INTRODUCTION OF GENERAL ORDINANCES

By the Board of Public Works and Sanitation:

SWITCH PERMIT

General Ordinance No. 39, 1945. An ordinance approving a certain agreement and permit granting City Supply Company the right to lay and maintain a sidetrack or switch from the Morris Street Spur Track, across West Wilkins Street into the property at 359 West Ray Street at a point approximately 190 feet east of Chadwick Street according to blue print attached, in the City of Indianapolis, Indiana.

WHEREAS, heretofore, to-wit; on the 12th day of March, 1945, City of Supply Company, 359 West Ray Street, filed his petition before the Board of Public Works and Sanitation of the City of Indianapolis, as follows:

PETITION

To the Board of Public Works and Sanitation,
City of Indianapolis

Gentlemen:

We desire a spur track to serve our property located at 359 West Ray Street in the City of Indianapolis, Indiana. It is, therefore, necessary that we extend an existing spur track from a point on the south side of West Wilkins Street across said Wilkins Street into our property. We, therefore, petition to the Board of Public Works to grant us this permit.

NOW, THEREFORE, This agreement made and entered into this 23d day of May, 1945, by and between City Supply Company (A partnership), 359 West Ray St., of the City of Indianapolis, County of Marion, State of Indiana, party of the first part, and the City of Indianapolis, by and through its board of Public Works and Sanitation, party of the second part.

WITNESSETH: That the party of the first part, being desirous of securing a permit for a right of way for a sidetrack or switch from Morris Street spur track to extend across West Wilkins Street into our property at 359 West Ray St. (Rear) in the City of Indianapolis, which is more specifically described as follows:

An extension of the Illinois' Central Railroad's Morris Street spur track to across West Wilkins, and extend into our property at a point approximately 190 feet east of Chadwick Street, all as shown upon the drawings attached hereto, hereby covenants and fully binds himself, his successors, legal representatives and assigns, that, in consideration of the grant of the privileges and authority herein given, he will lay construct, maintain and pay all costs and expenses either now or hereafter connected with said track upon the terms and conditions hereinafter set forth, to-wit:

(1) They shall be so laid, maintained, improved and kept in repair as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works and Sanitation of the City of Indianapolis, and to all laws and ordinances, adopted or enacted pursuant to the police powers of said city.

(2) Said track and switch shall be laid upon such grade as shall

be established by said Board, and shall be put down under its supervision and to its satisfaction and approval. Said track shall be raised or lowered to conform to any grade which may, from time to time, be hereafter established, whenever so ordered, in writing, by said Board, and shall be made to conform in all respects with any ordinance passed by the Common Council, or with any resolution or resolutions made by said Board, for the elevation or depression of said tracks, or tracks; provided further that all the costs thereof shall be paid by the said party of the first part, who hereby waives any division of such costs as now or hereafter provided by any statute, or otherwise.

(3) The crossing where said track intersects shall, at all times, be kept improved and in repair and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossing or to be thereon except for such time as may be absolutely necessary in moving them back and forth, and they shall be at no time stopped or detained thereon in such manner as to obstruct public travel.

(4) Said party of the first part agrees, upon the written order of said Board, made for any cause affecting the interest of the City or the public welfare, to take up and remove said tracks, and upon said party's failure so to do, upon such notification in writing, of ten (10) days, to promptly pay the cost of having the same done, and the party of the first part hereby releases all claims for damages whatsoever that may arise by reason of such removal; and in removing said track or causing the same to be done, said Board shall in no wise become a trespasser. Said notice shall fix a day for hearing before said Board where objections to such removal may be heard; but the decision of said Board shall be final and conclusive on the party of the first part who hereby expressly waives any right to have such exercise of discretion reviewed by any court.

(5) The party of the first part agrees to pave between the rails of said track and for eighteen inches on both sides thereof, to the entire satisfaction of the second party, and in case said tracks and pavement or either thereof shall be or become out of repair or in need of being reconstructed, or become in any way defective (of which fact the said Board shall be the exclusive judge), it shall be the duty of the said party of the first part to promptly repair, reconstruct, or remove same, failing in which, after notification in writing of ten (10) days, said Board may do or cause the same to be done

at the expense of the said party of the first part and for which expense and cost the said party of the first part shall be liable.

(6) The said party of the first part herein binds himself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance or use of said track, and to pay any judgement, with costs, that may on that account be rendered against the said party or said city, and also to pay all necessary expenses that may be incurred by said city in defending against any such claims.

(7) Any violation of any of the provisions of this instrument by said party of the first part, or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given or granted by this permit, provided, however, that the same may be terminated by said Board as hereinafter set forth.

Said party of the second part by virtue of the provisions of an act of the General Assembly of the State of Indiana, entitled "An act concerning municipal corporations," approved March 6, 1905, and of all acts amendatory thereof or supplemental thereto, and in consideration of the things hereinbefore set forth and upon the terms and provision stipulated, hereby grants and duly permits said party of the first part to exercise the right, privilege and authority to lay and maintain an additional sidetrack or switch across

in the City of Indianapolis, all as shown by the drawing attached hereto, filed herewith and for greater certainty marked "Exhibit A."
