Mr. Wiles presented the following remonstrance :

INDIANAPOLIS, Sept. 20, 1869.

To the Mayor and Common Council of the City of Indianapolis :

GENTLEMEN:—The undersigned, property holders of the Second Ward, respectfully represent to your honorable body, that about the year 1862 the Bellefontaine Railroad Company relinquished their right of way through out lot 43 to the City for a public street, said right of way being vested in said Company in fee simple by virtue of their Charter. And since that time said road-bed or right of way, to the width of 50 feet, has been used as a public highway and known as Railroad street.

In the year 1865 the Council opened a drain down said street from Massachusetts Avenue to Ohio street, thence into Pogue Run, through which all the water from Cherry, Jackson, Broadway, Plum, Oak, Ash and Vine streets is carried off. All of the above streets have been graded with a view to that object. And whereas one Richard M. Cosby, a recent purchaser of ground on said street, at the intersection of Massachusetts Avenue, is now engaged in filling up said drain and otherwise obstructing said street with buildings, we therefore ask that the City Attorney be instructed to enjoin said Cosby from so obstructing said street and requiring him to remove all obstructions and immediately open the drain.

John L. Hanna,

John Coburn,
Mary A. Coburn,
And 13 others.

INDIANAPOLIS, Sept. 20, 1869.

To the Mayor and Common Council of the City of Indianapolis :

GENTLEMEN:—I have the honor to state to you that if Railroad street is vacated as petitioned for on Sept. 13, 1869, I, as one of the property holders bordering on said street, do hereby pledge myself to make and keep open, perpetually, a good and sufficient culvert to drain all the water that may have been, or may hereafter be, turned upon the drain on said street by the City Civil Engineer.

R. M. COSBY.

Which was referred to the Committee on Streets and Alleys.

Mr. Wiles presented the following petition :

INDIANAPOLIS, Sept. 20, 1869.

To the Mayor and Common Council of the City of Indianapolis :

We, the undersigned, property holders in out-lot 40, would petition your honorable body to have the north half of the alley, between New Jersey and East streets, and Walnut and St. Clair streets, in said out-lot, raised to a height sufficient to carry off the water, as, owing to an oversight of the Engineer when the alley was graded, it was not raised high enough on the north half to carry off the water, causing it to overflow, and thereby damaging our property; and as we paid our assessments for the improvement of the alley, in good faith, we would respectfully ask that the matter be remedied at the expense of the city.

J. E. Ludlum,
B. Ward,
Sarah Bishop,

R. Nutting, Jr.,
S. A. Butterfield,
