Burns' Indiana Statutes, 1935, as amended in 1937, a Trustee of a township is authorized to contract with the proper authorities of any city, or town, that has or maintains adequate fire-fighting equipment and which is in a township contiguous thereto for fire-protection; and a Trustee of any township is authorized and empowered by and with the consent of the township advisory board to enter into a contract for such fire protection and to purchase for such township fire-fighting equipment, and provide for the proper housing, care and maintenance of such equipment; and whenever any Township Trustee shall purchase any such equipment, such Township Trustee, by and with the consent of the township advisory board is authorized to enter into an agreement with any volunteer fire-fighting company for the use and

operation of such equipment; and further provides that all expenses which may be incurred by any township in carrying out the provisions of said act shall be paid out of the township general fund, and the township advisory board may increase the general fund levy by sufficient amount, annually, to defray such expenses; and

WHEREAS, second party is of the opinion that it will receive better fire protection at less cost if it contract with first party for fire protection as provided for in this contract than it would if it purchased and maintained its own fire equipment, either alone or with some city, town or other township; and therefore in lieu of purchasing and maintaining its own fire equipment, it is desirous of contracting with the first party for the use of the facilities of the fire department belonging to said first party for the purpose aforesaid, said use to be in the nature of said fire department of the first party furnishing such of its apparatus and fire fighting service as may be reasonably available without endangering its service to be rendered to the people of the City of Indianapolis.

NOW, THEREFORE, in consideration of the premises and the mutual benefits of the parties hereto, it is agreed as follows:

The party of the first part hereby agrees to furnish such of its fire apparatus and fire-fighting service as may be reasonably available for the territory and purposes hereinbefore stated without endangering or crippling its service to be rendered to the people of the City of Indianapolis; and said second party agrees to pay to party of the first part for said fire protection rendered the sum of Two Thousand Five Hundred Dollars (\$2,500.00) for one year commencing with the date of this contract and ending one (1) year from said date.

Said party of the second part further agrees to pay to said party of the first part the sum of One Hundred Dollars (\$100.00) per fire for each run made by the Indianapolis Fire Department for any and all fires in excess of twenty-five (25) which might occur during said year; it is understood and agreed by and between the parties that in case said Warren Township

has no more than twenty-five (25) runs for fires during said year, the total compensation to be paid to said first party by second party shall be said sum of Two Thousand Five Hundred Dollars (\$2,500.00).

It is agreed and understood by the parties hereto that this contract shall be in full force and effect for the period of one (1) year, that is, from the 1st day of January, 1944, to the 31st day of December, 1944.

It is further agreed and understood by the parties hereto that no liability attaches or will attach to the party of the first part on account of the nature of the work and services performed by first party's said fire department for the second party, and that said party of the first part will not be liable in damages, either to person or property, to the party of the second part or any of its citizens, or any other person, firm or corporation on account of any act or omission arising out of the performance of the services herein contracted for.

It is further agreed and understood that the party of the second part shall furnish its own water supply at its own expense.

This contract shall be of no force and effect unless its execution is authorized by an ordinance passed by the Common Council of the City of Indianapolis and approved by its Mayor.

IN WITNESS WHEREOF, the parties have hereunto set their hands this 28th day of March, 1944.
