Gentlemen:

I have this day approved with my signature and delivered to the City Clerk, Mr. Frank J. Noll, Jr., the following ordinance.

SPECIAL ORDINANCE NO. 8, 1945.

AN ORDINANCE changing the name of a certain street within the City of Indianapolis; and fixing a time when the same shall take effect.

Respectfully,

ROBERT H. TYNDALL,

Mayor.

August 29, 1945.

Mr. Frank J. Noll, Jr.,
City Clerk, City Hall,
Indianapolis, Indiana.

Mr. Dear Mr. Noll:

I am this day returning to you, without my signature, Appropriation Ordinance No. 61, 1945 for the following reasons:

1. The grant to the City of Indianapolis on which the Market house is located was deeded to the City of Indianapolis provided that such property should be used exclusively as a public market. The use of a portion of this property for the parking of automobiles of city and

county employees would not be "For use as a public market."

2. I am of the opinion that, even if it were legal to convert part of the market house into a parking garage, that the use proposed in this ordinance would tend only to confuse the parking problem for the people who use the City Market. It is apparent that should City and County employees be permitted to park in this space on Monday, Wednesday and Friday of each week it would only be a short time until this space would be filled with the automobiles of city and county and county employees on Market days.

Respectfully,

ROBERT H. TYNDALL,
Mayor.

To the President and Members of the Common Council
of the City of Indianapolis, Indiana.

Gentlemen:

We, your committee on Finance, to whom was referred General Ordinance No. 61, 1945, concerning Parking Meters, are informed that due to a misunderstanding, several well known parking meter companies did not bid on the recent parking meter proposal. Some manufacturers' bids were received after the time set for the return date of such bids, and therefore under the law such bids could not be considered. We believe it to be in the best interest of the city of Indianapolis that full and complete competition be had. We are also informed that only one parking meter, among those demonstrated, was examined by only one member of the citizen's committee. We believe in fairness that all meters should be examined, and that all meters should have been examined before a decision was reached.

Additional information discloses that members of the Board of Public Safety and Board of Public Works, elected or appointed city officials, had no vote in the final selection of the meter approved by the Citizens' Committee. Your committee on Finance believes this transaction to be of sufficient importance to warrant that city officials, elected or appointed, be allowed to participate both in the discussions, and in the final selection. Your committee has had its attention called to the matter regarding a conflict between Section 4 of General Ordinance No. 39, June 5, 1944, as amended March 5, 1945, and Chapter 237, Acts of General Assembly, 1945.

Therefore, your committee on Finance recommends that in order to eliminate said conflict, the corporation counsel of the City of Indianapolis prepare at once an amendment to Section 4, General Ordinance No. 39, Changing Section 4 to read, "Board of Public Works," instead of "Board of Public Safety," and any other change or changes found necessary to make said ordinance comply with state law.

Your committee further recommends that an advisory committee of at least three technicians and/or engineers be selected to jointly and immediately by the Board of Public Works, The Purchasing Agent of the City of Indianapolis, and the City Council, to ad-

wise with these groups on the following points regarding specifications for bids, and final selection of any meter. The points to be considered are workmanship, quality, durability, ease of repair, repair costs, and in general, to see that the meter finally selected meets all specifications.

The Finance Committee believes this to be a most important business transaction for our city, and we strongly recommend that all bids for parking meters recently received, be rejected, and new bids be asked for; that all bids be on carefully prepared specifications, such specifications to contain no patented items or devices that would exclude or prohibit any manufacturer from producing, and that the Purchasing Agent of the City of Indianapolis prepare such specifications and re-advertise for bids at the earliest date possible.

Your committee feels that with the lifting of war restrictions, no doubt most manufacturing companies will be able to make installations sooner than was anticipated in their former quotations, which stated ninety days. We feel that the procedure outlined will not delay the actual installation of meters.

For the above mentioned reasons, we ask that the recommendations of the Citizens' Committee be rejected, and that new bids be solicited immediately. Therefore, your committee on Finance recommends that General Ordinance No. 61 do not pass.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. A taxicab driver, for the purpose of this ordinance, shall be deemed to be the driver of any vehicle licensed as a taxicab by the City of Indianapolis, to operate upon the streets of the City of Indianapolis.

Section 2. No person shall act as a driver of a taxicab licensed by the City of Indianapolis without first having obtained a license therefor and having complied with all of the provisions of this ordinance.

Section 3. Each applicant for a taxicab driver's license must have attained the age of twenty-one (21) years, shall have sound physique and good eyesight and not be subject to epilepsy, vertigo, heart trouble, or any other infirmity of body or mind which might render him unfit for the safe operation of a public vehicle; be able to read and write English language; be clean in dress and person and not addicted to the use of intoxicating liquors or narcotics; and produce on forms provided by the Board of Public Safety affidavits establishing his good reputation, from two (2) reputable citizens of the City of Indianapolis. Proof that the applicant has passed a physical examination and has been duly licensed as a public passenger chauffeur under the laws of the State of Indiana within one (1) year from the date of application for a license hereunder shall be accepted

by the Board of Public Safety as sufficient evidence that such applicant complies with the physical requirements set out in this section.

Section 4. Each applicant shall fill out upon a blank form to be provided by the Board of Public Safety a statement giving his full name, residence, place of residence for five (5) years previous to the date of his application, his age, color, height, color of eyes and hair, place of birth, length of time he has resided in the City of Indianapolis, whether a citizen of the United States, the place of his last previous employment, whether married or single, whether he has ever been convicted of a felony or misdemeanor and, if convicted, the nature of the crime and the date when and the place of the conviction, his finger prints, whether he has been previously licensed as a taxicab driver, and, if so, when and where and whether his license has ever been revoked and for what cause, which statement shall be signed and sworn to by the applicant and filed with the police department as a permanent record.

Section 5. Investigation of all applications for license as taxicab drivers under the provisions of this ordinance shall be conducted by the police department, under the direction of the Chief of Police, which investigation shall be completed within two (2) days after the filing thereof, whereupon the application shall be forwarded immediately by the Chief of Police, with his recommendation endorsed thereon, to the Board of Public Safety; PROVIDED, however, that the Chief of Police shall not make any unfavorable recommendations except for just cause in the interest of public safety and welfare; AND PROVIDED FURTHER that any applicants whose application has been favorably recommended to the Board of Public Safety by the Chief of Police may be temporarily employed as a taxi driver pending final action on said application by the Board of Public Safety.
