Called Meeting

July 22d 1851

Council met upon a call of the President. Present - Messrs Woodward, Buchanan, Edwards, Pitts, & Culley.

The President announced the object of the meeting; when the following preamble resolution was presented and unanimously adopted.

"Whereas, The Lafayette and Indianapolis Railroad Company are grading the track of Said road down the Canal on Missouri Street, without any grant, or privilege, as required by ordinance, And whereas, Said Company are filling up the basin at the crossing of Washington Street over said canal, thereby creating a pond of Stagnant water on both sides of Washington Street, and endangering the health of many of our citizens" Therefore,

Resolved, That the City Attorney be, and he is hereby directed to institute such legal proceedings as may be necessary to prohibit said Company from making an embankment on Missouri Street, unless they shall make such culverts or outlets as will allow the free passage of the water, where the same are necessary, and such fills as to remove the water from said basins, on the east side of said Railroad embankments."

Mr. Buchanan presented Wenter & Carpenters bill for chain pump amounting to \$17.50; Referred to Committee on claims.

On motion,

Council adjourned

Attest: D. B. Culley, Secy
