Submitted herewith is resolution No. 16, 1950 which changes the amount of contributions in lieu of taxes paid by the U. S. Housing Authority re Lockfield Garden Apartments in the City of Indianapolis under Resolution No. 13, 1943.

The new proposal appears to be more advantageous and beneficial financially than the proposal it supersedes for the reason that under the new proposal the Housing Authority agrees to pay a sum equal to ten per cent of the shelter rents of the Lockfield Garden Apartments, which amounts to a substantial increase over the sum heretofore paid.

I recommend the passage of this Ordinance.

Respectfully submitted,

INTRODUCTION OF RESOLUTIONS

By the City Controller:

RESOLUTION No. 16, 1950

A RESOLUTION accepting the proposal of the United States Housing Authority to make annual payments in lieu of taxes with respect to Lockefield Gardens Apartments.

WHEREAS, the United States Housing Authority has proposed in writing to the City of Indianapolis to pay the said City and all taxing units within its borders an annual sum in lieu of any and all ad valorem real estate taxation against Lockefield Gardens Apartments in the City of Indianapolis; and

WHEREAS, according to such proposal of payment the Government shall pay a sum equal to ten per cent (10%) of the shelter rents from the period beginning July 1, 1950, for the term of said proposal; and

WHEREAS, the present proposal appears to the City Authorities to be more advantageous and beneficial financially than the proposal it supersedes, which was approved by the Common Council in Resolution No. 13 in the Proceedings of the Common Council for the year 1943; and

WHEREAS, the City of Indianapolis is by the Housing Co-operation Act of Indiana, enacted by the Indiana General Assembly, Chapter 209, Acts of 1937, authorized to accept the aforementioned proposal of the United States Housing Authority, if approved by this Council and executed by the proper officials of the City of Indianapolis, Indiana; and

WHEREAS, the Common Council of the City of Indianapolis, Indiana, determines to accept said proposal;

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. That the proposal of the United States Housing Authority to make annual payments to the Treasurer of Marion County for distribution to the various taxing units in Marion County including the City of Indianapolis in lieu of any and all ad valorem real estate taxes against the Lockefield Gardens Apartments, a Federal Housing project, be and the same is hereby approved and accepted in behalf of the City of Indianapolis, and which proposal is as follows; to-wit:

"The parties hereto, pursuant to the provisions of Section 13 (c) of the United States Housing Act of 1937, as amended, for the considerations hereinafter mentioned, covenant and agree as follows:

1. This Agreement shall become effective as of July 1, 1950, and shall continue in effect until terminated by either party as hereinafter provided.

2. During the term of this Agreement, the Taxing District, without cost or charge to the Government or the tenants of Lockefield Gardens Apartments, Project No. H-1601, located in the City of Indianapolis, Marion County, Indiana (other than the payments in lieu of taxes) shall:

(a) Furnish or cause to be furnished to the Government and the tenants of such Project public services and facilities of the same character and to the same extent as are furnished from time to time without cost or charge to other dwellings and inhabitants in the Taxing District;

(b) Insofar as the Taxing District may lawfully do so, grant such deviations from the building code of the Taxing District as are reasonable and necessary to promote economy and efficiency in the administration of such Project, and at the same time guard health and safety, and make such changes in any zoning of the site or surrounding territory of such Project as are reasonable and necessary for the protection of such Project and the surrounding territory:

(c) Cooperate with the Government by such other lawful action or ways as the Taxing District and the Government may find necessary in connection with the management of such Project.

3. The Government shall pay annually to the Treasurer of Marion County, Indiana, for proportionate distribution, as hereinafter provided, to all proper political subdivisions, including the Taxing District, for public and municipal services furnished to the Project and the tenants thereof for the period beginning July 1, 1950 and ending June 30 of each year thereafter (unless this Agreement be terminated), a sum equal to 10% of the aggregate Shelter Rent charged by the Government in respect to such Project during such annual period. The term "Shelter Rent" shall mean the total of all charges to all tenants of the Project for dwelling rents and non-dwelling rents (excluding all other income of such Project), less the cost to the Government of all dwelling and non-dwelling utilities. The payments required by this section shall never exceed the real property taxes which would be paid to the Taxing District or Districts covered hereby if the property were not exempt from taxation.

4. The payments provided for in paragraph 3 hereof shall be distributed by the Treasurer of Marion County to the Taxing District and to all other political subdivisions having the power to levy real estate taxes in the area in which the Project is located for the period for which these payments are made so that each political subdivision will receive from such payment the same proportion as each political subdivision's ad valorem tax rate or rates bear to the total ad valorem tax rate or rates which would be levied if the Project were subject to taxation.

5. In the event of transfer of the title to the Project, or any part thereof, the payments hereby provided for shall be pro rated between the Government and such transferee in the same manner as taxes would customarily be pro rated in a sale between private parties, provided that the transferee shall not be required to assume and pay, nor shall the Taxing District or Districts be entitled to receive, any payment covering a period for which the property may be taxed by the Taxing District or Districts as a result of such title transfer.

6. This Agreement may be terminated by either party hereto on June 30, 1951, or on the 30th day of June in any year thereafter, provided that at least thirty (30) days notice of such termination shall be given prior thereto to the other party hereto.

7. No member of or Delegate to the Congress of the United States of America, or resident commissioner, shall be admitted to

any share or part of this Agreement or to any benefit to arise therefrom."

Section 2. The Mayor and the City Clerk are directed and empowered to execute for and on behalf of the City of Indianapolis said proposal and to affix thereto the city seal.

Section 3. This Resolution shall take effect immediately upon its passage and approval by the Mayor.

Which was read for the first time and referred to the Committee on Public Works.

On or before ten days after such service of said order, the licensee may appeal therefrom to the mayor, by serving a notice that he is so appealing upon the mayor, or filing it at his office, with a copy thereof delivered to said board, at the office of the city commissioner of buildings. The mayor shall thereupon render such a decision as he finds justified by the evidence, either affirming, or reversing, or modifying, or increasing the terms of the order of the board, or entering such order of his own as he deems proper. The mayor's order shall be final and be binding upon both the licensee and the board.
