INTRODUCTION OF APPROPRIATION ORDINANCES

By the City Controller:

APPROPRIATION ORDINANCE NO. 1, 1941

AN ORDINANCE of the City of Indianapolis, Indiana, appropriating
the sum of One Hundred Eighteen Thousand Six Hundred
Seventy-seven Dollars and Fifty-four Cents (\$118,677.54) from
the proceeds of sale of certain funding bonds, issued for the
purpose of funding certain obligations of said city not pro-
vided for in existing budgets and levies; and fixing a time
when the same shall take effect.

WHEREAS, by General Ordinance No. 12, 1941, as amended, duly
passed by the common council and approved by the Mayor,
the provisions of which are hereby included herein by this refer-

ence thereto, certain funding bonds of the City of Indianapolis, aggregating a principal amount of One Hundred Eighteen Thousand Six Hundred Seventy-seven Dollars and Fifty-four cents (\$118,677.54), were authorized to be issued and sold to provide funds for the payment of certain obligations of said city, which obligations are particularly set out in said General Ordinance No. 12, 17941, as amended, and for which no provision has been made in the existing budget and tax levies and no funds are available; and accordingly the common council now finds that an extraordinary emergency exists for such purpose and to preserve the credit of the city; NOW, THERE FORE,

BE IT ORDAINED BY THE COMMON COUNCIL OF THE
CITY OF INDIANAPOLIS, INDIANA:

SECTION 1. That the proceeds derived from the funding bonds, to be issued and sold pursuant to the authority granted by and under General Ordinance No. 12, 1941, as amended, are hereby appropriated to and for the use of the Department of Finance for the purpose of paying, canceling and discharging the obligations and liability of the City of Indianapolis to the several holders of certain outstanding improvement bonds and coupons issued by the city in anticipation of the collection of assessments made on account of street and sewer improvements and payable in annual installments, and which have not been paid on account of a deficiency in the funds collected for the payment of said bonds and coupons, arising by reason of the prepayment of assessments and the consequent stoppage of interest by operation of law, and which said liability has been clearly ascertained and established in the amount of One Hundred Eighteen Thousand Six Hundred Seventy-seven Dollars and Fifty-four Cents (\$118,677.54).

Any surplus of such proceeds shall be credited to the general sinking fund for use as authorized by law.

SECTION 2. Immediately upon the final passage and approval of this ordinance and determination, the city clerk and the city controller shall deliver two certified copies thereof to the auditor of Marion County, with the request that a copy thereof be certified and transmitted immediately by him to the State Board of Tax Commissioners for further action thereon, as provided by chapter 150 of the Acts of 1936.

SECTION 3. This ordinance shall be in full force and effect immediately upon its passage and approval by the Mayor.

Which was read the first time and referred to the Committee on Finance.

INTRODUCTION OF GENERAL ORDINANCES

By Councilman Deluse:

GENERAL ORDINANCE NO. 17, 1941

AN ORDINANCE to establish daylight savings time in the City of Indianapolis, declaring that between certain dates Central Standard Time shall henceforth be advanced one hour for the purpose of daylight saving; repealing all former ordinances inconsistent therewith, and declaring a time when the same shall take effect.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

SECTION 1. That the mean astronomical time of the ninetieth meridian of longitude west from Greenwich, known as Central Standard Time, shall hereafter be the official time within the City of Indianapolis, for the transaction of all city official and private business, except that at two o'clock ante meridian of the last Sunday in April of each year, the official time in this City shall be advanced one hour, and at two o'clock ante meridian of the last Sunday in September of each year, the official time in this City shall, by the retarding of one hour, be made to coincide with Central Standard Time, so that between the last Sunday in April at two o'clock ante meridian and the last Sunday in September at two o'clock ante meridian in each year the official time in this City shall be one hour in advance of Central Standard Time.

And all legal and official proceedings of the Common Council of this city shall be regulated according to the official time of the City, as herein defined, and when by any ordinance, resolution or action of any municipal officer or body an act must be performed at or with-

IND. U. LAW LIB. INDIANAPOLIS

in a prescribed time, it shall be so performed according to such official time of the City, as herein defined.

SECTION 2. All clocks, watches or other timepieces in or upon public buildings, maintained at the expense of the City of Indianapolis, shall be set and run according to the official time as provided in Section 1 hereof, and it is hereby made the duty of the officer or person having control of such building and premises to see that the said clocks, watches or other timepieces are set and run in accordance with the official time as provided by this ordinance.

SECTION 3. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

SECTION 4. This ordinance shall be in full force and effect from and after its passage.

Which was read the first time and referred to the Council as a Committee of the Whole.

By the City Controller:

GENERAL ORDINANCE No. 18, 1941

AN ORDINANCE of the City of Indianapolis, Indiana, authorizing the issuance and sale of bonds for the purpose of refunding certain outstanding obligations of said city, and matters connected therewith; and fixing a time when the same shall take effect.

