*To the Members of the Common Council, Indianapolis, Indiana:*

Gentlemen—

We, the undersigned, citizens and taxpayers of Warren Township, residing East of Edmondson Avenue and North of East Tenth Street extended, do hereby remonstrate against the enactment of a Special Ordinance extending the boundaries of the City of Indianapolis, from Arlington Avenue Eastward to said Edmondson Avenue and North to the Center line of East Tenth Street extended, all in Warren Township, Marion County, Indiana, for the reason that the extension of said lines will be of manifest injury to the persons owning property in said territory, sought to be annexed and for the further reason that the annexation of such territory to the center line of said Edmondson Avenue, on the East, and to the center line of said East Tenth Street extended, on the North, would leave one-half of said Edmondson Avenue and said East Tenth Street extended within the jurisdiction of the City of Indianapolis, for street making and repairs and upkeep and one-half of said streets within the jurisdiction of the County of Marion, State of Indiana, for upkeep and repairs and permanent improvements; that the prosperity of the City of Indianapolis and said territory will not be retarded nor the safety of the inhabitants and the property within such territory endangered.

*To the Common Council of the City of Indianapolis, Indiana:*

The undersigned petition the Council to fix a hearing under Special Ordinance No. 1, 1928, proposing to annex certain territory South of Tenth Street and West of Edmondson, outside the City of Indianapolis, and in connection with such petition present objections and remonstrances which are attached and filed in connection with this petition.

THOMAS C. BATCHELOR,

WALKER HÖLLETT,

Attorneys for Remonstrance.

REMONSTRANCE TO SPECIAL ORDINANCE NO. 1, 1928

Annexation of Certain Territory South of Tenth Street, and West of Edmondson Street, and Other Territory.

*To the Common Council of the City of Indianapolis, Indiana:*

The undersigned, the owners of real estate, sought to be annexed to the City of Indianapolis, and made a part thereof, by your Special Ordinance No. 1, 1928, hereby remonstrate against such annexation of the specific property owned by them, being the specific property hereinafter set forth, opposite to their several signatures, and as ground for such remonstrance state:

That said property is not contiguous to the City of Indianapolis. That it is now employed, and has been for a great number of years exclusively as farm land; has not been platted or subdivided, and is not at this time available for any city service of any public utility, nor do those residing upon such tracts of real estate sought to be annexed desired, or require, sidewalks, sewers, or streets, together with any water, gas or light service not now possessed by them.

That if said property is sub-divided, or an effort made to assess said property for public improvements, the greater burden of such improvements upon remonstrance and appeal would be compelled to be paid out of the general treasury of Indianapolis, since such property is not of sufficient value, in its present condition, to justify or admit of the payment of any public improvements, by the method of assessments against the property.

WHEREFORE, each of the said petitioners pray the Council to reject such ordinance, or amend the same to exclude their specific property from such annexation ordinance. Signed this \_\_\_\_\_ day of April, 1928.

Ada P. Springer, N. E. quarter, sec. 2-15-4, S. E. quarter, 2-15-4, 2075x1330 feet.

The Undersigned, the owners of real estate, sought to be annexed to the City of Indianapolis, and made a part thereof, by your Special Ordinance No. 1, 1928, hereby remonstrate against such in annexation of the specific property owned by them, being the specific property hereinafter set forth, opposite to their several signatures and as ground for such remonstrance state:

That there is no necessity for such public ordinance.

That such ordinance purports to annex to the center line of East Tenth Street, leaving the north half of East Tenth Street, outside the City limits and the south half within the City limits, and

purports to annex the west half of Edmondson Avenue, leaving the east half of Edmondson Avenue outside the City limits, making it impracticable for either the county or the city to improve such highways, or keep the same in repair, without a conflict of jurisdiction:
