On motion of Mr. Kuykendall, seconded by Mr. Mori-

arty, the Council recessed at 7:55 P.M. for Committee Reports.

President Wallace announced that due to the absence of three members of the Finance Committee it would be impossible for the Finance Committee to present a Committee Report. However, President Wallace announced the Council would be glad to hear from those present on Committee Hearings on Appropriation Ordinances No. 40 and No. 41, 1966 as the 'Notice to Taxpayers' had been so advertised. Due to lack of quorum of Finance Committee the second and third readings of said Ordinances and vote on said Ordinances would have to be delayed until November 7, 1966 at 7:30 P.M. so a Committee Report could be presented.

Those present were also permitted to be heard on Special Ordinances No. 4 and No. 6, 1966 and General Ordinance No. 132, 1966.

The Council reconvened at 8:20 P.M.

President Wallace the Deputy Clerk to read the Committee Reports.

INTRODUCTION OF NEW ORDINANCES

GENERAL ORDINANCE NO. 133, 1966

Introduced by Councilman Moriarty:

AN ORDINANCE establishing a central storeroom in the purchasing department of the City of Indianapolis, providing for its operation and management, appropriating the sum of Thirty-five Thousand Dollars (\$35,000.00), as a revolving fund for the purchase of supplies to be stored in the central storeroom, and fixing a time when the same shall take effect.

BE IT ORDAINED BY THE COMMON COUNCIL
OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. ORGANIZATION OF CENTRAL STOREROOM. There is hereby created and established in the Department of Public Purchase of the City of Indianapolis a CENTRAL STOREROOM, the head of which shall be the City Purchasing Agent. He shall have the power to recommend to the Mayor for appointment of a storekeeper. Said storekeeper, when appointed, shall keep the records in connection with the CENTRAL STOREROOM.

Section 2. REQUISITIONS AND ESTIMATES. All using agencies of the City of Indianapolis shall file detailed estimates of their requirements in supplies and materials with the City Purchasing Agent for purchase through the CENTRAL STOREROOM at such times and for such periods as the City Purchasing Agent shall prescribe. This shall in no wise prevent any using agency from filing with the City Purchasing Agent at any time a requisition for any supplies or materials which may be stored in the CENTRAL STOREROOM, the need for which was not foreseen when the detailed estimates were filed.

Section 3. CONTRACT PROCEDURE. All expenditures for supplies or materials purchased for the CENTRAL STOREROOM, the estimated cost of which is over One Thousand Dollars (\$1,000.00) must be first authorized by the Common Council of the said city and shall be awarded on written contract to the lowest and most responsible bidder after public competitive bidding thereon has taken place. Notice inviting sealed competitive bids shall be published at least once in one (1) newspaper of general circulation in the City of Indianapolis, and at least five calendar days must intervene between the date of final publication and the date set for the submitting of bids. Such notice shall give the specifications of the articles to be

purchased, shall state the amount of surety to be submitted, if any, with the bid, and the surety to be given with the contract, the time and place for the opening of bids, and shall give in general terms the conditions of award of the contract. The City Purchasing Agent shall, in addition, solicit sealed bids from all prospective suppliers who have requested their names to be added to the mailing list of vendors or who may hereafter request that their names be entered on said list by sending them a copy of such newspaper notice or such other notice as will also be advertised by a notice posted on a public bulletin board in the Purchasing Agent's office.

All bids shall be submitted sealed to the City Purchasing Agent and shall be accompanied by surety in the form of certified check, cash or bond in such amount as the City Purchasing Agent shall prescribe in the public notice inviting bids. The bids shall be opened in public at the time and place stated in the newspaper notice. Any and all bids with alterations and erasures therein may be rejected. After examination and tabulation by the City Purchasing Agent, all bids may be inspected by the competing bidders. The City Purchasing Agent may, with the approval of the Mayor or, in his absence, the City Controller, reject any or all bids, or the bid for any one or more commodities included in the proposed contract, when the public interest will be served thereby. When all bids received are for the same total amount or unit price, and when the public interest will not permit the delay of readvertising for bids, the City Purchasing Agent may purchase the commodities in the open market, provided the price paid in the open market shall not exceed any bid price submitted for the same commodity. Otherwise, the contract shall be awarded to the lowest and best bidder; quality offered with bid, delivery terms, and service reputation of the vendors may be taken into consideration in determining the successful bidder.

