

SPECIAL MEETING

Thursday, April 11, 1929, 7:30 P. M.

The Common Council met in the Council Chamber at City Hall at 7:30 p. m., Thursday, April 11, 1929, in special session, President Edward B. Raub in the chair, pursuant to the following call:

To the Members of the Comon Council, Indianapolis, Ind.

Gentlemen:

You are hereby notified that there will be a SPECIAL MEETING of the COMMON COUNCIL held in the Council Chamber on Thursday, April 11, 1929, at 7:30 P. M., the purpose of such SPECIAL MEETING being to receive for introduction, first reading and committee assignment, an ordinance authorizing a bond issue to provide funds for a power house for the City Hospital.

Respectfully,

EDWARD B. RAUB,

President, Common Council.

I, William A. Boyce, Jr., Clerk of the Common Council of the City of Indianapolis, Indiana, do hereby certify that I have served the above and foregoing notice to each and every member of the Common Council prior to the time of such SPECIAL MEETING, pursuant to the rules.

In Witness Whereof, I have hereunto affixed my signature and caused the seal of the City of Indianapolis to be affixed.

WILLIAM A. BOYCE, JR.

(SEAL)

City Clerk.

Which was read.

The Clerk called the roll.

Present: Edward B. Raub, President, and eight members, viz: Earl Buchanan, Edward W. Harris, Herman P. Lieber, Albert F. Meurer, Meredith Nicholson, Paul E. Rathert, Robert E. Springsteen, John F. White.

In accordance with instructions from the Chair, the reading of the minutes of the previous meeting was dispensed with.

COMMUNICATIONS FROM THE MAYOR

April 11, 1929.

Dr. E. E. Jackson, President, and Members of the Board of Health.

Gentlemen:

With respect to the plans for the much needed improvement and enlargement of the City Hospital, I wish to call attention to the situation as it is presented.

In the first place, there is no doubt about the need for a larger hospitalization equipment, including an adequate power plant and out-patient building and the enlargement of the ward facilities, thus increasing the bed capacity. This program is a positive necessity for the care and treatment of those who need public hospital attention.

The entire plan submitted at this office the other day by Dr. Parnell, Director, and approved by your Board, involved the following, including estimates:

Power plant	\$530,000.00
Out-patient (5 stories).....	614,000.00
Ward unit (6 stories—432 beds).....	1,044,000.00
Total.....	<u>\$2,188,000.00</u>

With laundry estimated at \$75,000.00 and the garage at \$35,000.00, the total would be \$2,298,000.00.

I observe that your Board has made recommendation modifying this plan to the extent as follows:

Out-patient (4 stories).....	\$516,000.00
Ward unit (4 stories—288 beds).....	875,000.00

You have also omitted the laundry and garage. Your modified plan, including power plant, involves a total estimate of \$1,921,000.00, as against a total estimate of the entire plan of \$2,298,000.00. This modification eliminates from the program two stories of ward unit, one story of out-patient and the laundry and garage, with a reduction of only \$377,000.00.

The entire cost, including retirement of bonded indebtedness and interest for a period of thirty year serial bonds under the modified plan proposed by your Board, would be \$3,266,307.50. The entire plan proposed by Dr. Parnell and your Board at the conference recently, on a basis of thirty year serial bonds would amount to \$3,905,265.00, or an increase of \$638,957.50. This last sum is an additional cost of principal,

retirement and interest covering a period of thirty years, which amounts to \$.095 tax levy over a period of thirty years based on present day valuation.

The first year's cost of the entire plan is \$178,855.00 and under the modified plan \$149,475.00. The increase under the entire plan only amounts to an increase tax levy of four and one-third mills. The increase of cost for the twenty-ninth year is only an increased tax levy of one and one-half mills.

According to the above figures, I fail to see how it is good business or economy to proceed under the modified plan as compared to the entire plan.

There are also other important considerations. If a four-story out-patient building costs \$516,000.00 and a five-story out-patient building costs \$614,000.00, it is easy to see the importance of additional story as a matter of public economy, since it is a well-known fact that an additional story is really needed. The figures are plainly evident as to the ward building. The modified plan involving a four-story building with 288 beds costs on an average of \$218,750.00 per story; a six-story building costs on an average of \$174,000.00 per story, and it is to be considered that the two stories and stories between the roof and the foundation, which means that the average is still further in favor of the addition of two stories, since the roof and basement add to the total cost. By cutting the plan down from a six-story building costing \$1,044,000.00 to a four-story building costing \$875,000.00, you only save a total expenditure of \$169,000.00 and lose two stories of the structure, and you also lose 144 beds.

