

## Special Meeting

City Council Chamber  
October 18, 1852

The Council upon a call of the President, met to consider the propriety of constructing an additional number of cisterns to be used in cases of fire.

Louden and Fitler absent.

Location of cisterns laid over till next meeting.

The Marshall announced the appointment of P. Winchall as assistant. The appointment was confirmed.

On Motion by Mr. Delzell,

The Robson family were allowed a license for the Atheneum for five days for ten dollars per day.

Adjourned to meet Monday evening next.

Attest: Daniel B. Culley  
Secy C.C.

David V. Culley, Prest.

## Special Meeting

City Council Chamber  
October 25, 1852

Council met pursuant to adjournment. Present Messrs Delzell, Fitler, Pitts, Loudon, Culley.

The following petition was received:

To The honorable the City Council of Indianapolis:

We the undersigned residents of the City of Indianapolis believing that the want of our city requires a new hay scale for public weighing, do respectfully petition your honorable body to purchase or cause to be purchased one which shall be accurate, durable & substantial for the general use and advantage of our citizens.

Signed John E. Fondray and others.

Referred to Committee consisting of Messrs Delzell, Loudon, and Culley, with instructions to report an ordinance regulating the weight and sale of Stone coal in the city.

The Council proceeded to locate an additional number of public cisterns but before completing the same, on Motion, adjourned, to the regular meeting.

Attest, Daniel B. Culley, Secy C.C.

David V. Culley, Prest.
