Section 2. The City Controller shall, as soon as possible after the passage of this ordinance, advertise for bids or proposals for said bonds by at least one insertion each week for two consecutive weeks in two daily newspapers of opposite political faith, of general circulation, printed and published in the English language, in the City of Indianapolis, Marion County, Indiana, as required and authorized by law; and may otherwise advertise for such bids or proposals as he may deem advisable. Such advertisements shall describe said bonds with such minuteness and particularity as the said City Controller shall see fit and shall set forth the amount of said bonds to be sold and that the bidder shall bid upon the rate of interest to be paid upon said bonds, the bonds to be awarded to the bidder bidding the lowest rate of interest thereon; that the bidder may bid for all or any part of said bonds; the date of opening bids or proposals therefor; the right of the City Controller to reject any or all bids; the amount of deposit each bidder will be required to make and when and where the bonds shall be delivered and paid for.

Section 3. Each and every bid and proposal shall be presented to the City Controller sealed, and shall be accompanied by a duly certified or cashier's check upon some responsible bank or trust company of the City of Indianapolis, Indiana, payable to the order of the City Treasurer, for a sum of money which shall equal two and one-half percent ($2\frac{1}{2}\%$) of the face or par value of the bonds bid for or proposed to be purchased. The City Controller shall continue to receive all bids or proposals thereafter at the office of the City Controller until eleven o'clock a. m. on the day fixed by the City Controller and designated in the advertisement for receiving bids or proposals, at which time and place and between the said hour and twelve o'clock noon of said day he shall open said bids or proposals. The City Controller shall award said bonds, or as he shall see fit, a part or any number thereof, to the highest and best bidder, who shall in this event be the bidder who shall bid the lowest rate of interest upon said bonds, and said City Controller shall have the right to reject any or all such bids or proposals or any part thereof and shall have the right to accept any part of any bid and to award upon any bid the whole or a less number of bonds covered by such bid, he being the sole judge of the sufficiency or insufficiency of any kind, except that he shall not award such bonds to any bidder bidding a rate of interest upon said bonds more than four percent (4%) per annum thereon. He may also, in his judgment and discretion, award a part of said bonds to one bidder and a part to another. These provisions shall apply to the case of reoffering and readvertising said bonds as hereinafter provided.

Section 4. In case the City Controller shall reject all bids submitted, or if he shall award only a part of said bids, he shall readvertise the bonds remaining unsold in the manner as herein prescribed for the original advertisement, and in such readvertisement he is authorized and directed to fix the date and the time both of receiving and opening bids or proposals, and for purchasers to take up and pay for the bonds which may be awarded. And he shall continue from time to time in like manner to readvertise said bonds for sale until said bonds are sold.

Section 5. In case any bid or proposal shall not be accepted and there shall be no award of bonds thereon by the City Controller, he shall thereupon return to such unsuccessful bidder the certified or cashier's check accompanying the same. If the City Controller shall award the whole or any part of the bonds upon any bid or proposal, he shall thereupon deliver the certified or cashier's check accompanying the same to the City Treasurer, who shall thereupon present the same for payment and shall be entitled to collect the same and shall hold the proceeds collected thereon until the completion of the purchase and the payment for the bonds so awarded. If, for any reason, said check shall not be paid upon presentation, such non-payment shall be taken and deemed a breach of contract for purchase of said bonds upon the part of the purchaser, and the city, in that event, shall have the right to readvertise said bonds for sale at once and shall have the right to collect the same for its own use, and said check and proceeds thereof, when collected, shall be taken and deemed as agreed and liquidated damages for such breach of contract and for payment thereof to the city.

In case any successful bidder shall fail to complete the purchase price of the bonds so awarded and to pay for the same within the time and manner herein required, or which may be prescribed by the City Controller as herein provided, the proceeds of such certified or cashier's check deposited by such bidder shall be taken, considered and deemed as agreed and liquidated damages for the breach of such bidder's contract to purchase and shall be taken and deemed as a payment to the city for such damages and shall be retained and held by said city for its use; but if such successful bidder shall complete the purchase of said bonds awarded to him pursuant to the provisions hereof and his bid and award thereon, said proceeds of said certified or cashier's check shall thereupon be returned to such bidder, or, at the option of the City Controller, at the time of the completion of the sale and payment of the bonds, said proceeds of said certified or cashier's check may be applied and deemed a payment on account of the purchase of said bonds.

Section 6. Delivery of any bonds shall be made at the office of the City Treasurer of the City of Indianapolis, Indiana, upon such day or days as may be specified in the advertisement or readvertisement, or within such time thereafter as may be fixed by the City Controller and the purchaser or purchasers and the City Controller may extend the time for such delivery not more than ten (10) days after the day or days specified or agreed upon as above provided, and the successful bidder or bidders shall take the bonds awarded to him or them, and pay for the same at such place and time, and his or their refusal or neglect or omission so to do shall be a breach of the contract of his or their bid or proposal on account of which damages shall be retained or recovered as liquidated, as provided in this ordinance.

Section 7. The bonds taken and paid for to the satisfaction of the City Controller shall be a binding obligation of the City of Indianapolis according to their tenor and effect, and the proceeds derived from the sale or sales or both as herein authorized shall be and are hereby appropriated to the Department of Law for the payment of judgment claims, interest and costs thereon, hereinbefore set out, and shall constitute and continue appropriations until all of said designated claims, interest and costs have been paid.

Section 8. The Mayor, City Controller and Corporation Counsel are hereby authorized and directed to publish notices of the herein determination to issue bonds as required by law.

Section 9. This ordinance shall be in full force and effect from and after its passage and approval by the Mayor.