Now, if it were not well known that this additional bed capacity is needed, or will be needed in the immediate future, perhaps the modified plan as to the ward unit building could be proceeded with, but I cannot see how we should limit a plan where the average cost of stories is \$44,750.00 less the entire plan from that under the modified plan and where the entire plan only exceeds the modified plan \$169,000.00, which makes an average story cost of \$84,500.00 as against an average cost of \$218,750.00 under the modified plan. Besides to obtain a bed capacity of 288 you are expending \$875,000.00, or an average cost of a little more than \$3,000.00 per bed; whereas, you can obtain a bed capacity of 432 at an average cost of a little more than \$2,400.00 under the entire plan.

Now as to the increased cost of maintenance and operation of the entire plan over the modified plan, which will of course add to the budget when the unit is completed ready for use, we may call your attention to the fact that there will be an increased budget of perhaps \$300,000.00 per year. This increase will largely be met by the increase of taxables in the City of Indianapolis and, if so, will not increase the tax levy to any appreciable extent.

In view of these conditions I am, therefore, of the opinion that the plan first submitted by Dr. Parnell is the best from every standpoint. While I am certain we must take into consideration the present bond market and, therefore, should not just now put out a bond issue for the entire program, I feel that the bond issue as to the power plant should be provided for and if there is a reasonable market for bonds of the power plant in the amount of \$530,000.00, then I am disposed to imme-

diately proceed with the entire program and provide bond issues for the same. The sale of the power plant bonds will be a sufficient test.

As stated to you and the members of the Council present at the conference in this office a few days ago, the present program as outlined by Dr. Parnell, and as laid out by the three firms of architects and as approved by your Board at that time, is a program in which there is nothing but honesty and good faith. I know the citizens of this city can rely upon the proposition being entirely free of any form of extravagance or other undesirable conditions. The entire program is commensurate with the needs of the city and in fact will complete a City Hospital for Indianapolis that will rank with any similar institution.

My desire is to proceed with this plan in its entirety and to have it under contract during this year of 1929, because it is entirely free of all undesirable conditions and can be completely constructed at a dollar of value to the city for every dollar of expense to the city.

As a concluding suggestion, and to some extent a modification of the above statements, I believe you will agree that the first thing is, of course, the power house. Then, it might be well to proceed as soon as possible if the bond market warrants further bond issues, with the out-patient building, because it can be constructed without interfering with the present condemned and inadequate structures of the hospital. Of course, the ward unit building cannot be proceeded with to a good advantage immediately and that might wait some months later for a bond issue covering that building.

However, my above first statements in regard to completing contracts for construction during this year still stands as made.

I have the honor to be,

Very respectfully,

L. ERT SLACK,

Mayor.

COMMUNICATIONS FROM CITY OFFICIALS

April 11, 1929.

To the Honorable President and Members of the Common Council of Indianapolis.

Gentlemen:

I am submitting herewith fourteen copies of General Ordinance No. 19, 1929, providing for the issuance of \$530,000.00 of Indianapolis City Hospital Bonds of 1929, First Issue, for the erection and equipment of a power plant at the City Hospital.

I respectfully recommend the passage of this ordinance.

Yours very truly,

STERLING R. HOLT,
City Controller.

April 10, 1929.

Dr. Thomas D. Noble and Dr. L. A. Ensminger, representing the Indianapolis Medical Society, presented the following resolution, adopted by that Society:

Dr. T. B. Noble, Sr., 1008 Hume-Mansur Bldg., Indianapolis, Indiana.

Dear Doctor Noble:

In accordance with a motion passed at the meeting of the Indianapolis Medical Society on April 9, 1929, the president has named you and Dr. L. A. Ensminger on a committee to attend a meeting of the City Council, in the Council Chamber at the City Hall at 7:30 P. M. Thursday, April 11, 1929.

The resolution adopted by the society is: "Be it hereby resolved: That the Indianapolis Medical Society, the membership of which is composed of the prominent and active doctors of our city, who have given freely of their services at the Indianapolis City Hospital and Dispensary for the deserving poor of the city, and who have labored under great hardships and inconveniences owing to inadequate facilities and overcrowded conditions:

"Resolved: That we as a profession condemn this deplorable situation that now prevails in the institution, with particular reference to contagious cases, crowding in the dispensary, and a serious lack of bed space for all types of cases, and hereby resolve:

"That the Indianapolis Medical Society urges as an emergency measure, immediate relief of these conditions and vote our approval of the Board of Health and its consultant in the proposed building program, so that we may continue to give adequate and honorable service to the deserving poor of our city."

