DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER.

To the President and Members of the Common Council:

GENTLEMEN: I submit herewith a communication from the Department of Public Safety asking me to recommend the transfer of \$1,000.00 from the "Furniture and Fixtures" fund to the "Hose" fund.

I submit herewith an ordinance providing for the transfer asked for, and recommend its passage.

DEPARTMENT OF PUBLIC SAFETY,
 OFFICE OF THE BOARD.
 INDIANAPOLIS, IND., September 8, 1910.

Mr. Howard Kimball, City Controller, City:

DEAR SIR: At a meeting of the Board of Public Safety, held September 7, 1910, it was decided to request you to please ask the Common Council to transfer in the "Fire Force Accounts" the sum of one thousand dollars (\$1,000.00) from the fund known as "Furniture and Fixtures" to the fund known as "Hose."

The balance in the "Hose" fund is \$690.81, which is only enough to purchase about 600 feet of hose, and it is absolutely necessary to have more hose to replace hose that is past doing service.

Respectfully yours,
 BOARD OF PUBLIC SAFETY,
 W. M. E. DAVIS, *President.*

From City Controller:

DEPARTMENT OF FINANCE,
 OFFICE OF CITY CONTROLLER.
 INDIANAPOLIS, IND., September 9, 1910.

GENTLEMEN: I herewith submit a communication from the Department of Public Works requesting me to recommend the transfer of the sum of \$29,946.25 from the "City Hall Building Fund of 1906" to the "City Hall Building Fund of 1909," and also submit herewith an ordinance providing for the transfer, and recommend its passage.

Respectfully submitted,

DEPARTMENT OF PUBLIC WORKS,
 OFFICE OF THE BOARD.
 INDIANAPOLIS, IND., September 9, 1910.

Mr. Howard Kimball, City Controller, City:

DEAR SIR: You are hereby requested to recommend to the Common Council the passage of an ordinance transferring the sum of \$29,946.25, being the balance in the City Hall Building Fund of 1906, to the City Hall Building Fund of 1909. We have plans and specifications prepared for stationary fixtures, which we estimate will cost \$13,500.00, and the balance of the appropriation will be needed for interior decorations, con-

struction of sidewalks and incidental expenses in completing the city hall building.

The Board will not let a contract for decorations in excess of \$20,000.00.

Yours truly,

C. A. SCHRADER,

You are therefore requested to recommend to the Common Council the passage of an ordinance appropriating the sum of \$4,000.00 to the water fund.

To the President and Members of the Common Council:

GENTLEMEN: We, your Committee on Public Health and Morals, to whom was referred the matter of the investigation of the laxity in the enforcement of the liquor and gambling laws, beg leave to report that we have investigated the matter as thoroughly as possible, and have found evidence that a tip has been given to some saloon keepers, and evidently they have felt secure in that tip, as they have remained open and undisturbed.

Now, therefore, we respectfully recommend that this matter be referred to the Investigation and Impeachment Committee, with full powers to act and to bind the city to any legitimate expenses that may be incurred in ferreting this matter to the bottom.

Respectfully submitted,

FRANK E. MCCARTHY.
GEORGE B. RUBENS.
FRED C. OWEN.

INDIANAPOLIS, IND., September 9, 1910.

To the President and Members of the Common Council:

GENTLEMEN: We, the undersigned, members of the Committee on Public Health and Morals, to whom was referred the above resolution, adopted at a regular meeting of the City Council, August 1, 1910, beg leave to submit the following report:

After waiting nearly three weeks for the chairman of the committee to act, the entire committee was called for a brief conference, lasting less than an hour. At this meeting, several members indulged in generalities, talking at random, but disclosing no evidence bearing on the resolution. A second meeting of the entire committee was called a few days later, of similar import, shorter duration, with the same results. A third meeting of the entire committee was called Monday night, August 29, 1910, at which time Mr. Copeland, not a member of said Committee, presented a typewritten recommendation addressed to the City Controller, requesting an appropriation of twelve hundred (\$1,200) dollars, asking each member to sign, in order to "further the investigation" and save delay. The entire evening was wasted trying to find out what use was to be made of the money.

Up to this time no evidence had been submitted, nor was any submitted at that meeting, on which to base any charges against any city official or employe.

The undersigned were informed that they (the other members) "had the dope" and at the proper time a report would be prepared, submitted to us and we would be asked to sign it.

With no evidence submitted to sustain the charges made, we, the undersigned, after a careful and thorough investigation among the city officials, employes and saloon keepers, do not find where any city official or employe was in any manner connected with the tip which is claimed went out to saloon men that they could violate the law Sunday, July 17th, or at any other time. Neither was immunity promised to either class.

The Superintendent of Police states positively that there has not been in the past, present, nor will be in the future and favoritism shown or immunity promised either to saloon keepers or gamblers.

The instructions from the Superintendent to the police force have been consistently the same as issued at the beginning of his term of office, *i. e.*, to arrest all violators of the law, without distinction.

We find that the Mayor has not interfered, nor at any time given orders contrary to the above, neither has the Superintendent been hampered or influenced in any manner by his superiors, in executing these orders. If said tip was given, it came from an unofficial source and an unauthorized person.

We thoroughly believe that the Mayor and Superintendent of Police are consistently enforcing the laws relative to the above, without fear or favor.

This report has been prepared without the assistance or consultation of any attorney either in or out of the city.

Respectfully submitted,

CHARLES B. STILZ.
JOHN BLUMBERG.

Mr. Stilz moved that the minority report of the committee be concurred in.
