COMMUNICATIONS FROM CITY OFFICIALS

September 17, 1928.

To the Common Council of the City of Indianapolis, Indiana:

Gentlemen—

Due to an error in the computation of interest upon judgments pertaining to Flood Prevention the Board of Works have asked that General Ordinance No. 61 be increased Five Thousand (\$5,000.-00) Dollars.

I, therefore, recommend that this ordinance be amended to read \$620,000.00 instead of \$615,000.00. For your convenience four copies of the proposed amendment are herewith attached.

Very truly yours,
STERLING R. HOLT,
City Controller.

August 31, 1928.

Mr. Sterling R. Holt, City Controller, Indianapolis, Indiana:

Dear Mr. Holt:

IN RE: FLOOD PREVENTION BOND ISSUE

Due to an error in the computation of the various statements under Flood Prevention interest upon judgments secured against the City was allowed for only one year, and in as much as the money raised by this Bond Issue will not be available until November, approximately 6 more months will have elapsed and, therefore, an allowance should be made for interest for one year and six months. This will make it necessary to add the sum of \$10,426.17 to the total amount, the City's share thereof being \$4,691.78 or a total of \$619,617.43, the County's share being the same as the City's, and the benefited district to be increased the sum of \$1,042.62 or a total

of \$137,692.77.

It will therefore be necessary that you prepare said Bond Issue (say in the sum of \$625,000) to pay for the City's share of said project.

Will you kindly certify this information to the County Auditor and the County Commissioners?

Yours very truly,

BOARD OF PUBLIC WORKS

By: ERNEST F. FRICK,

Secretary, Board of Public Works.