Yours very truly,

CHESTER A. STAYTON, M. D.

Secretary.

Mr. Wm. H. Book, representing the Chamber of Commerce, was present and said that the Chamber of Commerce had been on record for two years in favor of such a program.

President Raub, in behalf of the Council, advised that at no time had the Council delayed consideration of plans for improvement of the hospital, but on the contrary, had

passed General Ordinance 68, 1928, providing funds for employment of a hospital consultant, engineer and architect, whose report had just recently been made to the Mayor.

INTRODUCTION OF GENERAL ORDINANCES

GENERAL ORDINANCE 19, 1929

AN ORDINANCE, authorizing the sale of Five Hundred Thirty (530) bonds of One Thousand (\$1,000.00) Dollars each of the City of Indianapolis, Indiana, payable from the revenues and funds of said city, or from the sinking fund of said city, or as may be required by law, for the purpose of procuring money with which to erect and equip a power plant, including a distributing system and all necessary connecting tunnels at the City Hospital; also for making all necessary alterations and additions to the light, power, water and steam and return systems in present buildings on the City Hospital grounds; also for paying additional architect's and engineer's fees; providing for legal notice; providing for the time and manner of advertising sales of bonds and of the receipt of bids for the same, together with the mode and terms of sale; appropriating the proceeds of said sales of bonds to the Department of Health and Charities of said city, and fixing a time when the same shall take effect.

THAT WHEREAS, this Board on the 24th day of September, 1923, passed a resolution to the effect that an emergency exists at the City Hospital on account of the State Fire Marshal having theretofore condemned the old hospital building, and on account of inadequate and insufficient accommodations for the proper care and treatment of the indigent sick of the City of Indianapolis, to such an extent that it was deemed necessary to construct certain buildings and additions at said City Hospital, and

WHEREAS, this Board by its said resolution declared that it would be for the best interests of the City of Indianapolis and its inhabitants that a Hospital Consultant be employed to advise with this Board and its architects and engineers in said contemplated construction program, and

WHEREAS, the Common Council of the City of Indianapolis, pursuant to said resolution of this Board and in compliance with the request of this Board, did, on the first day of October, 1928, pass General Ordinance No. 68, for the purpose of procuring to this Board certain funds with which to employ and pay a Hospital Consultant, architects and engineers for the furtherance of said contemplated construction program, and

WHEREAS, this Board, pursuant to said General Ordinance No. 68 did, on the 3rd day of December, 1928, enter into a contract with one Christopher G. Parnell, of Rochester, New York, as Hospital Consultant, to make a survey of the needs and requirements of said City Hospital

and consult and advise with this Board with reference to the buildings and improvements necessary to be erected at said City Hospital to meet the present requirements of the inhabitants of the said city, and

WHEREAS, the said Hospital Consultant, after making a thorough study and survey of the present facilities and the requirements to meet the immediate needs of the indigent sick of the said city at said City Hospital, reported that among the buildings and equipment which should be erected and installed without delay should be a modern power plant with a complete distributing system and tunnels; and that necessary alterations and additions be made in present buildings to the electric, power, water and steam systems so as to connect them with said distributing system, and

WHEREAS, this Board by proper resolution concurred in and approved of the report and recommendations of said Hospital Consultant in the above particulars, and

WHEREAS, Robert Frost Daggett, the architect, and Charles R. Ammerman, the engineer, both employed by this Board to furnish plans for said power plant, tunnels, connections, alterations and additions, have submitted their preliminary plans therefor, which plans have been duly adopted and approved by this Board, and

WHEREAS, this Board is of the opinion that it is necessary and advisable and for the best interests of the City of Indianapolis and its inhabitants that the aforementioned power plant and equipment, including distributing system, tunnels and repairs as aforesaid, should be built and equipped and put in operation at the earliest possible date, and

WHEREAS, said Board, after being duly advised, is of the opinion that the cost of such power plant, tunnels, equipment, connections and alterations necessary to make said power plant efficient and useful for the purposes intended, and to pay for additional architect's fees for completing plans and specifications and to supervise construction of said improvements will be approximately Five Hundred Thirty Thousand (\$530,000.00) Dollars, and

