SPECIAL RESOLUTIONS AND COUNCIL RESOLUTIONS

PROPOSAL NO. 17, 1979. Councilman Miller introduced and read this proposal requesting the President and Congress to enact legislation in order to maintain the relationship the United States currently enjoys with Taiwan, Republic of China. Mr. Howard and Mr. Boyd recommended sending this proposal to the Rules & Public Policy Committee for study since it was very substantive and there was no emergency involved. Following further discussion, the proposal was adopted on a voice vote, retitled SPECIAL RESOLUTION NO. 1, 1979, and reads as follows:

**CITY—COUNTY SPECIAL RESOLUTION NO. 1, 1979**

A SPECIAL RESOLUTION calling for the President and Congress of the United States to proceed with legislation designed to preserve the social, economic and defense relationships currently enjoyed with the Republic of China on Taiwan.

WHEREAS, the City of Indianapolis, Indiana, and the City of Taipei, Taiwan, Republic of China, officially became sister cities on September 11, 1978; and

WHEREAS, the sistercityship has and will continue to benefit both cities through the strengthening of social, political and economic ties; and

WHEREAS, President Carter has withdrawn diplomatic recognition from the Republic of China, a freedom-loving, anti-communist nation and simultaneously recognized Communist China; and

WHEREAS, the relationship of the United States and the Republic of China is based upon twenty-nine years of faithful allegiance to the Mutual Defense Treaty and other agreements between the two countries; and

WHEREAS, the actions by President Carter abrogate United States of America and Republic of China ties to an extent not fully discussed or understood by the nations involved, so that these nations are unable to respond and act responsibly in determining their world relationships; and

WHEREAS, the importance of straightforward and trustworthy assurances regarding the future of social, economic and defense relationships with the United States is of paramount importance to the Republic of China; now, therefore:

PROPOSAL NO. 521, 1978. Mr. Miller reported from the Administration Committee that this proposal increased the personal services character of the Human Rights Commission budget. When the budget was originally prepared only inflationary increases were added to salaries, and not merit increases. The city administration last year upgraded several of the positions in their evaluation which necessitates increased salaries. The Human Rights Commission budget was increased 6.13% over 1978's budget. The requested increase would be 9.13%. Following discussion, Mr. Tintera moved, seconded by Mr. Lyons, to table this proposal until the Council meeting of January 22, 1979. The motion carried by voice vote.

PROPOSAL NO. 524, 1978. Mr. Schneider stated that this proposal reinstates the budget of \$34,800 of the Domestic Relations Counseling Bureau which was deleted from the City-County Budget for 1979. The Bureau is funded by a \$10 divorce filing fee. Mr. Rhodes, Council Chief Fiscal Analyst, responded to a question posed by a Council member that the State Tax Board has not yet stated the availability of funding, although the legislature specifically earmarks money for the agency. At the request of Mrs. Brinkman, Mr. Hopkins, Director of the agency, explained that the Bureau has two full-time positions and two part-time positions. Mr. Miller then moved, seconded by Mr. Clark, to table the proposal until the meeting of January 22, 1979. The motion carried on a roll call vote of 17 AYES and 10 NOES.

[Clerk's Note: Due to the malfunctioning of the roll call voting equipment, the itemization of each Council member and their vote is unavailable.]

PROPOSAL NO. 526, 1978. The County & Townships Committee report was given by Mr. Schneider who stated that this proposal was the reassessment budget for 1979. Mr. Rhodes, Senior Fiscal Analyst, stated that the records concerning funding of this proposal were unavailable from the auditor's office, but he believed the fund is overspent from 1978. Mr. Schneider moved, seconded by Mr. Hawkins, to amend the proposal by adopting the "Committee Recommendations" version. The motion carried by unanimous voice vote. The Council recessed to a Committee of the Whole at 8:28 p.m. for public hearing, and reconvened at 8:29 p.m. Proposal No. 526, 1978, As Amended, was then adopted on the following roll call vote; viz:

BE IT ORDAINED BY THE CITY—COUNTY COUNCIL OF THE CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:

SECTION 1. Chapter 17, Article XIX, Sec. 17-638 of the Code of Indianapolis and Marion County, Indiana, 1975, be, and the same is hereby amended by inserting the words underlined and deleting the ~~words~~ crosshatched so as to read as follows:

ARTICLE XIX. Taxicabs

Sec. 17-638. Fares.

(a) Generally. No person owning, operating or controlling a taxicab shall charge other than the schedule of rates at the time authorized by ordinance. Each licensee shall maintain a schedule of rates, chargeable for the use of such taxicab at all times, in plain view of any passenger seated in the rear seat.

