October 15, 1937

Mr. H. Nathan Swaim,
City Controller.

Dear Sir:

The Board of Park Commissioners respectfully requests that you cause to be prepared an ordinance to be presented to the Common Council at its next meeting transferring certain sums for the following purpose:

The Park Board wishes to pay off the entire balance due in Barrett Law on property acquired some time ago from Roy O. Pike, amounting to \$406.98 plus some interest, and to pay the delinquent taxes of 1934-35 assumed by the Board in its acceptance of property deeded to it in 1936 by Bennett-Hume-O'Neal, amounting to \$542.98. Total sum of \$949.96 plus some interest.

The Board therefore requests that the sum of \$915.00 be transferred from General Fund No. 11, Salaries and Wages, Regular, into Fund No. 64, Taxes and Barrett Law, and this sum together with a very small balance now in Fund No. 64 will pay off both the above items.

The sum of \$915.00 may be secured by us in the following manner: there exists in Fund No. 115 a balance of \$388.06 due to the death of the custodian of Fall Creek, who will not be replaced in 1937; as Mr. Middlesworth, the Recreation Director is now on part time, we may transfer the sum of \$200.00 from his salary; the sum of \$350.00 was set up for use at Warleigh Beach in 1937, but we did not open this beach, and from this \$350.00 we may transfer the needed sum of \$326.94. The three items will total \$915.00.

Some one from the Park Board office will appear before the Council on Monday for the explanation of this necessary action.

Respectfully,

/s/ LOUISE RICH
Auditor