WHEREAS, there is not now, and will not be, sufficient money in the funds of the Board of Health of the City of Indianapolis with which to meet the aforesaid expenditures of money for the purposes aforesaid, and it being necessary for said city to borrow the sum of Five Hundred Thirty Thousand (\$30,000.00) Dollars, and to issue and sell bonds for that amount;

NOW, THEREFORE, Be It Resolved, by the Board of Health of the City of Indianapolis, Indiana, that an ordinance be prepared and presented to the Common Council of said City of Indianapolis and to the City Controller, for passage, authorizing the issuance and sale by the City of Indianapolis of a bond issue of Five Hundred Thirty Thousand (\$530,000.00) Dollars, for the use of said Board of Health, for erecting and equipping on said Hospital grounds a power plant, distributing system, tunnels and connections; also for necessary alterations and additions to the electric light and power systems, and steam and return systems and water supply system in the present buildings on said City Hospital grounds in order to connect said buildings with said new distributing system, according to the plans and drawings heretofore sub-

mitted to this Board therefor by the aforementioned architect and the aforementioned engineer; also providing for additional architect and engineer fees necessary for the completion of the aforementioned plans and specifications and the proper supervision of the construction and equipping of said power plant and other improvements as aforesaid, and

WHEREAS, it is, by the Common Council of the City of Indianapolis, Indiana, deemed necessary and proper and for the best interest of the City of Indianapolis and its inhabitants to improve and better the conditions with reference to the proper and adequate health protection of the said city and its inhabitants, and

WHEREAS, for said purposes it is deemed necessary and advisable to build and equip a modern power plant, distributing system, tunnels and connections on the said Hospital grounds, and to make necessary alterations and additions in the electric light, power, steam and water systems in the present buildings on said grounds so as to connect said buildings with the new distributing system; and also to pay additional architect's and engineer's fees for plans and specifications for said improvements and the proper supervision of said construction and installation of said equipment, and

WHEREAS, there are not now and will not be sufficient funds in the treasury of said city with which to accomplish the purposes aforesaid, and it will be necessary for the City of Indianapolis to borrow for said purposes the sum of Five Hundred Thirty Thousand (\$530,000.00) Dollars, and to provide for and secure the repayment thereof, and to evidence said indebtedness, to issue and sell its bonds in said amount, payable from the general funds or from the sinking fund of said city, or as may be required by law: Therefore

Be It Ordained by the Common Council of the City of Indianapolis, Indiana:

Section 1. That the City Controller be and he is hereby authorized and empowered, for the purpose of procuring money with which to improve and better the conditions with reference to proper and adequate health protection for the City of Indianapolis and its inhabitants, and for the purpose of constructing and equipping a power plant, distributing system and necessary connecting tunnels on the premises at and adjacent to the City Hospital; and for the purpose of making necessary alterations and additions to the electric light and power systems and steam and return systems and water supply system in the present building in order to connect them with the said new distributing system; also to pay necessary additional architect's and engineer's fees for the completion of plans for said proposed constructions, installations and alterations and for the proper supervision of the same, according to plans heretofore submitted to the Board of Health by Charles R. Ammerman, as its engineer, and Robert Frost Daggett as its architect, on said improvements, and for said purpose to prepare, issue, and sell Five Hundred Thirty (530) new bonds of the City of Indianapolis, Marion County, Indiana, in the sum of One Thousand (\$1,000.00) Dollars each, which bonds shall bear the date of July first, 1929, and shall be numbered from One (1) to Five Hundred Thirty (530), both inclusive, and shall be designated "CITY HOSPITAL BONDS, 1929—ISSUE

NUMBER 1," shall bear interest at the rate of four and one-half (4½) per cent per annum, payable semi-annually on the first day of January and the first day of July of each year for the period of said bonds, and said installments of interest shall be evidenced by interest coupons attached to said bonds; said bonds shall mature and be payable at the rate of Eighteen Thousand (\$18,000.00) Dollars on the first day of July of each year for twenty-eight (28) consecutive years beginning with the year 1931 and ending with the year 1958, and the remaining Twenty-Six Thousand (\$26,000.00) Dollars of said bonds shall mature on the first day of July, 1959, the first coupon attached to each of said bonds shall be for the interest on said bond from date of issue until the first day of July, 1930. Said bonds and interest coupons shall be negotiable and payable at the city treasurer's office at Indianapolis, Indiana. Said bonds shall be signed by the Mayor and City Controller of said City of Indianapolis and attested by the City Clerk, who shall affix the seal of said city to each of said bonds, and the interest coupons attached to said bonds shall be authenticated by lithographic fac-similie of the signatures of the Mayor and City Controller of said city engraved thereon, which shall for all purposes be taken and deemed to be equivalent to a manual signing thereof. Said bonds shall be prepared by the City Controller in due form, irrevocably pledging the faith and credit of the City of Indianapolis to the payment of the bonds and interest stipulated therein, respectively.

