SWITCH CONTRACT

GENERAL ORDINANCE NO. 22, 1923

AN ORDINANCE approving a certain contract granting the Ford Motor Company the right to lay and maintain a sidetrack or switch from the Pennsylvania R. R. across first alley west of Oriental Street, according to blue print attached, in the City of Indianapolis Indiana.

WHEREAS, heretofore, to-wit: on the 16th day of February, 1923, The Ford Motor Company filed his petition before the Board of Public Works of the City of Indianapolis, as follows: Petition to the Board of Public Works, City of Indianapolis.

Gentlemen—The Ford Motor Company of the City of Indianapolis, County of Marion, State of Indiana, desires to petition the Board of Public Works for permission to lay an additional side track, to be located at their plant, 1315 East Washington street.

NOW, THEREFORE, This agreement made and entered into this 16th day of February, 1923, by and between the Ford Motor Company of the City of Indianapolis, County of Marion State of Indiana party of the first part, and the City of Indianapolis, by and through its Board of Public Works, party of the second part.

WITNESSETH: That the party of the first part, being desirous of securing a right of way for a side track or switch from a point on the existing side track thirty-eight (38) feet North on North

line Southeastern Avenue, three (3) feet West of Oriental street, extending in a Northwestwardly direction for a distance of three hundred sixty-five (365) feet from the above point; in the City of Indianapolis, which is more specifically described as follows: Beginning at a point in an existing side track thirty-eight (38) feet north of the north line of Southeastern Avenue and three (3) feet west of the west line of Oriental Street; thence in a northwestwardly direction one hundred forty-five (145) feet to a point in the East line of the first public alley west of Oriental Street north twenty-two (22) feet north of the north line of Southeastern Avenue; then continuing in a Northwestwardly direction across said alley and at the existing grade there of ten and three-tenths (10.3) feet to a point in the west line of said public alley twenty (20) feet north of the north line of Southeastern Avenue, thence continuing in a northwestwardly direction approximately paralleled to and eight (8) feet north of the north line of Southeastern Avenue, across the land of the Ford Motor Company, two hundred twenty (220) feet to the end, all as shown on blue print attached.

Hereby covenants and fully binds himself, his successors, legal representatives and assigns, that, in consideration of the grant of the privileges and authority herein given he will lay, construct and maintain said track upon the terms and conditions hereinafter set forth, to-wit:

(1) They shall be so laid, improved and kept in repair as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works of the City of Indianapolis.

(2) Said track and switch shall be laid upon such grade as shall be established by said Board and shall be put down under its supervision and to its satisfaction and approval. Said track shall be raised or lowered to conform to any grade which may, from time to time, be hereafter established, whenever so ordered in writing, by said Board, and shall be made to conform in all respects with any Ordinance passed by the Common Council or with any resolution or resolutions made by said Board, for the elevation or depression of said tracks.

(3) The crossing where said track intersects first alley west of Oriental Street, shall, at all times, be kept improved and in repair and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossing or to be thereon except for such time as may be absolutely necessary in moving them back and forth, and they shall be at no time stopped or detained thereon in such manner as to obstruct public travel.

(4) Said party of the first part agrees, upon the written order of said Board, made for any good cause affecting the interest of the City or the public welfare, to take up and remove said track, and upon said party's failure so to do, upon such notification in writing, of ten (10) days, to promptly pay the cost of having the same done, and the party of the first part hereby releases all claims for damages whatsoever that may arise by reason of such removal; and in removing said track or causing the same to be done, said Board shall in no wise become a trespasser.

(5) The party of the first part agrees to pave between said track to the entire satisfaction of the second party, and in case

said tracks shall be or become out of repair or in need of being reconstructed, or become in any way defective (of which fact the said Board shall be the exclusive judge), it shall be the duty of the said party of the first part to promptly repair or remove same, failing in which, after notification in writing of ten (10) days, said Board shall do or cause the same to be done at the expense of the said party of the first part, and for which expense and cost the said party of the first part shall be liable.

(6) The said party of the first part herein binds himself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance or use of said track, and to pay any judgment, with costs, that may on that account be rendered against the said party or said city, and also to pay all necessary expenses that may be incurred by said city in defending against any such claims.

