In RE: I. R. 13928, Wilkins Street

The Board having heretofore on the 18th day of July, 1928, adopted a preliminary resolution upon the above entitled improvement, and having confirmed the same on the 8th day of August, 1928, and plans and specifications having been prepared thereon, and a remonstrance containing a majority of the resident property owners abutting on said contemplated improvement having been filed there against, within the time provided by law, and the Board having also received a report of the City Civil Engineer recommending that said resolution be referred to the Common Council of the City of Indianapolis for an Ordinance ordering said improvement, and now being dully advised in the premises does now approve the recommendation of the City Civil Engineer.

## OTHER COMMUNICATIONS

Indianapolis, Ind., August 30, 1928.

*Mr. Robert E. Springsteen,*  
234 E. 12th Street,

Dear Sir—

I am directed by the chairman of the Board to thank you for

the introduction of the ordinance prohibiting parking in the Circle, and through you the gentlemen of the Council who passed the bill.

For the first time since the passage of the Act of 1901, the Circle will present the appearance so ardently desired by the members of the Legislature of that period, who, because of their reverence of the Monument, and what it stood for, regarded obstruction of view from any point as a desecration.

The Board having announced its purpose to do its part in making the Circle a beauty spot, I have taken the matter of illumination up with the General Electric Company, whose experts have been our advisers, and whose plans were made one year ago.

For your information, I will say that the lenses for illumination will be placed in the "bowls" at the top of the candelabra and out of sight. They will produce a soft, mellow glow to the top of the Monument, causing it to stand out as distinctly as in daylight.

It is probable that we will have to wait for the session of the Legislature for appropriating sufficient funds for the purpose, unless we are fortunate enough to persuade the Governor to advance the money from his "emergency fund," which perhaps is low at this period of his administration.

Again I am thanking you and your compeers of the city administration, I am

Very truly yours,

ORAN PERRY,  
Superintendent.
