Proposal No. 576, 1993 was adopted by unanimous voice vote.

Proposal No. 576, 1993 was retitled SPECIAL RESOLUTION NO. 67, 1993 and reads as follows:

CITY-COUNTY SPECIAL RESOLUTION NO. 67, 1993

A SPECIAL RESOLUTION condemning unfunded federal mandates.

WHEREAS, the number of unfunded federal mandates on counties and cities have significantly increased during the last decade, while many federal programs, which were made available to local governments to ease the burden of carrying out federal mandates, have been terminated or drastically reduced; and

WHEREAS, such mandates stem from federal laws and regulations that require counties and cities to provide services and programs, and perform certain responsibilities without providing federal funding for such services; and

WHEREAS, by shifting costs to counties and cities, unfunded federal mandates breach the underlying principles of federalism which assumes a working partnership and shared responsibilities between the federal, state and local governments; and

WHEREAS, American citizens are unaware of the impact of unfunded mandates on local services and their own local taxes; and

WHEREAS, risk assessment is an essential component to any cost-benefit analysis of mandates and should be included in all bills that impose mandates on counties and cities; now, therefore:

BE IT RESOLVED BY THE CITY-COUNTY COUNCIL OF THE
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:

SECTION 1. The Indianapolis City-County Council urges Congress and the Administration to enact legislation that would relieve counties and cities of all obligations to carry out any new mandate arising from federal law, regulation or policy unless federal funds are provided.

SECTION 2. The Council resolves that Congress and the Administration are urged to enact legislation to reimburse local governments for the costs of complying with existing federal mandates.

SECTION 3. The Council further resolves that Congress and the Administration are urged to include in any future mandate, a provision that requires federal departments and agencies to provide scientifically sound assessments of purported health, safety or environmental risk prior to the imposition of any new mandate on local governments.

SECTION 4. The Council supports a "National Unfunded Mandates Day" to be held October 27, 1993, during which county officials in all counties will be urged to hold press conferences in coordination with local and state officials to draw public attention to the problems imposed on counties by unfunded federal mandates.

PROPOSAL NOS. 398 and 399, 1993. PROPOSAL NO. 398, 1993. The proposal, sponsored by Councillors Moriarty, Beadling, Dowden, Golc, Jimison, McClamroch, Mullin, O'Dell, Schneider, Short and Smith, amends the Code by establishing that vehicles used in an act of prostitution are public nuisances. PROPOSAL NO. 399, 1993. The proposal, sponsored by Councillors Moriarty, Beadling, Dowden, Golc, Jimison, McClamroch, Mullin, O'Dell, Schneider, Short and Smith, amends the code by establishing that vehicles used in an act of prostitution which are public nuisances may be abated by sale at a public auction. Councillor Dowden reported that on August 16, 1993 the Public Safety and Criminal Justice Committee heard Proposal Nos. 398 and 399, 1993 and recommended do pass. On September 13, 1993 the Council voted to return the proposals to Committee. On October 6, 1993 the proposals were heard again in Committee. By a 6-2 vote on October 6, the Committee reported Proposal No. 398, 1993 to the Council with the recommendation that it do pass. By a 5-2 vote on October 6, the Committee reported Proposal No. 399, 1993 to the Council with the recommendation that it do pass as amended. Councillor Dowden moved, seconded by Councillor Moriarty, for adoption.

Councillor Moriarty stated that prostitution is an ongoing and increasing problem for some of the residents in her district. The two proposals seek to address this problem. The first proposal would establish that vehicles used in the act of prostitution are public nuisances. The second proposal would establish that public nuisance vehicles used in the act of prostitution may be sold at a public auction. She said that the Police Department needs additional tools to help alleviate this problem of solicitation. The statutes on the books presently are not enough.

Councillor Short asked that Jeffrey Modisett, County Prosecutor, address this issue.

Mr. Modisett stated that these proposals are modeled after Portland, Oregon ordinances where the City of Oregon has had tremendous success--there has been a dramatic reduction of solicitations.

Councillor Williams voiced her appreciation to Councillor Moriarty for her work on this issue. She said that her district has a similar problem and she supports both of these ordinances.

Councillor Gilmer stated that he believes that the state should pass stricter laws on prostitution.

Councillor Golc said that his district used to be a haven for massage parlors. Twelve years ago the Council passed legislation banning massage parlors and that started the demise of crime along West Washington Street. He supports these ordinances.

Councillor Borst stated that there is already a law against prostitution and he believes that these proposed ordinances will be difficult to enforce.