(7) Any violations of any of the provisions of this instrument by said party of the first part, or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given or granted by this contract, provided, however, that the same may be terminated by said Board as hereinafter set forth.

Said party of the second part by virtue of the provisions of an act of the General Assembly of the State of Indiana, entitled, "An act concerning municipal corporations," approved March 6, 1905, and in consideration of the things hereinbefore set forth and upon the terms and provisions stipulated, hereby gives, grants and duly vests said party of the first part the right, privilege and authority to lay and maintain an additional side track or switch across first alley west of Oriental Street twenty-two (22) feet north of north line of Southeastern Avenue on east alley line, twenty (20) feet north of north line of Southeastern Avenue on west alley line, in the City of Indianapolis, all as shown by the drawing attached hereto, filed herewith and for greater certainty marked "Exhibit A." This agreement shall be null and void unless track is constructed within one year from date.

IN WITNESS WHEREOF, We have hereunto set our hands this 16th day of February, 1923.

FORD MOTOR COMPANY,

G. J. STEINMETZ, Manager,

Party of the First Part.

WITNESS: R. R. EVANS.

By Mr. Wise:

Mr. President—I move that General Ordinance No. 11, 1923, be amended to read as follows:

GENERAL ORDINANCE No. 11, 1923

AN ORDINANCE creating a board for the examination and licensing of master electricians to be known as the "BOARD OF ELECTRICAL EXAMINERS" and providing for the control thereof, and fixing the time when the same shall take effect.

Be it Ordained by the Common Council of the City of Indianapolis, Indiana:

Section 1. That there be and is hereby created a Board for the examination and licensing of master electricians, to be known as "BOARD OF ELECTRICAL EXAMINERS," which Board shall consist of five members to be constituted and appointed as follows: The Commissioner of Buildings of the City of Indianapolis, and the Chief Electrical Inspector shall each be a member of said Board ex-officio; The Commissioner of Buildings of the City of Indianapolis shall appoint as the third member of said Board some master electrician of good moral character of the City of Indianapolis, and these three members shall appoint two additional members, one of whom shall be a registered architect, and one a registered electrical engineer under the laws of Indiana, all of the City of Indianapolis.

Sec. 2. The term "master electrician" as used in this ordinance is defined to mean and include any person, firm or corporation engaged in the business of, or holding themselves out to the public as engaged in the business of, installing or repairing, or contracting to install or repair wires, conductors and equipment used within buildings for the transmission of electric current for electric light, heat, power or signaling purposes covered by the Building Code of the City of Indianapolis, together with the fittings for the same necessary for the protection of such wires, conductors and equipment.

Sec. 3. The salary of the members of said Board, other than the member who is the Commissioner of Buildings of the City of Indianapolis, shall be Sixty (\$60.00) Dollars per year, or at the rate of Five (\$5.00) Dollars per month, and said Board shall have a right to employ some competent person not a member of the Board as secretary at the compensation not in excess of Twenty (\$20.00) Dollars per month.

Section 4. Said Board of Electrical Examiners shall meet at the office of the Commissioner of Buildings of the City of Indianapolis, or at such other place in the City Hall as may be assigned to them. Said Board shall meet at least once a month at such time as may be fixed by said Board, and when necessary for the efficient discharge of its duties said Board may adjourn from time to time, and may hold special meetings upon the call of the chairman or of two members of said Board. The majority of said Board shall constitute a quorum, and it shall require the affirmative vote of a majority of said members to take any action at any regular or special meeting of said Board.

Section 5. No person shall be entitled to receive a license as a master electrician, as provided in this ordinance unless he passes the following qualifications: (1) Must be over twenty-one years of age and a person of good moral character; (2) Must be a graduate electrical engineer from a recognized university or college, with at least one year's practical experience as a master electrician, or as an electrical workman or journeyman repairing or installing wires, conductors and equipment used inside of buildings for the transmission of electric current for electric light, heat, power or signaling purposes covered by the Building Code of the City of Indianapolis; or have had at least three years actual experience as a master electrician, or as an electrical workman or journeyman repairing or installing wires, conductors and equipment used inside of buildings for the transmission of electric current for electric light, heat, power or signaling purposes covered by the Building Code of the City of Indianapolis; (3) Must possess a fair knowledge of the laws of the State of Indiana and of the ordinances of the City of Indianapolis controlling the repair and installation of wires, conductors and equipment used within buildings for the transmission of electric current for electric light, heat, power or signaling purposes covered by the Building Code of the City of Indianapolis.

