Gentlemen:

Attached please find copies of General Ordinance No. 84, 1943, providing for the issuance and sale of bonds for the purpose of providing funds for the liquidation of the principal and interest on bonds issued by the City of Indianapolis under the Barrett Law of the State of Indiana on account of deficiencies in the various improvement funds arising because of prepayment of assessments and the consequent stoppage of interest by operation of law or by the failure to collect interest to the due date of the prepaid installments; and because of the diversion of certain funds paid on one improvement roll and account to the payment of bonds and coupons chargeable to another roll and account; and because of the loss of certain Barrett Law funds by the closing and insolvency of certain banks in which said funds were on deposit; and because of certain other diversions and misapplications resulting in the non-payment of certain bonds and coupons to which such collected funds should have

been applied; all maturing subsequent to January 1, 1929, and represented by one thousand two hundred and sixty-three (1,263) separate schedules and two thousand and sixty-eight (2,068) assessment rolls, as shown by the records in the office of the City Controller.

The amount of such deficiencies has been clearly ascertained and the liability of the City of Indianapolis therefor established by an audit which has recently been completed by representatives of the Indiana State Board of Accounts and employees of this office, a copy of which audit, showing the number of the assessment roll, the name of the owner of the bonds and coupons, and the amount due and also the amount of loss on account of the closing of the City Trust Company, is on file in the office of the City Controller of the City of Indianapolis. The said audit and the action of the City Controller herein has been made and conducted in accordance with and under the provisions of Chapter 89 of the Acts of 1939 of the General Assembly of the State of Indiana.

The amount of such of deficiencies has been clearly ascertained and the liability of the City of Indianapolis therefor established and I recommend the issuance of bonds under the provisions of Section 2 of said Chapter 89 in lieu of certificates of indebtedness as provided for in Section 1 of said act, and respectfully recommend the passage of this ordinance.

Section 4. On final adoption of this ordinance, the City Clerk shall immediately cause to be published and posted, in the manner required by law, a notice to taxpayers of the determination of the City of Indianapolis to issue all of the Deficiency Bonds authorized by this ordinance. Said notice shall be published once each week for two consecutive weeks in two newspapers published in the City of Indianapolis, and representing the two leading political parties, and said notice shall also be posted in three public places in said City, all as provided by law.

Section 5. Said Deficiency Bonds shall be offered for sale by the City of Indianapolis as soon as may be done after the final adoption of this ordinance, in order that there may be no default in the payment of the outstanding bonds hereinabove described, which mature on July 1, 1945. Prior to the sale of said Deficiency Bonds the City Controller shall cause to be published a notice of the sale of said bonds, once each week for two consecutive weeks in two local newspapers. The date fixed for the sale of said bonds shall be not earlier than eight (8) days after the last of said publications. Said bond sale notice shall state the time and place of sale, the purpose for which the bonds are issued, the total amount to be sold, the maximum rate of interest thereon, the time and place of payment, and the terms and conditions upon which bids will be received and the sale made, and all such other information as the City Controller shall deem necessary.

Among other things, said notice shall advise the bidders that all bids for said bonds shall be filed with the City Controller in his office in said city, in sealed envelopes marked "Bid for Deficiency Bonds of July 1, 1945"; that, each bid shall be accompanied by a certified check payable to the City of Indianapolis in an amount equal to two and one-half per cent ($2\frac{1}{2}\%$) of the amount of said bonds to guarantee the good faith of the bidder, and that in the event the bidder to whom the bonds were awarded shall fail to comply with the provisions of the bid, then said check and the proceeds thereof shall be and become the property of the City of Indianapolis and shall be taken and considered as the liquidated damages of the City on account of such failure or refusal. Said notice shall also provide that bidders for said bonds shall be required to name the rate of interest which said Deficiency Bonds are to bear, not exceeding the

maximum rate herein provided, and that such interest must be in multiples of one-fourth ($\frac{1}{4}$) of one per cent (1%), and not more than one interest rate shall be named by each bidder; that the City Controller will award said bonds to the highest qualified bidder who has submitted his bid in accordance with the notice of sale, and that the highest bidder will be the one who offers the lowest net interest to the City, determined by computing the total interest on all of the bonds to their maturities and deducting therefrom the premium bid, if any.

Section 6. No bid for less than the par value of said bonds, including the accrued interest from the date of said bonds to the date of delivery thereof, at the rate named in the bid, shall be considered. The City Controller shall have the full right to reject any and all bids. In the event the City Controller shall receive no satisfactory bid for said bonds at the time fixed in said notice of sale, he shall be authorized to continue to receive bids thereafter from day to day until a satisfactory bid is received, and in the event of the continuation of the sale, the City Controller shall open all bids filed, at the same hour each day, as stated in the bond sale notice.

Section 7. The City Controller is hereby authorized and directed to have said bonds and coupons prepared, and the Mayor and the City Controller and the City Clerk are hereby authorized and directed to execute said bonds and the interest coupons to be attached thereto in the form and manner herein provided, and the City Controller shall, after the execution of said bonds, deliver the same to the City Treasurer and shall take his receipt therefor. Upon the consummation of the sale of said bonds, the City Controller shall certify to the Treasurer the amount which the purchaser is to pay for the same, and thereupon said Treasurer shall be authorized to receive from the purchaser the amount so certified by the Controller, and to deliver the bonds to such purchaser.

Section 8. The proceeds of such bonds, when so issued, shall be deposited by the City Controller in a separate fund for the discharge of such obligations of the City of Indianapolis as have been imposed because of the aforementioned deficiencies in the Barrett Law funds of the City of Indianapolis and to no other purpose.

Section 9. This ordinance shall be in full force and effect immediately upon its passage and approval by the Mayor.

Said lawyers shall do their work under the direction of the Department of Law, and shall supervise the printing and read and approve all proof as their work is printed. Upon the completion of their work they shall make a complete report to the Common Council of the City, and their work shall have no effect to change any ordinance until it has received the approval of the Common Council. Said revision, codification and publication shall constitute and be known as a supplement to the Municipal Code of 1925.

Section 3. That the amount of compensation to be paid to each of said lawyers shall not exceed Fifteen Hundred Dollars (\$1,500.00), to be paid from funds to be hereafter appropriated on vouchers of the Department of Law, at the rate of not exceeding One Hundred Dollars (\$100.00) per month for each lawyer during the conduct of this work, with Three Hundred Dollars (\$300.00) of said compensation being retained for each and paid when the work is completed and approved by the Common Council. The said compensation shall be in full for all of said work.
