GENERAL ORDINANCE NO. 121, 1965

Introduced by Councilman Deluse:

AN ORDINANCE to amend the Municipal Code of Indianapolis, 1951, General Ordinance No. 140, 1951, as amended, and more particularly Title 7, thereof, by addition thereto of Chapter 26, requiring licenses for the opening, operation, or maintenance of parking places in the City of Indianapolis, prescribing the license fees to be paid therefor, providing for policies of insurance covering property damage and public liability, defining the power and duties of the City Controller in connection therewith, requiring signs to be posted on parking places, defining the responsibility for maintenance of parking places and surroundings, requiring claim checks to be furnished for parking or storing a motor vehicle, requiring barriers for open parking places, requiring that the ground or floor space of each parking place be paved, prescribing penalties for the violation thereof, and fixing a time when the same shall take effect.

BE IT ORDAINED BY THE COMMON COUNCIL
OF THE CITY INDIANAPOLIS, INDIANA:

Section 1. Definitions. (1) The word "parking place," as used in this Chapter, shall be construed to mean and include any garage, or other building or part thereof, including the roof, or any premises, plot, piece, or parcel of land, in or upon which a business of storing more than five motor vehicles in any twenty-four hour period is conducted for eight months or more in any calendar year and where the owner or person storing such vehicle is charged a fee, but excluding the rental of private garages and the all night storing of vehicles upon the premises of and in connection with the operation of regularly established gasoline stations.

(2) The word "receiving station," as used in this Chapter, shall mean any garage or a parking place which is guarded by an attendant at all times to which cars may be removed when not called for by the owner before the hour of closing of parking lot or before the hour at which the said parking lot becomes unattended.

Section 2. License required. No persons shall operate, open, maintain, or conduct the business of storing motor vehicles for hire in a parking place within the City of Indianapolis without having first obtained a license from the City Controller in the manner hereinafter set forth.

Section 3. Application for license. The City Controller shall provide forms for application which shall contain the following information: (a) The name and address of the applicant, and if a partnership, the name and addresses of all partners, and if a corporation, the name, date and state under which incorporated, and the names and addresses of the officers and the statutory agent. If the applicant is a non-resident of the City of Indianapolis, the name and address of a local representative inside the City limits upon whom service can be made. (b) The name and address of each person employed or otherwise engaged in parking motor vehicles, or dealing directly with patrons of such parking place. (c) The location, size, and name of the parking place and whether the premises are owned or leased by the applicant. If the premises are not leased, the manner and method by which said applicant intends to operate said parking place. (d) The hours during which motor vehicles may be stored and the hours during which the premises will be guarded by an attendant. (e) The number of motor vehicles to be stored upon such

parking place. (f) Such other information as the City Controller shall deem pertinent or necessary to carry into effect the provisions of this Chapter.

The application form shall be filed with the City Controller and shall be accompanied by a plot plan of the parking place including the following information: (a) The location and dimensions of all existing and proposed driveways, entrances, exits, and parking stalls. (b) The location of present or proposed approved type of barriers. (c) The location of all posts, poles, buildings, shelters or other physical obstruction on the parking place. (d) The location of all electrical wiring and outlets. (e) The location of all tanks or pumps for the storage or distribution of gasoline or coal tar products, (f) If the parking place is a garage, a plan of the floor or roof where vehicles are stored showing the location of columns, ramps and elevators. (g) The size, location, and capacity of the reservoir space to be used for the receiving and temporary storage of in-coming vehicles.

Section 4. Issuance of License and License Fees. The Controller, upon the filing of the required application form with him and upon the payment of a fee of One Dollar (\$1.00) per year for such parking stall in or upon the parking place, shall issue a license to the applicant, which shall apply only to the premises described in such application; provided, however, that the license fee charged per year for each parking place shall not be less than Twenty Five Dollars (\$25.00). Such license shall not be assignable or transferable. Each licensee shall display the license so issued in a conspicuous place in the parking place for which such license is issued. All licenses shall be so issued so as to expire on the 31st day of December of each calendar year. On or before the first day of January of each year, every person having a license shall apply to the City Controller for a renewal license for the calendar year next ensuing. All applications for renewal licenses shall be made on forms which shall be prescribed and furnished by the City Controller. No license shall lapse prior to the 31st day of January of the year next following the year for which said license was issued, and if, by such 31st day of January, an application for a renewal license has not been made, the City Controller shall notify such delinquent license holder thereof, by registered mail, and if application is not made for and a renewal license issued on or before the last day of February, next ensuing, the former license shall lapse and become null and void.

