COMMUNICATIONS FROM THE MAYOR

June 16, 1923

To the President and Members of the Common Council, City of Indianapolis, Indiana:

Gentlemen—I have approved, signed and delivered to John W. Rhodehamel, City Clerk, the three following ordinances:

General Ordinance No. 29, 1923, an ordinance regulating roof coverings, providing for a penalty for the violation thereof, repealing all ordinances in conflict therewith and fixing a time when the same shall take effect.

General Ordinance No. 39, 1923, an ordinance to amend General Ordinance No. 114, 1922, entitled, "An ordinance dividing the City of Indianapolis into districts for the purpose of regulating and restricting the location of trades, callings, industries, commercial enterprises and the location of buildings designed for specified uses; of classifying, regulating and determining the area of front, rear and side yards and other open spaces about buildings; of regulating and determining the use and intensity of use of land and lot areas within such city; creating a board of zoning appeals; defining certain terms used in said ordinance; providing a penalty for its violation and designating the time when the same shall take effect," and fixing the time when the same shall take effect.

Special Ordinance No. 16, 1923, an ordinance authorizing the sale, alienation and conveyance of real estate by the Board of Park Commissioners of the Department of Public Parks, of the City of Indianapolis and fixing a time when the same shall take effect.

S. L. SHANK,
Mayor.

June 16, 1923

To the President and Members of the Common Council, City of Indianapolis, Indiana:

Gentlemen—I return herewith without my signature General Ordinance No. 58, 1923, an ordinance ratifying, confirming and

approving a certain contract made and entered into on the 4th day of June, 1923, by the City of Indianapolis by and through its Board of Public Safety with the approval of the Mayor, and the Conduitt Automobile Company whereby said city is authorized to purchase from said Conduitt Automobile Company one (1) Peerless chassis for squad wagon for the Indianapolis Fire Department (series 66) with copper gasoline tank under front seat of capacity of not less than twenty (20) gallons and with siren horn, for the sum of Two Thousand Seven Hundred Eighty-five (\$2,785.00) dollars, and declaring a time when the same shall take effect.

I am returning this ordinance unsigned because I believe that a larger appropriation should be made for the purchase of a higher-priced car. I am not in any way questioning the high standing of the Peerless as a pleasure car, but understand that it does not measure up to the heavy-duty requirements it would be required to meet in the work it would be called upon to perform in the Fire Department.

S. L. SHANK,
Mayor.
