By Mr. Copeland:

General Ordinance No. 22—1912: An Ordinance concerning the regulation of the City Market.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That there is hereby created the position of "Market Master." Such Market Master shall be appointed by the Board of Public Safety, for a term of four years, and shall serve until removed by said Board or until his successor has been appointed and qualified. Before assuming the duties of his office he shall take the usual oath of office and execute an official bond in the sum of three thousand (\$3,000) dollars, conditioned upon the faithful and honest discharge of his duties and accounting for all funds that may come into his hands as such official. He shall receive an annual salary of two thousand (\$2,000) dollars, payable monthly. There shall be appointed by the Board of Public Safety an Assistant Market Master, who shall be paid an annual salary of fifteen hundred (\$1,500) dollars, payable monthly; and there shall be appointed a Clerk and Stenographer for the Market Master, who shall receive a salary of four hundred and eighty (\$480) dollars per year, payable monthly, and the Board of Public Safety is hereby directed to provide adequate and separate offices for such Market Master and his employes.

SEC. 2. The duties of such Market Master shall be to familiarize himself with market conditions and prices at all the leading markets of the country and to keep in touch with general market conditions and with producers and producers' associations here and elsewhere, who shall be in constant attendance at such market.

That said Market Master shall keep a record of wholesale prices of all food stuffs sold upon the market, and the names of any wholesale dealers desiring to sell through the City Market to any owner of any stand or stall, which such record shall be for public use, and available for any person requesting the same, and any owner of stand or stall desiring to avail himself of the wholesale prices submitted through the Market Master by any outside producer, shall give a bond in the penal sum of not less than the full amount of the contract price for the food stuffs to be consigned to him: such bond shall be made payable to the consignor, and the said owner of any stand or stall in such market has the privilege of ordering and buying any such products from and through the outside produce man who may desire to sell his products through the office of such Market Master, and any such food stuff bought to be sold under this section shall not be retailed at a greater price than ten per cent. above the wholesale prices.

SEC. 3. Said Market Master shall receive no fees for his services other than his salary, and all moneys collected by him shall be paid to the City Controller. He shall keep a record of his receipts and make report to the City Controller once each week, and at the same time he shall pay to such City Controller any balance that he may have on hand. He shall provide and keep a system of stub and duplicate receipts, and file one copy of each receipt issued with the City Con-

troller, in connection with and as a part of his weekly report provided for herein.

SEC. 4. That the City Controller shall keep a separate and distinct fund of receipts of every kind and character derived from the East Market, including all rents derived from any building erected or to be erected upon grounds known as the East Market and so much of the Tomlinson Hall premises as may be used for Market or Restaurant purposes. Such separate fund shall be kept as a separate and distinct fund known as the "Market Fund," and shall not become a part of the general funds of the City, but shall be exclusively devoted to the improvement of the public market maintained and known as the Public Market.

SEC. 5. The Board of Public Safety is hereby directed to set apart a suitable place, or suitable places, on the East Market for the exclusive use of producers who deal in their own products exclusively, and thereafter no marketer who deals in any products procured from others shall be assigned to or permitted to occupy any stand within the place or places so designated. Every applicant for or occupant of a stand in such space designated shall, upon demand, be required to furnish proof to the Market Master by affidavit or otherwise, that he is a bona fide producer of all products sold or to be sold at such stand, and any person who misrepresents the facts as to his right to a stand in such portion of the market, shall forfeit permanently his right to any stand on market, without refund of rent, in addition to any other penalties to which he may be legally subject.

SEC. 6. The Board of Public Safety shall make such other classification of marketers and consequent separation of stands on the market as will best serve the purposes of the Market and expedite purchasing thereon by the public. Each stand on market shall be labeled by the Market Master with a sign to be furnished by the City, indicating clearly whether the occupant of such stand is a producer, grocer, peddler, or otherwise, according to the fact. Such sign shall be exhibited in a uniform place, to be designated by the Market Master, on each stand, at all times, and any person removing or concealing such sign without authority of the Market Master, shall be guilty of a misdemeanor and punished as hereinafter provided. Each standholder is also authorized to exhibit on his stand one sign not larger than said city sign, which shall contain only his name. No other sign shall be exhibited on any stand higher than five feet above the floor or ground.

SEC. 7. All Restaurants and Stands of dealers in live poultry, fish, or any other classes of produce which, in the opinion of the Board of Public Safety, are offensive or unsanitary in any way, shall be separated from the stands of other dealers by suitable partitions to be built by the City.

SEC. 8. It shall be unlawful for any lessee or occupant of a stand on the East Market to occupy or have any interest in the business conducted at any other stand thereon, without first having obtained the written consent of the Board of Public Safety so to do.