Each such application for a renewed license shall be accompanied by the license fee as prescribed in this section.

Section 5. Insurance required. At the time of filing said application for such license, applicant shall also tender to the City Controller, for approval, an insurance policy for public liability as a result of injuries or death sustained upon the premises to be licensed in an amount of at least \$25,000.00 per person and \$50,000.00 for injury or death of more than one person arising out of any one accident, and a like contract of insurance for property damage for damage to property sustained on the said parking place in the sum of \$5,000.00, and no license shall issue until said insurance policies shall have been offered and approved by the City Controller. If licenses for more than one parking place are desired, then the applicant shall tender insurance policies in the sum as provided for herein for each parking place to be licensed. The policies of insurance shall provide that it may not be cancelled, amended, or altered, by the insurer except after ten days written notice to the City Controller.

Section 6. Signs required. Every person operating a parking place shall erect at each entrance to such parking place a sign bearing the following information: (a) The name, telephone number, and business address of the operator of the parking place together with the number of his license. (b) The rate by day or hour for storing or parking a motor vehicle and whether or not there is a difference in rates on certain days or times of day. (c) In case of an outdoor parking lot, the sign shall disclose what, if any, hours during the day the parking lot will be unguarded by an attendant and, if the operator of the lot provides a receiving station for cars left during unguarded hours the sign shall indicate the address of the receiving station.

Section 7. Maintenance of parking place and surroundings. Each operator of a parking place shall keep the sidewalks surrounding the parking place free from dirt, ice, sleet, and snow and shall keep the sidewalk and driveways in a safe condition for the travel of pedestrians.

The loading or unloading of passengers or drivers of cars across or upon a public sidewalk is hereby expressly prohibited and any operator or employee who by receiving or delivering motor vehicles other than within the space provided by such place, aids or assists

in blocking any sidewalk or street shall be deemed to have violated the provisions of this ordinance.

The operator of any parking place shall at all times be required to keep the lot in good order and condition and free from nuisance.

Section 8. Claim checks to be furnished. At the time of accepting a motor vehicle for storage or parking in a parking place, the person operating the same, his agent, servant, or employee, shall furnish to such person parking his motor vehicle a distinctive check which shall be numbered to correspond to a coupon placed on such motor vehicle, which coupon shall be in the form approved by the City Controller.

The above provision as to claim checks shall not apply where cars are stored on a weekly or monthly fee basis or some memorandum is given in writing to the person storing his car stating the weekly or monthly arrangement and showing the name and address of the operator of the storage or parking place.

Section 9. Barriers. Persons operating open parking places shall keep the same enclosed with a proper or suitable fence, wall or other barrier of not less than thirty inches in height so that motor vehicles cannot be removed from such place except at the regular established entrances and exits. The materials, designs, location and construction of such fence, wall or other barrier shall be approved by the Traffic Engineer for the City of Indianapolis, and shall be in accordance with standards set up by the said Traffic Engineer. Unless otherwise permitted by the Traffic Engineer each place shall have one common entrance and one common exit, which may or may not be combined.

No motor vehicle shall be parked on any such parking place in a manner that any part of said motor vehicle will extend over and beyond the property line or over and into any street, sidewalk, alley or driveway.

Section 10. Paving required. The ground or floor space of each such parking place shall be surfaced with either a bituminous material or with concrete, so that no dust, dirt or debris shall remain thereon or be raised, carried or blown by wind or by any other cause.

Section 11. Penalty. Any person violating any of the provisions of this Chapter, upon conviction, shall be fined in any sum not less than \$50.00 nor more than \$500.00 to which may be added imprisonment not exceeding one hundred eighty days; and upon conviction his license shall thereupon be revoked. Each day a violation continues shall constitute a separate offense.

Section 12. This ordinance shall be in full force and effect from and after its passage and approval by the Mayor, compliance with all laws pertaining thereto and publication as required by law.

Which was read for the first time and referred to the Committee on Finance.