It shall be the duty of the City Controller of said city at the time of the issue and negotiation of said bonds, to register in a book kept for that purpose, all of said bonds so issued and negotiated in serial numbers, beginning with number One (1) giving also the date of their issuance, their amount, date of maturity, rate of interest, and the time and place where said interest shall be payable. Said bonds shall be substantially in the following form, all blanks for numbers and dates to be properly filled in before the issuance thereof:

No.----- \$1,000.00

UNITED STATES OF AMERICA
 CITY OF INDIANAPOLIS
 TOTAL ISSUE \$530,000.00
 MARION COUNTY, STATE OF INDIANA
 CITY HOSPITAL BONDS, 1929
 ISSUE NUMBER 1

For value received, the City of Indianapolis, in the County of Marion, in the state of Indiana, hereby promises to pay to the bearer, without any relief from valuation or appraisement laws, on the-----day of----- 19-----, at the office of the City Treasurer of said City of Indianapolis, in the City of Indianapolis, One Thousand (\$1,000.00) Dollars, in lawful money of the United States of America, together with interest thereon at the rate of four and one-half (4½) per cent per annum from date until paid. The first interest payable on the first day of July, 1930, and the interest thereafter payable semi-annually on the first day of January and July, respectively, upon the presentation and surrender of the proper interest coupons hereunto attached and which are made a part of this bond.

This bond is one of a series of Five Hundred Thirty (530) bonds of One Thousand (\$1,000.00) Dollars each, numbered from One (1) to Five Hundred Thirty (530), both inclusive of date July 1, 1929, issued by said City of Indianapolis, pursuant to an ordinance passed by the Common Council of the said City of Indianapolis, Indiana, on the----- day of-----, 1929, and an Act of the General Assembly of the State of Indiana entitled "an act concerning Municipal Corporations," approved March 6, 1905, and acts amendatory thereof and supplemental thereto.

It is hereby certified that all conditions, acts and things essential to the validity of this bond exist, have happened, and have been done, and that every requirement of the law affecting the issuance thereof has been duly complied with, and that this bond is within every debt and other limit prescribed by the Constitution and the laws of the State of Indiana and that the faith and credit of the City of Indianapolis, Indiana, are hereby irrevocably pledged to the punctual payment of the principal and interest of this bond, according to its terms.

IN WITNESS WHEREOF, the Common Council of the City of Indianapolis, Indiana, has caused this bond to be signed by the Mayor and the City Controller of said City and attested by the City Clerk and the corporate seal of said City to be hereunto affixed, as of the first day of July, 1929.

Mayor.

Attest:

City Controller.

City Clerk.

Section 2. The City Controller shall, as soon as practicable after the passage of this ordinance, and after the publication of the notice of the herein determination to issue such bonds as provided in Section Eight (8) hereof, advertise for bids or proposals for said bonds by at least One (1) insertion each week for two (2) weeks in two (2) daily newspapers of general circulation, printed and published in the City of Indianapolis, Indiana, and may advertise for such bids or proposals as he may deem advisable. Said advertisements shall describe said bonds with such minuteness and particularity as the City Controller may see fit and shall set forth the amount of the bonds to be sold and the rate of interest they may bear, that the bidder may bid for all or any part of said bonds, the date of opening bids or proposals therefor, the right of the City Controller to reject any or all bids, the amount of deposit which each bidder will be required to make, and when and where the bonds shall be delivered and paid for.

