

TAYLOR E. GRONINGER,  
*Corporation Counsel.*

From the Board of Park Commissioners:

July 5, 1922.

Yours very respectfully,

NEWTON J. McGUIRE  
*Attorney for the Park Board*
