To the President and Members  
of the Common Council of  
City of Indianapolis, Indiana.

Gentlemen:

In Re: General Ordinances Nos. 14, 15, 16, 1945.

I beg leave to report that pursuant to the laws of the State of Indiana, I caused publication to be inserted in the following news-

G. O. No. 14, 1945—Saturday, April 14 and 21, 1945—Indianapolis Recorder and the Indianapolis Commercial—G. O. No. 15, 1945—Friday, April 13 and 20, 1945—The Marion County Mail and The West Side Messenger—G. O. No. 16, 1945—Friday, April 13 and 20, 1945—The Jewish Post and The Indiana Catholic Record.

and that said ordinances are now in full force and effect as of the last date of publication.

Sincerely,

FRANK J. NOLL, JR.,

City Clerk

March 23, 1945.

To the President and Members  
of the Common Council of the  
City of Indianapolis.

Gentlemen:

I wish to remind the Common Council of the ever increasing public need for an adequate reference to the effective city ordinances.

Because of the delay in undertaking the preparation of an entirely new code I fear that, though the work might be started now, it would not be fully accomplished and be published before the end of the present administration. If the preparation and adoption of such a new code were to be undertaken it should be done with idea of producing a considerable amount of time and effort, including constant consideration by the council of proposed changes in and additions to the existing ordinances. If such work be not fully completed, approved and published before the end of the administration, there might be the danger of the product of so much time and expense being again entirely discarded by the succeeding administration.

I recommend immediate concentration on the preparation of an adequate reference index to existing ordinances, which index when completed could be continuously supplemented. I am called upon constantly to search for the effective law on many subjects and I wish to undertake the immediate preparation of such an index.

Since this work must cover a twenty year period the completion thereof in a reasonable time would require some assistance. I therefore suggest that the City Council authorize the appointment of one additional temporary Deputy City Clerk to assist the City Clerk in this work and that the person selected be one with appropriate experience.

Such an index would be a thing of value not only for immediate and continual use but also of value in connection with the preparation of a new code if and when the same be undertaken since the first step in the preparation of a new code would be the making of such an index.

April 16, 1945]

City of Indianapolis, Ind.

An act of the recent session of the legislature provides a method for the compilation and publication of ordinances in parts or separate classes of ordinances. Instead of undertaking a long time job on preparing and adopting a complete new codification it might be well to use this new law and begin the compilation of ordinances in separate pamphlets for the several classes, beginning with the traffic ordinances.

The traffic ordinances are the ones which attorneys and the courts are most concerned with and where the most confusion exists. This class of ordinances and the confusion accompanying the same is the matter particularly referred to in the recent communication of Attorney Alva J. Rucker.

Very truly yours,

FRANK J. NOLL, JR.,  
City Clerk.

## INTRODUCTION OF RESOLUTIONS

By Councilman Dauss:

### RESOLUTION NO. 4, 1945.