Section 3. Each and every bid and proposal shall be presented to the City Controller, sealed, and shall be accompanied by a duly certified or cashier's check upon some responsible bank or trust company of the City of Indianapolis, Indiana, payable to the order of the City Treasurer of said city for a sum of money which will equal two and one-half (2½) per cent of the face or par value of the bonds bid for or proposed to be purchased. The City Controller shall continue to receive all bids or proposals therefor at the office of the City Controller in said

city until twelve (12) o'clock noon on the day fixed by the City Controller and designated in the advertisement for receiving bids or proposals, at which time and place, and between the said hours of twelve (12) o'clock noon and two (2) o'clock p. m. of said day he shall open said bids or proposals. The City Controller shall award said bonds, or as he shall see fit, a part or any number thereof, to the highest and best bidder therefor, but said City Controller shall have the right to reject any and all bids or proposals or any part or parts thereof and shall have the right to accept a part of any bid and to award upon any bid the whole or less number of bonds covered by such bid, he being the sole judge of the sufficiency or insufficiency of any bid. He may also, in his judgment and discretion, award a part of said bonds to one bidder and a part to another bidder. These provisions shall apply to the case of reoffering and readvertising of said bonds as hereinafter provided for.

Section 4. In case the City Controller shall reject all bids submitted or if he shall award only a part of said bonds, he shall readvertise the bonds remaining unsold in the manner as herein prescribed for the original advertisement, but in such readvertisement he is authorized and directed to fix the date and the time both of receiving and opening bids or proposals, and for purchasers to take up and pay for the bonds which may be awarded. And he shall continue from time to time in like manner to readvertise said bonds for sale until said bonds are sold.

Section 5. In case any bid or proposal shall not be accepted and there shall be no award of bonds thereon by the City Controller, he shall thereupon return to such unsuccessful bidder the certified or cashier's check accompanying the same. If the City Controller shall award the whole or any part of the bonds upon any bid or proposal he shall thereupon deliver the certified or cashier's check accompanying the same to the City Treasurer, who shall thereupon present the same for payment and shall be entitled to collect the same and shall hold the proceeds collected thereon until the completion of the purchase, and the payment for the bonds so awarded. If, for any reason, said check shall not be paid upon presentation, such non-payment shall be taken and deemed a breach of the contract for the purchase of said bonds on the part of the purchaser, and the city, in that event, shall have the right to readvertise said bonds for sale at once, and shall, in such event, retain said check and shall have the right to collect the same for its own use, and said check and proceeds thereof, when collected, shall be taken and deemed as agreed and liquidated damages for such breach of contract, and as a payment thereof to the city. In case any successful bidder shall fail to complete the purchase of the bonds so awarded and to pay for the same within the time and manner herein required, or which may be prescribed by the City Controller as herein provided, the proceeds of such certified or cashier's check deposited by such bidder shall be taken, considered, and deemed as agreed and liquidated damages for the breach of such bidder's contract of purchase and shall be taken and deemed as payment to the city for such damages, and shall be retained and held by said city for its use, but if such successful bidder shall complete the purchase of said bonds awarded to him pursuant to the provisions hereof and his bid and award thereon said proceeds of said certified check shall thereupon be returned to such bidder, or at the

option of the City Controller at the time of the completion of the sale and payment for the bonds, said proceeds of said certified check may be applied and deemed a payment on account of the purchase of said bonds.

Section 6. Delivery of any bonds sold shall be made at the office of the City Treasurer of the City of Indianapolis, Indiana, upon such day or days as may be specified in the advertisement or readvertisement for proposals or within such time thereafter as may be fixed by the City Controller and the purchaser and the City Controller may extend the time for such delivery not more than ten (10) days after the day or days specified or agreed upon as above provided. The successful bidder shall take the bonds awarded to him and pay for the same at such place and time and his refusal or neglect or omission so to do shall be a breach of the contract of his bid or proposal, on account of which damages shall be retained or recovered as liquidated as provided in this ordinance.

Section 7. The bonds taken and paid for to the satisfaction of the City Controller shall be binding obligations upon the City of Indianapolis, according to their tenor and effect, and the proceeds derived from the sale or sales of bonds as herein authorized shall be, and hereby are appropriated to the Department of Public Health and Charities to be used by it for the purposes mentioned in Section One (1) of this ordinance.

Section 8. The Mayor, City Controller and the Corporation Counsel are hereby authorized and directed to publish notice of the herein determination to issue bonds as required by law.

Section 9. This ordinance shall be in full force and effect from and after its passage and approval by the Mayor.

Which was read a first time and referred to the Committee on Public Health.

On motion of Mr. White, seconded by Mr. Springsteen, the Common Council adjourned at 9:10 p. m.

We hereby certify that the above and foregoing is a full, true, and complete record of the proceedings of the Common Council of the City of Indianapolis, held Thursday, April 11th, 1929, at 7:30 p. m.

In witness whereof, we have hereunto subscribed our
