PROPOSAL NO. 22, 1981. This proposal for a Special Resolution was adopted under "Presentation of Petitions, Memorials, Special Resolutions, and Council Resolutions".

PROPOSAL NO. 23, 1981. Introduced by Councillor West. The Clerk read the proposal entitled: "A Proposal for a Council Resolution appointing Richard I. Blankenbaker as Director of the Department of Public Safety"; and the President referred it to the Public Safety and Criminal Justice Committee.

Council consent was given to advance the following proposals from "Special Orders, Final Adoption" to be heard at this time.

PROPOSAL NO. 592, 1980. Councillor West requested that "Committee Recommendations—As Updated" be substituted for the introduced version of this proposal which amends Code Section 20-93 dealing with Curfew Violations. Councillor Tintera seconded the motion. The motion passed by unanimous voice vote.

Councillor West stated that this proposal would provide for the parent(s) or guardian(s) of a minor to be ticketed to appear in Municipal Court. Councillor Dowden concurred with the intent of the proposal but questioned the extra burden being placed on the law enforcement personnel. Councillor West responded that this proposal is supported by Judge Boring, Captain Elmore of the Juvenile Division, and the Marion County Prosecutor. Prosecutor Goldsmith stated that this would cover persons under 18 years-of-age and essentially will allow the Sheriff to issue a summons to the parent to explain why they knowingly allowed the child to be out past curfew. Capt. Elmore would contact the parent(s) as to whether they were aware of the violation, and, if so, would issue the summons for 40 days hence. Prosecutor Goldsmith concurred that this would be extra work for the Department. Councillor Tintera moved to table this proposal, stating that the Council action would have no validity until the State Legislature acts on the companion piece of legislation. This motion failed for lack of a second. Councillor Durnil inquired if Prosecutor Goldsmith is actively prosecuting curfew violators, and if this proposal were passed, would he continue active prosecution. Dr. Borst expressed concern that innocent minors may be unduly cited, to which Prosecutor Goldsmith responded that when Capt. Elmore makes the initial contact with the parent(s), this would be discussed. Councillor Clark moved for passage of the proposal. Councillor Howard seconded the motion stating that this proposal was not haphazardously initiated. Proposal No. 592, 1980, As Amended, passed on the following roll call vote; viz:

28 YEAS: Mr. Boyd, Dr. Borst, Mrs. Brinkman, Mr. Campbell, Mr. Clark, Mr. Cottingham, Mrs. Coughenour, Mr. Dowden, Mr. Durnil, Mr. Gilmer, Mr. Hawkins, Mr. Holmes, Mr. Howard, Mr. Jones, Mrs. Journey, Mr. McGrath, Mr. Miller, Mrs. Nickell, Mr. Page, Mrs. Parker, Mr. Rader, Mr. Rhodes, Mr. Schneider, Dr. SerVaas, Mrs. Stewart, Mr. Strader, Mr. Vollmer, Mr. West

SPECIAL ORDERS, FINAL ADOPTION

PROPOSAL NO. 623, 1980. Councillor Tintera reported for the Economic Development Committee that this proposal authorizes proceeding with economic development bond financing for the Indianapolis Life Insurance Company Project in the amount of \$8,000,000. The Company plans to expand at their present location on the City block bounded by 29th, 30th, Meridian, and Illinois Streets, with construction consisting of 100,000 gross square feet to be in complete harmony with the original Georgian architecture of the basic structure. He continued that the engineering, architectural, and space planning will be completed by Indianapolis

firms. The Project will provide approximately 21 new jobs with an increased annual payroll of \$260,000 at the end of the first year, and 43 new jobs with an increased annual payroll of \$615,000 at the end of three years. The Company has a present annual payroll of \$4,200,000 for the 1075 personnel representing the life and health insurance business in 37 state and the District of Columbia, with assets in excess of \$500,000,000, and insurance in force in excess of 5 Billion Dollars. The bonds will be privately placed with possibility of a Servicing Agreement, but no anticipation of a Trustee being necessary. The Economic Development Committee voted 4-0 for "do pass" of this proposal on December 29, 1980. Councillor Tintera moved, seconded by Councillor Brinkman, for adoption. Proposal No. 623, 1980, was then adopted on the following roll call vote; viz:

Proposal No. 623, 1980, was then retitled SPECIAL RESOLUTION NO. 6, 1981, and reads as follows:

CITY-COUNTY SPECIAL RESOLUTION NO. 6, 1981

A SPECIAL RESOLUTION approving and authorizing certain actions and proceedings with respect to certain proposed economic development bonds.