(b) More than one passenger. If more than one person occupies or engages a taxicab for a common route or destination, or by time, the operator may make a charge of twenty-five cents (\$0.25) for each extra person who has attained the age of fifteen (15) years. No person operating a taxicab shall carry any other passenger after the taxicab has been occupied or engaged by a passenger, ~~without obtaining the consent of the prior passenger who shall not be obligated to pay any extra fare for refusing such consent. If more than one passenger engages a taxicab for rides to other than a common destination, or on a time basis, the fare for the first person leaving the taxicab shall be the metered fare, or for the time consumed, between the point of origin and the destination of the person. The fare for each successive person leaving the taxicab shall be the metered fare, or the time, solely for the distance between successive destinations and the taximeter shall be reset, or time noted, at each destination, so that only the proper fare shall be charged between successive destinations.~~ except as provided in subsection (i) hereof.

(c) Waiting time. When a taxi arrives at the place to which it has been called for a passenger, the driver shall give notice of his arrival to such person, and for the first three (3) minutes following notice there shall be no time charge for waiting, but for any waiting time thereafter, either at the place of call or en route to the passenger's destination, the waiting charge authorized by the current schedule shall be paid. However, no waiting time shall be charged in any case where it is caused by the premature arrival of the driver at the place of call, or where delays occur en route due to the condition of the taxicab or the driver.

(d) Payment of fare. No person who requests and receives transportation in any taxicab shall fail or refuse to pay the proper fare or charge authorized by this article. There will be no charge for handicapped people after three (3) minutes at railroad tracks or if delayed for more than three minutes for any other kind of traffic blockage, and people over the age of 65 who can show identification shall be given the same kind of courtesy.

(e) Receipt. If demanded by the passenger, the driver of a taxicab shall deliver to the passenger at the time of payment a signed receipt on a form containing the driver's name and taxicab driver's license number, the cab number and the taximeter number, together with the distance or time, or both, for which the charge is made, the total amount paid and by whom, and the date of payment.

(f) Filing schedules. Every licensee under this article shall file with the controller copies of every current fare schedule, which shall be open to the public, showing all rates and charges which the licensee has established and require in payment for any of its services. The schedules shall conform to this section and it shall be unlawful for any licensee or his agent to charge or receive any fare greater than is specified in the current schedule.

(g) Schedule of rates. The charge for taxicab services shall be as follows:

(1) Seventy-five cents (\$0.75) for the first ~~one-sixth~~ seventh mile; ~~ten~~ fifteen cents ~~(\$0.10)~~ (\$0.15) for each additional ~~one-sixth~~ seventh mile; and ~~ten~~ fifteen cents (\$0.10) for each one (1) minute of waiting time over the first three (3) minutes as hereinbefore specified.

~~(2)~~ (3) Eight dollars (\$8.00) per hour for use at an hourly rate; provided that there shall be an additional charge of ~~sixty~~ seventy cents ~~(\$0.60)~~ (\$0.70) per mile for each mile in excess of twelve (12) miles driven during any one hour.

~~(3)~~ (4) Provided that the minimum for any fare originating from Indianapolis International ~~Wier-Cook Municipal~~ Airport shall be one dollar and fifty cents (\$1.50).

(4) (5) Provided, however, that rates higher than above may be charged for the transportation of handicapped persons in taxicabs, if the taxicab transporting such persons is specifically equipped for that purpose. The schedule of such special rates shall be filed with and approved by the controller.

(h) Baggage. Each passenger shall be permitted to carry in the vehicle with him his personal baggage weight not over seventy (70) pounds without extra charge.

(i) Share-rides.

(1) For purposes of this subsection, a "share ride" means the use of a taxicab to transport persons or property with different points of embarkation or disembarkation at the same or at overlapping times. Each person or group of persons, or articles or group of articles transported from one (1) point of embarkation to one (1) point of disembarkation shall be called herein a "trip segment"; and, the aggregate of trip segments over the time period from the beginning of the first trip segment to the end of the last trip segment shall be an "entire trip".

(2) A taxicab may engage a share ride during a particular entire trip under the following provisions:

A. Only if the taxicab is equipped with a taximeter which is capable of accounting for each trip segment on a varying rate schedule, as provided hereinbelow.

B. That the first embarking passenger(s) give permission for the taxicab driver to engage in share riding.

C. That the entire trip shall not deviate more than two (2) city blocks from the route engaged by the first embarking passenger(s).

D. That the rate applied to each and every trip segment at any one (1) time shall be the rate provided in subsection (g) of this section reduced by fifteen percent (15%) for each trip segment in excess of one (1) for which the taxicab is being used at any one such time.

E. The additional passenger charge contained in subsection (b) of this section shall not apply to share rides except that said charge may be required of extra passenger (above one) for each trip segment.

**SECTION 2.** This ordinance shall be in effect from and after adoption and compliance with IC 18-4-5-2.