Section 6. No firm or corporation shall be entitled to receive a license as a master electrician as provided in this ordinance unless, if a firm, some member thereof, or if a corporation some officer or duly authorized representative thereof, shall possess the qualifications required in this ordinance for master electricians and apply for and secure a license as master electrician under this ordinance in the name of such firm or corporation.

Section 7. Said Board of Electrical Examiners shall have power to adopt all necessary rules and regulations for the conduct of its own business and the examination of applicants for license as master electrician. Said Board shall keep, or cause to be kept, proper records showing the names and addresses of all persons making application for license as master electrician, and to whom said Board authorizes licenses to be issued.

Section 8. Said Board of Electrical Examiners shall issue its certificate signed by each member of said Board, or a majority thereof, to each applicant for license as a master electrician complying with the requirements of this ordinance. Said certificate shall be directed to the Controller of the City of Indianapolis and said Controller upon the receipt of such certificate shall issue a license to such person, firm or corporation, as the case may be, for a period of one year, or the remainder of the calendar year, after the date of the issuing of such license. All licenses and renewals of the same shall expire on the 31st day of December of each year. No license shall be issued by the Controller to any person, firm or corporation as a master electrician except as provided in this ordinance, and such license so issued shall be evidence in court of the business for which it is issued.

Section 9. Each applicant before taking examination shall pay to the Controller of said City the sum of Fifteen (\$15.00) Dollars as the preliminary fee for the examination as master electrician and file the receipt of the Controller with the Secretary of said Board for such payment. If the applicant is found to be qualified and is given a certificate as provided for in Section 8 of this ordinance then he

shall be entitled, upon the further payment to said Controller of Ten (\$10.00) Dollars and the execution of a bond as provided for in this ordinance, to receive a license from the Controller as a master electrician as provided in this ordinance.

Section 10. Each person, firm or corporation applying for the license required by this ordinance shall, before being granted a license by the Controller, make, execute and deliver to the Controller a bond in the sum of Three Thousand (\$3,000.00) Dollars payable to the City of Indianapolis, such bond to be made for the use and benefit of the owner or any party in interest in the property where said master electrician furnishes any material, or performs any service, against loss or damage which may arise by reason of the work done or material furnished being in violation of the requirements of any law of the State of Indiana or any ordinance of the City of Indianapolis controlling such work. Such bond shall be executed by each applicant with any recognized and responsible surety company authorized to do business in Marion County, Indiana, as surety thereon.

Section 11. Each person, firm or corporation applying for the license as master electrician, as provided in this ordinance, shall have the right without further examination to obtain a license each year thereafter from said Controller upon the payment to the Controller upon a license fee of Five (\$5.00) Dollars, and the execution of a bond with security as herein required.

Section 12. Any person shall have the right to appear before the Board of Electrical Examiners for permission to do electrical wiring for himself or for any other person, firm or corporation to the extent of the permission granted him in writing by said Board as herein provided. Said permission shall definitely state what the person may do, and in no case shall such permission be construed to include any electrical installation in the City of Indianapolis which shall exceed Fifteen (\$15.00) Dollars cost to the person, firm or corporation having the work done, which shall include cost of both labor and material. This Fifteen (\$15.00) Dollar limit shall be construed to mean electrical work of all character done on the premises during a period of thirty (30) days by one or more persons holding a written permission from said Board.