Before any contract is executed, the successful bidder shall file with the City Purchasing Agent a surety in the form of certified check, cash or bond in an amount to be determined by the City Purchasing Agent. All surety bonds and contracts shall be approved as to form by the department of law of the City of Indianapolis. Such certified check, cash or surety bond shall be payable to the City of Indianapolis. All certified checks shall be upon banks doing business in the City of Indianapolis, and all surety companies shall be those who are duly licensed and authorized to do business in the State of Indiana. If the successful bidder shall not, within ten (10) days after the award, enter into contract and file the required surety, he shall for-

feit the surety which accompanied his bid. A copy of each long term contract shall be filed in the office of the Purchasing Department and the office of the City Controller and shall be a public record.

Section 4. OPEN MARKET ORDERS. All expenditures for supplies and materials to be stored in the CENTRAL STOREROOM, the estimated cost of which is less than One Thousand Dollars (\$1,000.00) shall be made in the open market without newspaper advertisements and the procedure prescribed by Section 3 of this Ordinance. In case of an emergency which requires immediate purchase of supplies or materials, the Mayor, or, in his absence, the City Controller, may authorize the City Purchasing Agent to secure in the open market at the lowest obtainable price any supplies or materials, regardless of the amount of the expenditure; provided, however, that a full explanation of the circumstances of such emergency shall be entered in the records of the purchasing department and shall be open to public inspection.

All open market purchases shall, wherever possible, be based on at least three (3) competitive bids, and shall be awarded to the lowest and most responsible bidder. The City Purchasing Agent shall solicit bids by direct mail request to prospective vendors, by telephone and by public notice on a bulletin board in his office. The City Purchasing Agent shall keep a record of all open market orders and the bids submitted in competition thereon, and such records shall also be open to public inspection.

Section 5. ENCUMBRANCE OF FUNDS. Except in cases of emergency, the City Purchasing Agent shall not issue any order for delivery on a contract or any open market order for supplies or materials for the CENTRAL STOREROOM unless and until the City Controller certifies that there is to the credit of the revolving fund of the CENTRAL STOREROOM a sufficient balance in excess of all unpaid obligations to defray the cost of such supplies or materials.

Section 6. INSPECTION. The City Purchasing Department shall supervise inspection of all deliveries of supplies and materials for the CENTRAL STOREROOM to determine their conformance with the specifications set forth in the order or contract. Any department having the staff and facilities for adequate inspection may be authorized by the City Purchasing Agent to inspect all deliveries made to the CENTRAL STOREROOM under rules and regulations which the City Purchasing Agent shall establish. The City Purchasing

Agent shall have authority to prescribe chemical and physical tests of samples submitted with bids and samples of deliveries to determine their quality and conformance with city specifications. In the performance of such duties the City Purchasing Agent shall have authority to make use of laboratory facilities of any agency of the City Government.

Section 7. REVOLVING FUND. There is hereby appropriated by reducing office supplies funds of various Departments as follows, for the year 1967 the sum of Thirty-five Thousand Dollars (\$35,000.00) as a revolving fund in the Department of Finance for the purchase of supplies and materials to be stored in the CENTRAL STOREROOM.

The Board of Standardization shall have the power to make use of the laboratory and engineering facilities of the City and the technical staffs thereof in connection with its work of preparing and adopting standards and written specifications. The Board shall also freely consult with the heads and other officials of the using agencies to determine their precise requirements, and shall endeavor to prescribe those standards which meet the needs of the majority of such agencies. After its

adoption, each standard specification shall, until revised or rescinded, apply alike in terms and affect to every future purchase and contract for the commodity described in such specification; provided, however, that in case of emergency the Mayor may approve the purchase by the Purchasing Agent for storage in the CENTRAL STOREROOM of supplies and materials for which standard specifications have not been prescribed.
