INTRODUCTION OF GENERAL AND SPECIAL ORDINANCES.

By Board of Public Works:

General Ordinance No. 77—1910: An ordinance approving, ratifying and confirming a certain contract made and entered into on the 28th day of September, 1910, between the Pittsburgh, Cincinnati, Chicago and St. Louis Railway Company and the City of Indianapolis, by and through its Board of Public Works, whereby said railway company is authorized to lay, construct, maintain and operate certain sidetracks or switches, as in said contract specifically described, across Merrill street, between Pennsylvania and Delaware streets, in the City of Indianapolis, and fixing a time when the same shall take effect.

WHEREAS, Heretofore, to-wit: on the 28th day of September, 1910, the City of Indianapolis, by and through its Board of Public Works, entered into the following contract with the Pittsburgh, Cincinnati, Chicago and St. Louis Railway Company, viz.:

CONTRACT between the Pittsburgh, Cincinnati, Chicago and St. Louis Railway Company and the City of Indianapolis for sidetracks or switches across Merrill street, between Pennsylvania and Delaware streets.

THIS AGREEMENT, made and entered into this 28th day of September, 1910, by and between the Pittsburgh, Cincinnati, Chicago and St. Louis Railway Company, a corporation organized and existing under the laws of the State of Indiana, party of the first part, and the City of Indianapolis, by and through its Board of Public Works, party of the second part, witnesseth:

That the party of the first part, being desirous of securing a right of way for, and the right to construct, maintain and operate three additional sidetracks or switches, and also to relocate four of said company's existing sidetracks or switches, across Merrill street, between Pennsylvania and Delaware streets, in the City of Indianapolis, which are more particularly described as follows:

The first or eastwardly track to be located sixty-nine (69) feet nine (9) inches west of the west line of Delaware street. The remainder of said sidetracks to be spaced twenty-two (22) feet between centers, except the most westwardly of said tracks, the center of which is to be thirteen (13) feet from the center of the next track east of it.

Said The Pittsburgh, Cincinnati, Chicago and St. Louis Railway Company hereby covenants and fully binds itself, its successors, legal representatives and assigns, that in consideration of the granting of the privileges and authority herein given, it will lay, construct, maintain and operate said tracks upon the terms and conditions hereinafter set forth, to-wit:

1. They shall be so laid, improved and kept in repair as to be safe for persons on foot, in vehicles, or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works of the City of Indianapolis.

2. Said tracks or switches shall be laid upon such grade as shall be established by said Board, and shall be put down under its supervision and to its satisfaction and approval.