Sec. 13. The above and foregoing provisions of this ordinance shall not apply or govern electrical work done by any person, firm or corporation through a regular employee employed in whole or in part for such work, provided, however, that the owner of any such plant or building desiring to do such electrical work through his, their or its regular employees shall join with such employee, or employees, in an application to the Board of Electrical Examiners for a permit and license therefor. Such employee shall appear in person before said Board and if said Board is satisfied that such employee joining such person, firm or corporation, in such application is qualified to do electrical work as provided in this ordinance and as described in Section 5 hereof, said Board shall issue such permit to such person, firm or corporation for said employee, so joining in said application, and upon presentation of such permit to the Controller of said City, such person, firm or corporation shall be entitled to receive a license for said employee, to do electrical work on the premises of said person, firm or corporation upon the payment of the fee of Five (5.00)

Dollars per year without the execution of any bond. The work done under such license shall be limited to the employee named in such license and to the building or buildings owned by said person, firm or corporation; and said Board shall keep a proper record showing the name and address of each person, firm or corporation to whom such permit and license is granted. If an employee named in any license issued to any person, firm or corporation under this Section shall for any reason cease to be an employee of such person, firm or corporation, then all rights under such licenses shall cease, and said person, firm or corporation shall be required to make a new application to said Board of Electrical Examiners the same as if he, they or it had never been granted any permit or license by such Board.

Sec. 14. This Ordinance shall not apply to telephone companies, telegraph companies, electric light, heat and power companies, or electric railway companies operating under franchises or under the laws of the State of Indiana, in the installation and maintenance, removal or repair of their wires, conductors, apparatus and equipment used in connection with their business or plant. This Ordinance shall not apply to the manufacturers of electrical apparatus in conducting tests of apparatus of their own manufacture within the limits of their own plant.

Sec. 15. Any person, firm or corporation granted a license as master electrician, or a renewal thereof, in accordance with the provisions of this Ordinance, shall display the same in a conspicuous place in the place of business of such person, firm or corporation.

Sec. 16. No permit or license, or renewal thereof, granted under the provisions of this ordinance shall be assignable or transferable, and every such license, or renewal of the same, shall specify the name of the person, firm or corporation to whom it is issued, and if issued to a firm the name of the member of such firm qualifying as such master electrician, and if issued to a corporation the name of the officer or representative of such corporation qualifying as such master electrician. If a member of the firm or an officer or representative of a corporation named in the permit or license, or renewal thereof, qualifying as such master electrician shall cease to be a member of such firm or shall cease to be the officer or representative of such corporation, then and in that event all rights of such firm or such corporation under such permit or license, or renewal thereof, shall cease and said firm or corporation shall be required to make a new application to said Board of Electrical Examiners as provided in this ordinance the same as if it had never been granted any permit or license by such Board.

Sec. 17. The Board of Electrical Examiners shall have power, with the approval of the Board of Public Safety, to suspend or revoke any license, or renewal thereof, granted by said Board for cause and any violation by any master electrician to whom a license has been granted of any of the provisions of this Ordinance shall be sufficient cause for the suspension or revocation of such license.

Sec. 18. Said Board shall not have the power to create any expense unless the money therefor has been duly appropriated by the Common Council of said City. Any expense incurred by said Board, including the salary of members and the compensation of the Secretary, shall be paid on voucher approved by said Board or a majority thereof.

Sec. 19. Any person, firm or corporation who shall practice or engage in the work of a master electrician as defined in this Ordinance, after a period of ninety days from the taking effect of this Ordinance, without having complied with all provisions thereof, or shall violate any of the provisions of this Ordinance shall, on conviction thereof, be fined in any sum not less than Ten (\$10.00) Dollars nor more than Five Hundred (\$500.00) Dollars.

Sec. 20. At any time within sixty days after this Ordinance goes into effect, upon due application therefore and the payment of a fee of Twenty-five (\$25.00) Dollars, the Board of Electrical Examiners shall issue a license as provided in Section 9 to any Master Electrician, as defined in Section 2 of this Ordinance, who shall submit evidence under oath, satisfactory to the Board of Examiners, that he is of good moral character and has been practicing as a Master Electrician for three years prior to the passage of the Ordinance; or if a graduate engineer that he has had at least one year's practical experience as provided in Section 5, and was practicing as a Master Electrician at the time this Ordinance became effective.

Sec. 21. This Ordinance shall be in full force and effect from and after its publication as required by law.
