COMMUNICATIONS FROM CITY OFFICIALS

June 2, 1937.

To the Honorable President and
Members of the Common Council of the
City of Indianapolis, Indiana.

Gentlemen:

In re: Appropriation Ordinances Nos. 22 and 23, 1937, and
General Ordinance No. 32, 1937.

I beg leave to report that pursuant to the laws of the State of Indiana, I caused notice by publication to be inserted in the Indianapolis News and Indianapolis Commercial on May 21, 1937, that taxpayers would have a right to be heard on the above ordinances at the regular meeting of the Common Council, to be held on the 7th day of June, 1937, and by posting a copy of the notice in the following places:

City Hall,
Court House and
Police Station.

Yours very respectfully

DANIEL J. O'NEILL, JR.

City Clerk.

IND. U. LIB. UP. IND. P. S.

Indianapolis, Indiana, June 6, 1937.

To the Members of the Common Council
of the City of Indianapolis, Indiana.

Gentlemen:

For the past two and one-half years I have introduced several different ordinances asking for restoration of the pay for the Indianapolis Police Department and the Indianapolis Fire Department. I have always maintained that the increase in prices and cost of living justified the restoration of previous pay cuts and I had sincerely hoped that the pay of our good Police and Fire Departments would have been restored two years ago.

Some have charged that because I was a Republican, any ordinance I introduced would not pass. I am now glad to see that some of the Democratic members of the Common Council have at last seen the true light on this situation and have introduced an ordinance along the lines I have been pressing for the past two and one-half years.

I am heartily in favor of the ordinance introduced to restore these pay cuts regardless of whether the ordinance is introduced by a Democrat or a Republican and I sincerely trust that all Members of this Common Council will justify my labors for the past two and one-half years and vote for the pending ordinance restoring salaries to the Police and Firemen.

Yours very truly,

EDWARD R. KEALING,
City Council.

June 5, 1937.

To the President and Members
of the Common Council of the
City of Indianapolis, Indiana.

Gentlemen:

Attached find copies of Special Ordinance No. 5, 1937, providing for the annexation to the City of Indianapolis of certain territory described therein.

This territory sought to be annexed includes Little Eagle Creek

We respectfully recommend the passage of this ordinance.

Respectfully yours,

BOARD OF PARK COMMISSIONERS,

M. E. GRIFFIN,

Secretary.

June 7, 1937.

To the Honorable President and
Members of the Common Council of
the City of Indianapolis.

Gentlemen:

Attached please find copies of Appropriation Ordinance No. 24, 1937, appropriating the sum of \$4,513.00 from the unappropriated and unexpended 1936 balance of the general fund to Board of Public Works and Sanitation—Street Commissioner's Fund No. 12-2—Sewer Sanitation.

I respectfully recommend the passage of this appropriation ordinance.

Yours very truly,

WALTER C. BOETCHER,

City Controller.

June 4, 1937.

Mr. Walter C. Boetcher,
City Controller.

Dear Sir:

Upon recommendation of the Street Commissioner, the Board of Public Works and Sanitation respectfully requests that you cause to be prepared an ordinance appropriating the sum of \$4,513.00, from the unexpended and unappropriated balance of the General Fund 1936 into Street Commissioner's Sewer Sanitation Division No. 12-2, and submit the same to the Common Council at its next meeting with the recommendation of the Board that the same be passed.

This additional appropriation is made necessary due to the increased amount of work caused by the sewers getting older and a greater liability to maintain, coupled with the increased amount of

new buildings where this department is compelled to locate the sewer connection.

Last year the Street Commissioner requested that the sewer department be increased to 40 hours per week but the County Tax Adjustment Board reduced the same to 32 hours.

This department cannot take care of the numerous complaints without increased working hours.

Very truly yours,

BOARD OF PUBLIC WORKS & SANITATION

/s/ ERNEST F. FRICK,
Executive Secretary.

June 7, 1937.

To the Honorable President and
Members of the Common Council,
City of Indianapolis.

Gentlemen:

Attached please find copies of General Ordinance No. 34, 1937, transferring certain sums of money from certain designated funds in the Department of Public Safety—Police Department budget, and reappropriating and reallocating the same to other designated funds in said department.

I respectfully recommend the passage of this general ordinance.

Yours very truly,

WALTER C. BOETCHER,
City Controller.

May 18, 1937.

Mr. Walter C. Boetcher,
City Controller.
City of Indianapolis, Indiana.

Dear Sir:

On the recommendation of Chief Morrissey, we are asking that you cause to be prepared an ordinance transferring and reappropriating the following funds in the Police Department budget, under the Department of Public Safety, and that ordinance be presented to the Common Council with your recommendation for passage:

Transfer \$40,711.98 from Police Department budget, Fund No. 11—Salaries and Wages, Regular, Patrolmen First Grade, to Police Department Budget, Fund No. 11—Salaries and Wages, Regular, Patrolmen Second Grade.

Respectfully submitted,

BOARD OF PUBLIC SAFETY,

By: THEO. H. DAMMEYER,

President.

May 25, 1937.

Walter C. Boetcher,
City Controller,
City of Indianapolis.

Dear Sir:

On the recommendation of Chief Morrissey, we are asking that you cause to be prepared an ordinance transferring the following money in the Police Department budget:

Transfer \$1,500.00 from Fund No. 11—Salaries and Wages, Regular, Patrolmen First Grade, and reappropriate this amount to Police Department budget, Fund No. 38—General Supplies.

Chief Morrissey advises that the original appropriation to Fund No. 38 is practically exhausted and, as all supplies for both the Bertillion Department and Scientific Laboratory are purchased from that particular fund, it is imperative that this fund be reimbursed in order that these two very important divisions of the Police Department operate for the remainder of the year.

Very truly yours,

BOARD OF PUBLIC SAFETY,

By: THEO. H. DAMMEYER,

President.

June 7, 1937.

To the President and Members of the Common Council
of the City of Indianapolis, Indiana.

Gentlemen:

This department respectfully calls attention to the ordinance proposing an amendment of Sections 3 and 24 of General Ordinance No. 87, 1935, and recommends the passage thereof.

The controller's office and the legal department have been having considerable difficulty in respect to matters which are the subject of the proposed amendment, and a number of law suits have been filed by owners of taxicabs licensed jointly with another party, seeking to mandate the controller to authorize the transfer, which, it would seem, the actual owner of the taxicab should be permitted to do.

The proposed amendment will greatly clarify the rather intolerable situation which exists in this matter.

Respectfully yours,

FLOYD J. MATTICE,
Corporation Counsel.

June 7, 1937.

To the Honorable President and
Members of the Common Council
of the City of Indianapolis.

Gentlemen:

Submitted herewith is General Ordinance No. 36, 1937, ratifying the transfer of taxicab license from the Union Cab Company and Clinton Cauldwell, and the Union Cab Company and Thurman Ramsey to Thurman Ramsey and we respectfully recommend its passage.

Respectfully submitted,

BOARD OF PUBLIC SAFETY,
BLYTHE Q. HENDRICKS,
Executive Secretary.

Mr. Cable asked for a recess. The motion was seconded by Mr. Kealing and the Council recessed at 7:35 p. m.

The Council reconvened at 8:10 p. m., with all members present.