WHEREAS, the City of Indianapolis, Indiana, now has outstanding certain bonds which will mature and be payable on the 1st day of June, 1941, for the payment of the principal of which no provision has been made in the existing budgets and tax levies; and

WHEREAS, at the regular levy period, the Common Council omitted such provision for payment because it found that it would be for the best interest of the city and its taxpayers that the

time of payment of the indebtedness evidenced by said bonds should be extended and the rate of interest thereon reduced, and that provision should be made for the payment of the indebtedness evidenced by such bonds over such period of years as will equalize the tax burden, and that such result could be best obtained by raising funds for such payment through the issuance and sale of refunding bonds of the city; and

WHEREAS, said bonds maturing on June 1, 1941, payment of which is to be so provided for, are as follows, to wit:

- (1) "City Hospital Bonds of 1911," issued under date of June 1, 1911, the entire issue of one hundred ten (110) bonds, aggregating the sum of One Hundred Ten Thousand Dollars (\$110,000), will mature and are payable on June 1, 1941, and bear interest at the rate of four per cent (4%) per annum; and
- (2) "Fire Protection Bonds of 1911," issued under date of June 1, 1911, the entire issue of two hundred (200) bonds, aggregating the sum of Two Hundred Thousand Dollars (\$200,000), will mature and are payable on June 1, 1941, and bear interest at the rate of four per cent (4%) per annum; and

WHEREAS, the Common Council now finds that payment of the total amount of said outstanding bonds of the City of Indianapolis, in the aggregate sum of Three Hundred Ten Thousand Dollars (\$310,000) and which will mature and be payable on June 1, 1941, can not be then made for the reason previously set out, and that no funds will be available therefor, except as herein provided, and that the credit of the city will be seriously impaired in the event of failure to provide for the payment, at maturity, of said outstanding obligations; NOW, THEREFORE,

BE IT ORDAINED BY THE COMMON COUNCIL OF THE
CITY OF INDIANAPOLIS, INDIANA:

SECTION 1. That for the purpose of obtaining funds with which to pay and cancel the outstanding bonds of the city, heretofore described, which will mature and be payable on the first day of June, in the year 1941, and for the purpose of extending the time of pay-

ment of the indebtedness evidenced by said bonds, reducing the rate of interest thereon, and equalizing the burden of taxation, there shall be issued and sold three hundred ten (310) negotiable, direct, general obligation bonds of the City of Indianapolis, Indiana, in the sum of One Thousand Dollars (\$1,000) each, numbered from one (1) to three hundred ten (310), both inclusive, and designated as "City of Indianapolis Refunding Bonds of June 1, 1941."

All of said refunding bonds shall be dated as of June 1, 1941. Said bonds shall mature and be payable as follows: Fifteen (15) bonds on January 1, 1943, and fifteen (15) bonds on each first day of January thereafter to and including January 1, 1961, and twenty-five (25) bonds on January 1, 1962.

Said bonds shall bear interest at a rate not exceeding four percent (4%) per annum, the exact rate to be determined by bidding as hereinafter more particularly provided. The first interest shall be payable on January 1, 1943. Thereafter the interest on said bonds shall be payable semi-annually, on the first day of January and the first day of July of each year for the period of said bonds. Said installments of interest shall be evidenced by interest coupons attached to said bonds.

SECTION 2. Said refunding bonds and the interest coupons attached thereto shall be payable at the office of the treasurer of the City of Indianapolis, Indiana, in said city and state, in lawful money of the United States of America. Said bonds shall be signed in the name of the City of Indianapolis by the mayor of said city, countersigned by the city controller of said city, and attested by the city clerk, who shall affix the seal of the city to each of said bonds. The interest coupons attached to said bonds shall be executed by placing thereon the facsimile signatures of the said mayor and the said city controller, who, by the signing of said bonds, shall adopt as and for their own proper signatures their facsimile signatures appearing on said coupons. Said bonds shall, in the hands of bona fide holders, have all the qualities of negotiable instruments under the law merchant.

SECTION 3. The form and tenor of said refunding bonds and the interest coupons to be attached thereto shall be substantially as follows, (all blanks to be filled in properly prior to delivery), to-wit:

SECTION 5. Said refunding bonds shall be offered for sale by the City of Indianapolis as soon as may be done after the final adoption of this ordinance, in order that there may be no default in the payment of the outstanding bonds hereinabove described, which mature on June 1, 1941. The city controller shall have the full right to reject any and all bids. In the event the city controller shall receive no satisfactory bid for said bonds at the time fixed in said notice of sale, he shall be authorized to continue to receive bids thereafter from day to day until a satisfactory bid is received, and in the event of the continuation of the sale, the city controller shall open all bids pled at the same hour each day, as stated in the bond sale notice.
