Indianapolis, March 1, 1852

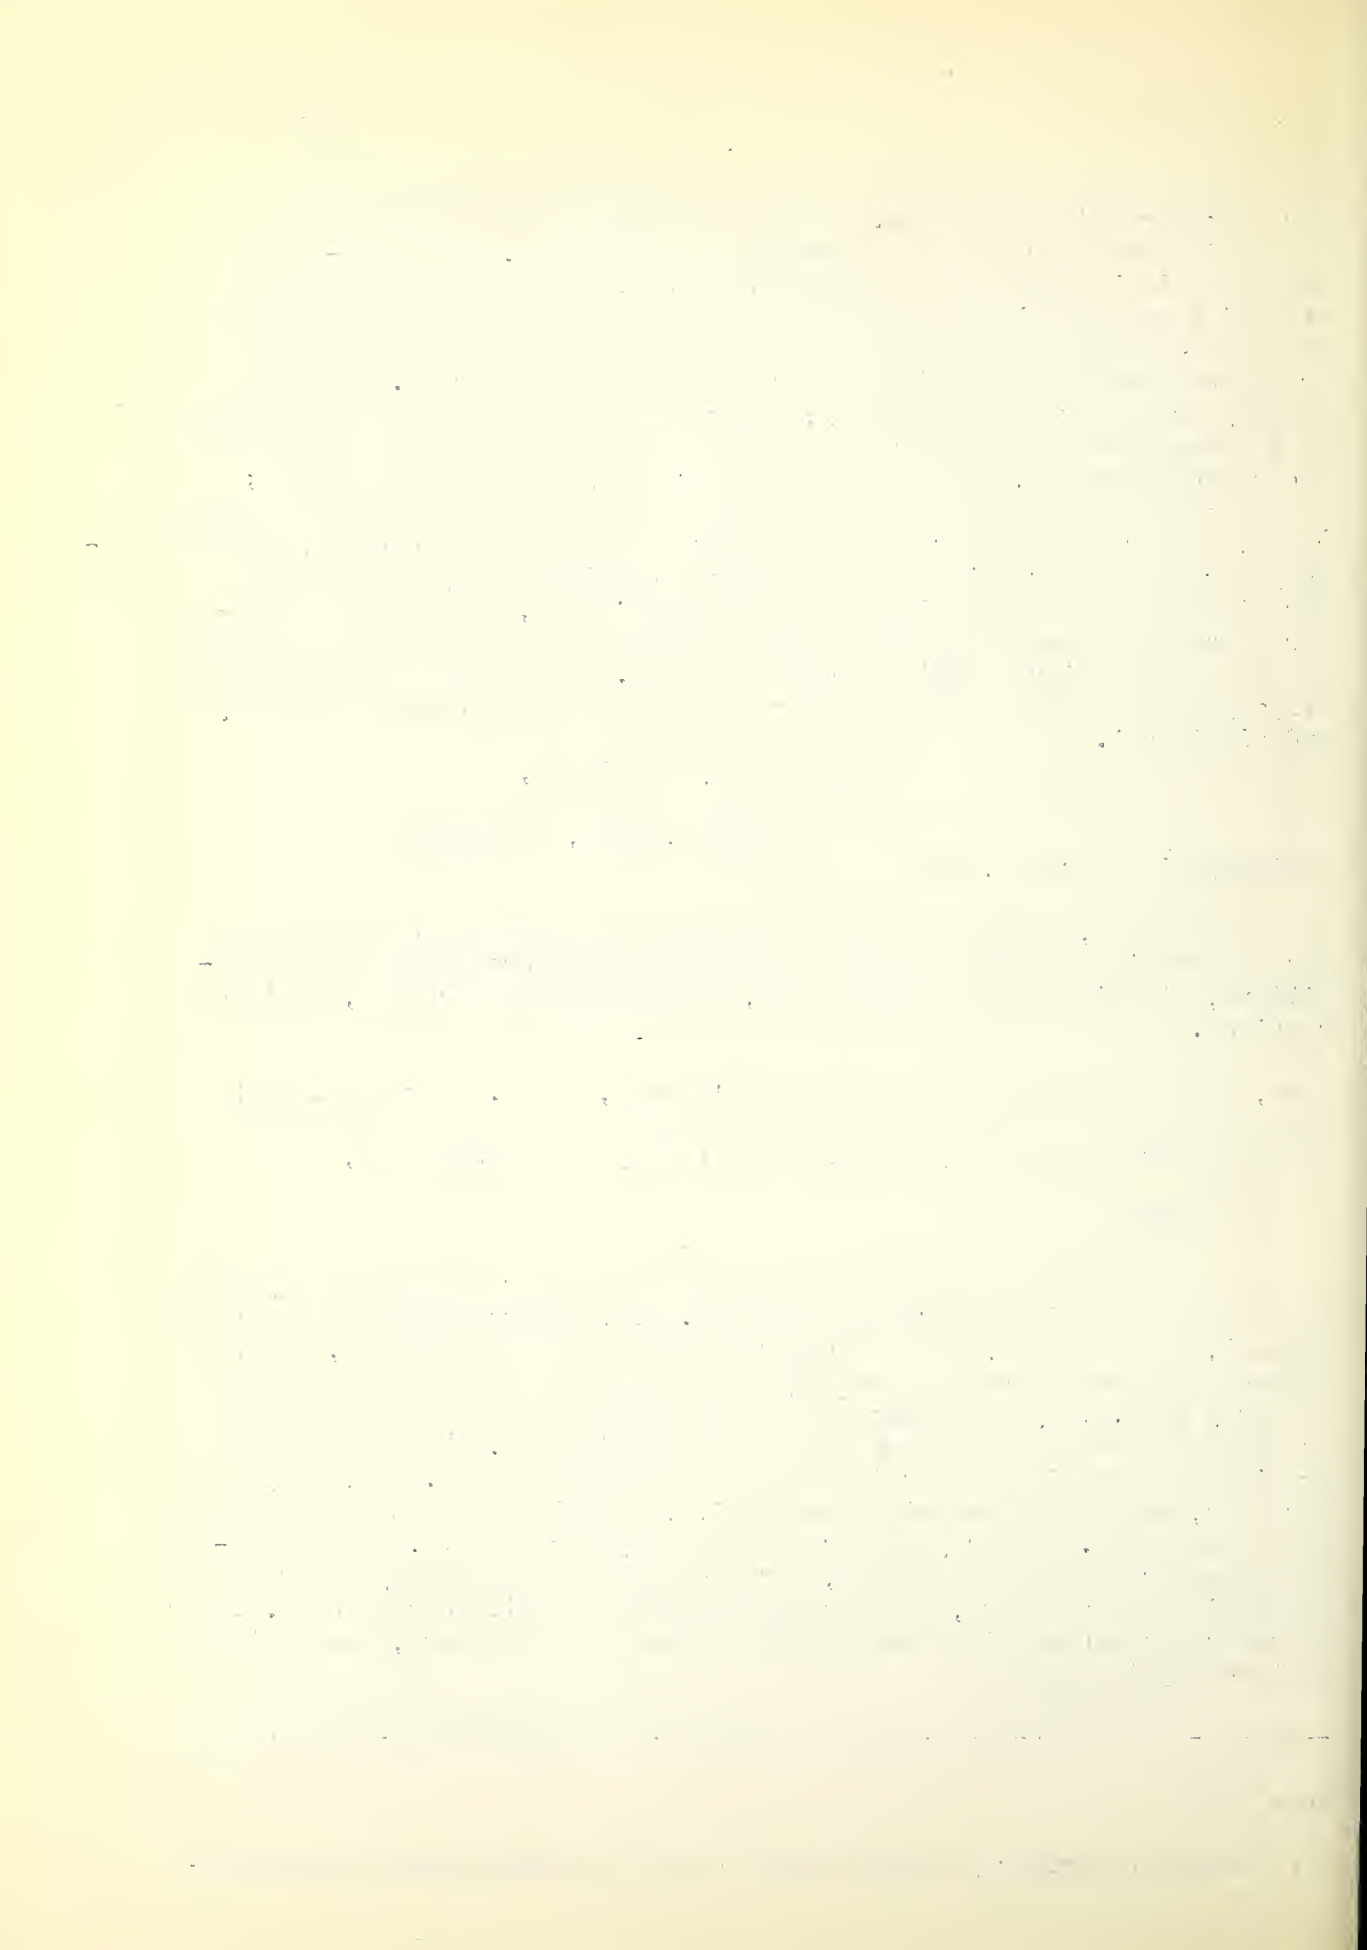

On motion, Friday evening the 9th inst was appointed as the time for the meeting of the Council to take into consideration the above petitions, at which time remonstrances, if presented in writing, will be received.

Also, the following petition from Nath'l West, agent. March 1st 1852.

To the Honorable the City Council of the City of Indianapolis,

Gentlemen:

I would respectfully represent to your honorable body that in the year 1847 in conversation with Mr. S.S.Rooker; then one of the Council, upon the subject of the Streets and roads of the City, I was induced to have graded and graveled a portion of the road opposite the property of J.M.Ray and others and next adjoining the bridge at the crossing of the Michigan Road over the Central Canal. The cost of said grading and graveling according to the certificate of Mr.Wood, City Surveyor, and which was paid by me to J.P.Michael on the 2d of November 1847 was of(\$40.73) forty dollars and seventy three cents. For this amount no script has been issued, for the reason that shortly after the completion of said work, I ascertained that I had misunderstood Mr.Rooker in regard to the application of scrip issued for such work, and that it must be applied upon

inately upon any property in the city. Having been actuated by motives having the good of the City at heart in making said improvement, and having actually paid out the full amount of the City Surveyor's estimate of (\$40.73) forty dollars and seventy three cents for said work, I would respectfully ask of your honorable body that I be allowed to apply the amount in any way that in your wisdom may seem proper and right, upon the property within the City limits belonging to the estate of Nathaniel West, dec'd, and "your petitioner as in duty bound will ever pray".

Very respectfully,

Natl West, Agent

On motion by Mr.

Ordered, That the Secretary issue Street Scrip upon the property apposite to which the improvement above mentioned, was made to be given N. West.