Proposal No. 398, 1993 was adopted on the following roll call vote; viz:

25 YEAS: Beadling, Boyd, Brents, Coughenour, Dowden, Franklin, Giffin, Golc, Gray, Hinkle, Jimison, Jones, McClamroch, Moriarty, Mullin, O'Dell, Rhodes, Ruhmkorff, Schneider, SerVaas, Shambaugh, Short, Smith, West, Williams

A GENERAL ORDINANCE amending the Code of Indianapolis and Marion County by establishing that vehicles used in an act of prostitution which are public nuisances may be abated by sale at a public auction.

BE IT ORDAINED BY THE CITY-COUNTY COUNCIL OF THE
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:

SECTION 1. Chapter 19 of the Code of Indianapolis and Marion County is hereby amended by adding section 4I as follows:

Sec. 19-4I Abatement of vehicles constituting a public nuisance.

(a) When a motor vehicle is impounded and removed to a place of safekeeping pursuant to an arrest for an offense described in Sec. 19-2(c) of the code, the Office of the Corporation Counsel or its designee may file with a Court of competent jurisdiction an action to abate the nuisance by requesting the vehicle's sale at public auction. The Corporation Counsel or its designee shall not bring such an action unless it be shown that the person creating the nuisance has a prior conviction for an offense as described in Sec 19-2(c) of the code. If the Corporation Counsel or its designee elects to bring an action under this section, such an action must be filed within two days of the vehicle's impoundment excepting weekends and legal holidays. The Court shall not grant this remedy unless it be proved that the owner of record with the bureau of motor vehicles knew or had reason to know that the vehicle was being used in such a way as to constitute a nuisance as described in Section 2(c), Chapter 19 of the code. The complaint shall be filed in the name of the city and shall be served on each person whose right, title or interest is of record with the bureau of motor vehicles.

(b) The Office of the Corporation Counsel or its designee shall receive Two Hundred Dollars (\$200) and any law enforcement agency assisting in such an action shall receive Three Hundred Thirty Dollars (\$330) as reimbursement for their expenses in bringing an action under Sec. 19-2, ~~other departments of the city and any assisting law enforcement agencies are entitled to reimbursement for their expenses including reasonable attorney fees in enforcing Sec. 19-2.~~ Said expenses and fees shall be satisfied from the sale of the vehicle after the costs of the sale and any valid liens or encumbrances are satisfied as the court may determine. These funds shall be considered miscellaneous revenue to the Corporation Counsel or its designee or any other law enforcement agency. The remaining balance after the sale of the vehicle shall be disbursed to the owner or owners of record prior to the sale.

(c) If the Court finds in favor of the City and orders a vehicle sold at public auction, and a person holding a valid lien or security interest of record shall appear, the Court shall determine whether the secured interest is equal to or in excess of the appraised value of the vehicle. Appraised value is to be determined as of the date of judgment on a wholesale basis by agreement between the secured party and the city or by the inheritance tax appraiser for Marion County.

If the amount due the secured party is equal to or greater than the appraised value of the vehicle the court shall order the vehicle released to the secured party. If the amount due the secured party is less than the appraised value, the secured party may pay into court an amount equal to the owner's equity. The owner's equity is the difference between the appraised value and the security interest. Upon payment into court of the owner's equity, the Court shall order the vehicle released to the secured party and distribute the amount paid into Court as provided in subsection (b). If the secured party declines to pay the owner's equity into Court, the vehicle shall be sold at auction and the proceeds distributed as provided by subsection (b).

~~(d) A vehicle that is the subject of a nuisance action under this section is not subject to replevin but is considered to be in the custody of the law enforcement agency originally impounding the vehicle.~~

SECTION 2. This ordinance shall be in effect from and after its passage by the council and compliance with IC 36-3-4-14.

Councillor Gilmer asked for consent to explain his vote. Consent was given. He stated that he voted against the proposals because he believes they are "overkill" ordinances.

The President stated that these ordinances should be given a chance to see if they work. If it is determined that they are ineffective the Council can reconsider the ordinances after a prescribed period of time.

Councillor Smith said that he believes these proposals will act as a deterrent to prostitution and are excellent tools for law enforcement. It allows equal prosecution of the prostitute and the solicitor and gives law enforcement a civil remedy as opposed to a criminal one.

OLD BUSINESS

Councillor Williams stated that she would like to have a report on the building security issue. The President said that the Court Space Reorganization Commission has met concerning the space and security of the City-County Building. One plan is to move all courts into the east wing, which could be secured, and move some of the police administrative offices into the tower. Ron Reinking, Administrator, Building Authority, has worked out some excellent plans regarding this move and these plans have been shown to the judges. Another meeting will be held in November at which time a decision may be made as to the space and security matters.
