Ten (10) bonds maturing and payable	July 1, 1948

Said designated one hundred fifteen (115) bonds shall be numbered from ninety-six (96) to two hundred ten (210), both inclusive. Prior to the sale of said bonds the City Controller shall cause to be published a notice of the sale of said bonds, once each week for two (2) weeks in two (2) local newspapers. The date fixed for the sale of said bonds shall not be earlier than seven days after the last of said publications. Said bond sale notice shall state the time and place of sale, the purpose for which said bonds are issued, the amount thereof, the maximum rate of interest thereon, the time of payment, and the terms and conditions upon which bids will be received and the sale made, and such other information as the City Controller shall deem necessary.

Among other things said notice shall advise the bidders that all bids for said bonds shall be filed with the City Controller in his office in said city, in sealed envelopes marked "Bid for City Hospital Bonds of 1937—First Issue"; that each bid shall be accompanied by a certified check payable to the City of Indianapolis in an amount equal to two and one-half percent (2½%) of the amount of said bonds offered for sale, to guarantee the good faith of the bidder, and that in the event the bidder to whom the bonds are awarded shall fail or refuse to comply with the provisions of its bid, then said

Said notice shall also provide that bidders for said bonds shall be required to name the rate of interest which said bonds are to bear, not exceeding the maximum rate herein provided, and that such interest must be in multiples of one-fourth ( $\frac{1}{4}$ ) of one percent (1%), and not more than one interest rate shall be named by each bidder; that the controller will award said bonds to the highest qualified bidder who has submitted his bid in accordance with the notice of the sale, and that the highest bidder will be the one who offers the lowest net interest cost to the city, determined by computing the total interest on all of the bonds offered for sale to their maturities and deducting therefrom the premium bid, if any.

Section 2. No bid for less than the par value of said bonds as are offered for sale, including the accrued interest from the date of said bonds to the date of delivery thereof, at the rate named in the bid, shall be considered. The City Controller shall have the right to reject any and all bids.
