In Re: Appropriation Ordinance No. 2, 1949

Dear Sir:

The City Legal Department has been requested to prepare an ordinance covering an appropriation of \$9,000.00 from the Airport General Fund to Account No. 12-P-124.

The Board of Aviation Commissioners acting through the Common Council entered into an agreement with the Federal Works Agency in May, 1946. This agreement covers the advancement of \$36,000.00 to be utilized for preliminary studies and plans for airport development. In accordance with the terms of this agreement, the airport would utilize Federal funds for this purpose, which would not require repayment if the plans were discarded, however, if such plans were utilized, the airport is required to repay the Federal Government all funds so advanced.

The Federal Works Agency has ruled that such plans have been utilized and that they are therefore entitled to reimbursement of \$18,000.00 which was the amount of initial monies advanced for this

purpose. General Ordinance No. 42, 1946, covers the entire procedure followed in subject agreement.

This Ordinance being prepared by the Legal Department should provide authority to the Board of Aviation Commissioners to make this repayment, and to cancel the agreement with the Federal Works Agency now in existence. It is therefore, respectfully requested that this matter be placed before the Council for passage.

Yours very truly,