WHEREAS, the City of Indianapolis, Indiana, (the "City") is authorized by IC 18-6-4.5 (the "Act") to issue revenue bonds for the financing of economic development facilities, the funds from said financing to be used for the acquisition, construction and equipping of said facilities, and said facilities to be either sold or leased to a company or directly owned by a company; and

WHEREAS, Indianapolis Life Insurance Company (the "Company") has advised the Indianapolis Economic Development Commission and the City that it proposes that the City either acquire, construct, and equip certain economic development facilities and sell or lease the same to the Company or loan the proceeds of an economic development financing to the Company for the same, said economic development facility to be the construction and equipping of an approximately 100,000 square foot building to be located at 30th and Meridian Streets, Indianapolis, Indiana, on part of the entire city block bounded by Meridian, 30th, Illinois and 29th Streets which will be used by the Company for expansion of its office facilities at that location (the "Project"); and

WHEREAS, the diversification of industry and increase in job opportunities (approximately 21 additional jobs at the end of one year and 43 additional jobs at the end of three years) to be achieved by the acquisition, construction, and equipping of the Project will be of public benefit to the health, safety, and general welfare of the City of Indianapolis and its citizens; and

WHEREAS, having received the advice of the Indianapolis Economic Development Commission, it would appear that the financing of the Project would be of public benefit to the health, safety, and general welfare of the City and its citizens; and

WHEREAS, the acquisition, equipping, and construction of the facilities will not have an adverse competitive effect on any similar facility already constructed or operating in or about Indianapolis, Indiana; now, therefore:

**BE IT RESOLVED BY THE CITY—COUNTY COUNCIL OF THE
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:**

SECTION 1. The City-County Council finds, determines, ratifies, and confirms that the promotion of diversification of economic development and job opportunities in and near Indianapolis, Indiana, and in Marion County, is desirable to preserve the health, safety, and general welfare of the citizens of the City of Indianapolis; and that it is in the public interest that the Indianapolis Economic Development Commission and said City take such action as it lawfully may to encourage diversification of industry and promotion of job opportunities in and near said City.

SECTION 2. It further finds, determines, ratifies, and confirms that the issuance and sale of revenue bonds of the City ("Issuer") in an approximate amount of \$8,000,000 under the Act for the acquisition, construction, and equipping of the Project and the sale or leasing of the Project to Indianapolis Life Insurance Company (the "Company") or the loaning of the proceeds of such financing to the Company for such purposes will serve the public purposes referred to above, in accordance with the Act.

SECTION 3. In order to induce the Company to proceed with the acquisition, construction, and equipping of the Project, the City-County Council hereby finds, determines, ratifies, and confirms that (i) it will take or cause to be taken such actions pursuant to the Act as may be required to implement the aforesaid financing, or as it may deem appropriate in pursuance thereof; provided that all of the foregoing shall be mutually acceptable to the City and the Company; (ii) it will adopt such ordinances and resolutions and authorize, the execution and delivery of such instruments and the taking of such action as may be necessary and advisable for the authorization, issuance, and sale of said economic development bonds.

SECTION 4. All costs of the Project incurred after the passage of this resolution, including reimbursement or repayment to the Company of moneys expended by the Company for application fees, planning, engineering, interest paid during construction, underwriting expenses, attorney and bond counsel fees, acquisition, construction, and equipping of the Project will be permitted to be included as part of the bond issue to finance said Project, and the City will thereafter either lease the same to the Company or loan the proceeds of such financing to the Company for the same purposes or sell the same to the Company.

