DESCRIPTION OF RECOMMENDED  
COMMUNITY DEVELOPMENT  
URGENT NEED FUND ACTIVITIES

The purpose of the Secretary's Discretionary Fund for Urgent Needs is to allow continuation of past planned variation programs and activities that suffered reduced funding levels in 1975. This reduction in funding is due to the exclusion of the planned variation program in the \$13,929,000 provided to the City under the Housing and Community Development Act of 1974.

The Urgent Needs Fund of \$938,000 will be used to continue some programs and activities that have been funded in the past under the planned variations program. Following is a brief description of the recommended activities to be continued with the \$938,000 of Urgent Needs Funds:

**Human Resources**

**Multi Service Centers**—Funds will be used to supplement the network of five full-service centers and seven outreach offices to achieve a service level potential equivalent to the 1974 level.

**Health Services**—Funds will be used to address the increased cost of medical supplies, operating expenses, and loss of funds from other grant sources. Funds will also support part of the local funding share to continue the community-wide drug abuse prevention program.

**Senior Citizens**—Funds will support 108,941 additional hot meals to senior citizens and allow the coordination and management of senior citizens programs in the community.

**Youth Programs**—Funds will allow the continuation of social service, recreation and cultural activities in two inner city programs for youth. Funds will also allow the continued support of administration, program development, evaluation and coordination of city-directed youth activities.

#### **Program Management and Administration**

Urgent Needs funds will be used to continue support for a comprehensive inventory of social service agencies and programs and to supplement the substantially reduced program for public involvement in community development decision-making.

#### **Housing**

**City-Wide Rehabilitation**—Funds will be used to support loan and grant activities consistent with the previously approved program for housing rehabilitation and preservation in the city.

#### **Transportation**

**Half-Fare Handicapped and Elderly Program**—Urgent Needs funds will be used to provide half-fare transit service for an estimated 1,350,000 elderly and handicapped annual trips. Half-Fare service will be provided initially during the 10:00 A.M. and 3:00 P.M. hours weekly, with no time restrictions on weekends.

#### **Parks and Recreation**

**Inner City Recreation Program**—Urgent Needs funds will be used to continue the inner city recreation program at 15 sites. This program will provide supplies, materials, and purchases of instructional services. Staff will be provided through the CETA program.

#### **Economic Development**

**Contractors Assistance Program**—Approval of this activity will provide assistance to small and minority contractors in the areas of counselling, business management and job development and procurement.
