PROPOSAL NO. 169, 2003. The proposal, sponsored by Councillors Frick, Borst, Bainbridge, Bradford, Cockrum, Coughenour, Coonrod, Dowden, Langsford, Massie, McWhirter, Schneider, Smith, Soards, and Tilford, urges peace in the Gulf Region, and expresses appreciation for Indianapolis' servicemen and servicewomen who are on active duty. Councillor Frick read the proposal and moved, seconded by Councillor Bradford, for adoption.

Councillor Horseman moved, seconded by Councillor Sanders, to amend Proposal No. 169, 2003 to simply encourage peace and express appreciation for the servicemen and women without making any stance on the rightness or wrongness of war. She provided Council members with a revised version of the proposal.

Councillors Sanders, Talley, Gibson, Conley, Gray, Boyd, Black, and Douglas stated that they support the amendment and felt that in representing all citizens of Marion County it would not be appropriate to express direct support for the decision to go to war, but simply to affirm those who are in harm's way. They encouraged members to support the amendment.

Councillors Coonrod, Massie, Coughenour, Bradford, and Smith said that they support the proposal as originally introduced. They said that the Iraqi government has had many years and many chances to disarm and abide by national rules, and they have chosen not to. Councillors Coonrod, Massie, Coughenour, Bradford, and Smith encouraged members to defeat the amendment.

The amendment failed by the following roll call vote; viz:

14 YEAS: Black, Boyd, Brents, Conley, Douglas, Gibson, Gray, Horseman, Knox, Moriarty Adams, Nytes, Sanders, Short, Talley
14 NAYS: Bainbridge, Borst, Bradford, Cockrum, Coonrod, Coughenour, Frick, Langsford, Massie, McWhirter, Schneider, Smith, Soards, Tilford
1 ABSENT: Dowden

Proposal No. 169, 2003 was adopted on the following roll call vote; viz:

15 YEAS: Bainbridge, Borst, Bradford, Cockrum, Coonrod, Coughenour, Frick, Knox, Langsford, Massie, McWhirter, Schneider, Smith, Soards, Tilford
12 NAYS: Black, Boyd, Brents, Conley, Douglas, Gibson, Gray, Moriarty Adams, Nytes, Sanders, Short, Talley
1 NOT VOTING: Horseman
1 ABSENT: Dowden

Councillors Talley, Boyd, Horseman, Gibson, Conley, Moriarty Adams, Knox, and Massie asked for consent to explain their votes. Consent was given.

Councillors Talley, Boyd, Gibson, Conley, and Moriarty Adams said that they cannot in good conscience vote in favor of a proposal that endorses the decision to go to war and risk innocent lives without unanimous United Nations support. They added that it is unfair not to let those citizens present this evening express their views as well. Councillor Horseman said that she abstained from voting because she could not vote in favor of war, but yet did not want to vote in opposition to those risking their lives for their country.

Councillor Knox said that although he voted against his party colleagues, he feels he must support wholeheartedly the servicemen and women who are called to do their duty and risk their lives, and therefore he could not in good conscience oppose the proposal.

Councillor Massie agreed and said that no one wants to go to war, but if a war is needed, America must support its troops.

Proposal No. 169, 2003 was retitled COUNCIL RESOLUTION NO. 56, 2003, and reads as follows:

CITY-COUNTY COUNCIL RESOLUTION NO. 56, 2003

A COUNCIL RESOLUTION urging peace in the Gulf Region, and expressing appreciation for Indianapolis' servicemen and servicewomen who are on active duty.

WHEREAS, in 1990 in response to Iraq's invasion and occupation against a small neighboring nation the United States forged a coalition of nations to liberate the people of Kuwait; and

WHEREAS, after Kuwait jubilantly regained its freedom in 1991, and Iraq's armies were reeling in retreat, Iraq President Saddam Hussein agreed with the United Nations demands for among other things eliminating its nuclear, biological, and chemical weapons programs, the means to produce them, and to end its support of international terrorism; and

WHEREAS, since that time, United States intelligence agencies, international inspectors, and Iraqi defectors led to the discovery that Iraq has large stockpiles of chemical weapons, a large scale biological weapons program, and is closer to producing a nuclear weapon than what had been earlier known; and

WHEREAS, Iraq's current leader poses a continuing threat to peace and security in the Middle East, and remains in material and unacceptable breach of its cease fire agreement by continuing to possess and develop a significant chemical and biological weapons capability, actively seeking a nuclear weapons capability, and supporting and harboring terrorist organizations;

WHEREAS, Saddam Hussein's regime also continues to mock the United Nations by engaging in brutal repression of its civilian population, threatening peace and stability in the region, refusing to release or account for foreign citizens detained by Iraq including an American serviceman, and by failing to return property that was stolen during its occupation of neighboring Kuwait; and

WHEREAS, the current Iraqi regime has demonstrated its capability to use weapons of mass destruction against other nations and has poison gassed its own people; and

WHEREAS, Iraq has continued to demonstrate its aggression and irresponsibility on many occasions by firing on American and Coalition armed forces engaged in enforcing the earlier resolutions of the United Nations; and

WHEREAS, members of al Qaeda, the organization bearing responsibility for suicide murders upon the United States including the attacks that occurred on September 11, 2001, are known to be in Iraq; and

WHEREAS, Hussein's regime continues to aid and harbor other international terrorist groups including organizations that threaten the lives and safety of American citizens; and

WHEREAS, the September 11, 2001, attacks upon the United States underscore the horror and threat posed by the acquisition of weapons of mass destruction by international terrorist organizations and regimes that support such killers; and

WHEREAS, the United States is determined to prosecute the war on terrorism and Iraq's ongoing support of international terrorists, combined with its continuing development of weapons of mass destruction in defiance of its 1991 cease-fire treaty and other United Nations resolutions, makes it imperative for America's national defense to enforce UN resolutions, including the use of force if necessary; now, therefore:

BE IT RESOLVED BY THE CITY-COUNTY COUNCIL OF THE
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:

March 17, 2003

SECTION 1. The Indianapolis City-County Council urges all citizens to pray to the Almighty for peace, recognizing that long term peace can only be brought about by a decision from Iraq President Saddam Hussein to immediately comply with United Nations resolution 1441 to disarm his offensive weapons of mass destruction, or someone else to disarm that regime.

SECTION 2. The time for filling the air with platitudes and talk is ending, and history has shown that temporary peace through appeasement is even more costly in suffering and human lives than doing what is right early on.

SECTION 3. It is imperative that Saddam Hussein's regime be disarmed so that he is no longer a threat to his neighbors and to United States citizens – through the use of military force if necessary.

SECTION 4. Meanwhile, the Indianapolis City-County Council realizes that many Indianapolis citizens who are part time and full time volunteer servicemen and servicewomen are now being called upon to defend America, and their families and loved ones on the home front are concerned about their well-being

SECTION 5. The Council expresses its appreciation for these brave men and women in the Armed Forces, and urges all citizens of this city to support and pray for Indy's sons and daughters who are on active duty until that day soon when they return victorious from this nation's duty of gaining peace and freedom in a volatile part of the world.