PROPOSAL NO. 627, 1980. Councillor Tintera stated that a "technical amendment" to this proposal was approved at the Economic Development Committee meeting of December 29, 1980, and requested substitution of the amended proposal for the introduced version. Council consent was given. Councillor Tintera continued that this is a consent resolution for A—Storage Inn, Ltd. Project to be partially located in the City of Indianapolis to be finance by the City of Beech Grove. He continued that Mr. Lentz, President of the Indianapolis Economic Development Commission, had testified that he does not object to the approval of this proposal, even though the Indianapolis Economic Development Commission has a policy against warehouses and will not change that policy as to the issuance of Industrial Revenue Bonds. Mr. Lentz further testified to the Committee that this

Issue will not affect the Commission's stand because it is a different situation, with different circumstances. Mr. Lentz stressed that under the same conditions and circumstances, he would not want to be a part of such an Issue if the request was made through Indianapolis. Councillor Tintera continued that A-Storage Inn, Ltd. requires 120,000 square feet of space to feasibly support their management and reference personnel. The sites are not continuous - one will be located on Pike Plaza Road in Indianapolis and the other on Elmwood Avenue, Beech Grove, and will be inter-related. The tax situation would be the same as if both buildings were built in Beech Grove or Indianapolis outside the Police and Fire Special Service Districts totally. It will contribute to the City of Indianapolis tax base in the area of \$25,000, and also provide an increased payroll of approximately \$63,480 the first year. Councillor Tintera stated that the Beech Grove planner would be informed that in no way will the Commission or the Committee recommend or consider any other firm requesting to build warehouse facilities in Indianapolis under the guise of Industrial Revenue Bonds. This situation is unique in that the two sites are inter-related and necessary to continuing smooth operations. The Economic Development Committee recommended to "do pass as amended" by a vote of 4-0-1, with Councillor Rhodes abstaining. After brief discussion, Councillor Tintera moved, with Councillor Hawkins seconding, for adoption. Proposal No. 627, 1980, As Amended, was adopted on the following roll call vote; viz:

20 YEAS: *Dr. Borst, Mrs. Brinkman, Mr. Clark, Mr. Cottingham, Mrs. Coughenour, Mr. Dowden, Mr. Durnil, Mr. Gilmer, Mr. Holmes, Mr. Howard, Mr. McGrath, Mr. Miller, Mrs. Nickell, Mrs. Parker, Mr. Rader, Mr. Schneider, Mrs. Stewart, Mr. Tintera, Mr. Vollmer, Mr. West*

6 NAYS: *Mr. Campbell, Mr. Hawkins, Mr. Jones, Mr. Rhodes, Dr. SerVaas, Mr. Strader*

3 NOT VOTING: *Mr. Boyd, Mrs. Journey, Mr. Page*

Proposal No. 627, 1980, As Amended, was then retitled SPECIAL RESOLUTION NO. 7, 1981, and reads as follows:

CITY-COUNTY SPECIAL RESOLUTION NO. 7, 1981

A SPECIAL RESOLUTION consenting and approving certain actions and proceedings with respect to certain proposed economic development bonds by the City of Beech Grove.

PROPOSAL NO. 652, 1980. Councillor West requested to delete the introduced version and substitute the version entitled "Committee Recommendations". Consent was given. Councillor West stated that this proposal provides for amending Article X of Chapter 2 of the "Code of Indianapolis and Marion County, Indiana" by adding a new Division 5, Section 2-410, creating a Jury and Pauper Appeals Pool for the Marion County Superior Court Criminal Division and Circuit Court, from which Juror Per Diem Fees, Juror Meals and Lodging Expenses, Witness Fees, and Pauper Attorney Appeals Fees would be paid. It was noted that the Public Safety and Criminal Justice Committee recommended "do pass as amended" by a vote of 7-0. After brief discussion, Proposal No. 652, 1980, As Amended, was adopted on the following roll call vote; viz:

