Angeline Allstatt, City Clerk

Indianapolis, Indiana

Dear Angie:

Thank you very much for sending me the copy of the resolution passed by the City Council of Indianapolis on March 15, supporting President Johnson's proposals to safeguard the lives and protect the rights of persons seeking to register and to vote. This expression of confidence in the President is very gratifying to me.

At my first opportunity, I intend to call it to the attention of my colleagues and ask for its printing in the Congressional Record. The last three or four days I have been occupied almost full time working in the Judiciary Committee on the Voting Rights bill. I believe it will be a stronger measure as it comes from the Committee and that it will receive overwhelming support in the Congress.

With kindest regards,

Sincerely,

BIRCH BAYH
United States Senator

On motion of Mr. Kuykendall, seconded by Mr. Brydenthall, the Council recessed at 7:49 P.M.

The first installment of the fixed annual rentals payable by the City and the County, respectively, shall be due on the date that the City-County Building is completed and ready for occupancy, and shall be in an amount pro-rated, on the basis of

the yearly rate applicable to such governmental unit, from the date of completion to the thirtieth day of June or December, as the case may be, following such date of completion. Thereafter, the fixed annual rentals shall be payable in advance by each of such governmental units in equal semi-annual installments, figured on the basis of the yearly rate applicable to such governmental unit, on the thirtieth days of June and December of each year during the term of this Lease. The last semi-annual installment payable by the City and the County, respectively, shall be pro-rated, on the basis of the yearly rate applicable to such governmental unit, from the date such installment is due to the date of the expiration of this Lease.

Upon the joint request of the City and the County, the Authority shall furnish an itemized statement setting forth the amounts required to be paid by such governmental units in order to effect such a purchase. The percentage of the option price payable by the City and the County, respectively, and the undivided interest in the City-County Building and in the common area equipment and furniture to be conveyed by the Authority to each such governmental unit, shall be determined in proportion to the ratio which the aggregate rentals paid by each under this Lease bears, to the date of purchase, to total aggregate rentals paid by both under this Lease to such date. The equipment and furniture purchased for and used by the City or County, as the case may be, shall upon completion of the purchase become the sole property of the City and County respectively. The City shall have the perpetual right to the use of the site jointly with the County in the event of a purchase under this Section.”

3. It is hereby further agreed that all other provisions of said lease dated as of August 3, 1959, shall remain in effect as set forth in said lease.

IN WITNESS WHEREOF, the parties have caused this instrument to be executed by their duly authorized officers on the 20th day of April, 1965.