25 YEAS: *Mr. Boyd, Dr. Borst, Mrs. Brinkman, Mr. Campbell, Mr. Clark, Mr. Cottingham, Mrs. Coughenour, Mr. Dowden, Mr. Durnil, Mr. Gilmer, Mr. Howard, Mr. Jones, Mr. McGrath, Mr. Miller, Mrs. Nickell, Mrs. Parker, Mr. Rader, Mr. Rhodes, Mr. Schneider, Dr. SerVaas, Mrs. Stewart, Mr. Strader, Mr. Tintera, Mr. Vollmer, Mr. West*

3 NAYS: *Mr. Hawkins, Mr. Holmes, Mrs. Journey*

1 NOT VOTING: *Mr. Page*

Proposal No. 652, 1980, As Amended, was then retitled GENERAL ORDINANCE NO. 2, 1981, and reads as follows:

(d) Other rules for the governance of the Jury and Pauper Appeals Pool may be prescribed by the Marion County Superior Court Criminal Division and the Circuit Court acting in concert, each judge having one vote, not inconsistent with this section.

SECTION 2. This ordinance shall be in full force and effect from and after its adoption and compliance with IC 18-4-5-2.

PROPOSAL NO. 654, 1980. Councillor Durnil reported that this proposal will approve the appointment of various Deputy Mayors and Department Directors for 1981. The Metropolitan Development Committee recommended a "do pass" by a vote of 5-0-1, with Councillor Schneider abstaining. Councillor Schneider informed the Council that he abstained primarily due to a recent television interview with Mr. John Krauss, in which he stated that in the event that the Federal government cut-off funds for the Metro system, he would raise taxes in the City. Councillor Schneider was opposed to this, but has since discussed the matter with Mr. Krauss and Mr. Krauss indicated that he had not meant to state that. Councillor Durnil moved, seconded by Councillor Schneider, for adoption. Proposal No. 654, 1980, was adopted by unanimous voice vote and retitled COUNCIL RESOLUTION NO. 2, 1981, and reads as follows:

CITY-COUNTY COUNCIL RESOLUTION NO. 2, 1981

Councillor Dowden requested that this proposal be adopted, stating that there will be a variance hearing prior to the next Council meeting which would decide the matter. Councillor Clark expressed agreement with Councillor McGrath to hold a further public hearing. Council consent, by unanimous voice vote, was given for a public hearing. Councillor Clark then requested that Proposal No. 13, 1981, be held for public hearing. Councillor Tintera seconded the motion. Council consent was given by unanimous voice vote. PROPOSAL NO. 650, 1980. Councillor Schneider reported for the County & Townships Committee that the Pike Township Trustee, Mr. Norm Stuart, had appeared before the Committee on December 9, 1980, and requested that the then pending Proposal No. 575, 1980, be stricken because it pertained to the year 1980, and another proposal be introduced to reflect the authorization of additional personnel for the year 1981. Mr. Stuart testified that the additional personnel are warranted due to the increase in caseload in the Small Claims Court from 11,120 in 1979, and 11,948 from January 1 through December 8, 1980. The Committee agree to this by a vote of 5-0. Councillor Schneider moved, seconded by Coun-Rhodes, for adoption. Proposal No. 650, 1980, was adopted on the following roll call vote; viz:

This proposal was heard on May 21, 1980, by the Transportation Committee, which recommended that this proposal be held in Committee for a period of six-months. Councillor McGrath stated that he would contact Mr. Madorin and then re-schedule Proposal No. 90, 1980, to be heard again by the Transportation Committee.

PROPOSAL NO. 555, 1980. Councillor McGrath moved, seconded by Councillor Durnil, to strike said proposal which endorses and supports the Indianapolis Regional Center People Mover. Councillors West, Boyd, and Clark expressed concerned attitudes relative to continued researching and feasibility. Councillors Durnil

and Schneider expressed agreement that meetings have been held and to date no one knows anything about what will actually be done relative to implementation. Both supported the motion to strike. Councillor Tintera injected that the Council is not in a position to vote on it one way or the other, and opinioned that it would not upset anything to keep it on the agenda as an open item.
