Mr. Evans Woollen, Jr., Controller,
City of Indianapolis.

Dear Sir:

The Board of Public Works requests that you cause to be prepared an ordinance transferring the sum of \$3,000.00 from the unappropriated anticipated balance in the General Fund for 1934, or from the balance in the General Fund for 1933, into Public Buildings No. 41.

For your information I desire to advise that the Common Council did pass a transfer ordinance in December, 1933, appropriating the sum of \$5,500.00 into this account. This was occasioned by the C. W. A. program and was necessary for payment of certain materials for the repairs and remodeling of the Municipal Garage, City Hall Building and Tomlinson Hall. These repairs were absolutely necessary and the Board of Public Works was desirous of utilizing the labor furnished by the C. W. A.

Out of the original \$5,500.00 so appropriated there is a balance remaining of approximately \$3,900.00 and we are now asking that the sum of \$3,000.00 be transferred to this account to complete the work started on these three buildings in 1933.

Will you kindly present the same to the Common Council at the next meeting, with the recommendation of the Board of Public Works that the same be passed.

Yours very truly,

(Signed) ERNEST F. FRICK,

Secretary, Board of Public Works.

February 5, 1934.

bonds by at least one (1) insertion each week for two (2) consecutive weeks, in two (2) daily newspapers of opposite political faith, of general circulation, printed and published in the English language, in the City of Indianapolis, Marion County, Indiana, as required and authorized by law; and may otherwise advertise for such bids or proposals as he may deem advisable. Such advertisements shall describe with such minuteness and particularity as the said City Controller shall see fit and shall set forth the amount of said bonds to be sold and that the bidder shall bid upon the rate of interest to be paid upon said bonds, the bonds to be awarded to the bidder bidding the lowest rate of interest thereon; that the bidder may bid for all or any part of said bonds; the date of opening bids or proposals therefor; the right of the City Controller to reject any or all bids; the amount of deposit each bidder will be required to make and when and where the bonds shall be delivered and paid for.

Section 3. Each and every bid and proposal shall be presented to the City Controller sealed, and shall be accompanied by a duly certified or cashier's check upon some responsible bank or trust company of the City of Indianapolis, Indiana, payable to the order of the City Treasurer, for a sum of money which shall be equal to two and one-half percent ($2\frac{1}{2}\%$) of the face or par value of the bonds bid for or proposed to be purchased. The City Controller shall continue to receive all bids or proposals thereafter at the office of the City Controller until eleven o'clock a. m. on the day fixed by the City Controller and designated in the advertisement for receiving bids or proposals, at which time and place and between the said hour and twelve o'clock noon of said day he shall open said bids or proposals. The City Controller shall award said bonds, or as he shall see fit, a part or any number thereof, to the highest and best bidder, who shall in this event be the bidder who shall bid the lowest rate of interest upon said bonds, and said City Controller shall have the right to reject any or all such bids or proposals or any part thereof and shall have the right to accept any part of any bid and to award upon any bid the whole or a less number of bonds covered by such bid, he being the sole judge of the sufficiency or insufficiency of any kind, except that he shall not award such bonds to any bidder bidding a rate of interest upon said bonds more than four and three-fourths percent ($4\frac{3}{4}\%$) per annum thereon. Section 4. In case the City Controller shall reject all bids submitted, or if he shall award only a part of said bids, he shall re-

Section 5. In case any bid or proposal shall not be accepted and there shall be no award of bonds thereon by the City Controller, he shall thereupon return to such unsuccessful bidder the certified or cashier's check accompanying the same. If the City Controller shall award the whole or any part of the bonds upon any bid or proposal, he shall thereupon deliver the certified or cashier's check accompanying the same to the City Treasurer, who shall thereupon present the same for payment and shall be entitled to collect the same and shall hold the proceeds collected thereon until the completion of the purchase and the payment for the bonds so awarded. In case any successful bidder shall fail to complete the purchase price of the bonds so awarded and to pay for the same within the time and manner herein required, or which may be prescribed by the City Controller as herein provided, the proceeds of such certified or cashier's check deposited by such bidder shall be taken, considered and deemed as agreed and liquidated damages for breach of such bidder's contract to purchase and shall be taken and deemed as a payment to the city for such damages and shall be retained and held by said city for its use; but if such successful bidder shall complete the purchase of said bonds awarded to him pursuant to the provisions hereof and his bid and award thereon, said proceeds of said certified or cashier's check shall thereupon be returned to such bidder, or, at the option of the City Controller, at the time of the completion of the sale and payment of the bonds, said proceeds of said certified or cashier's check may be applied and deemed a payment on account of the purchase of said bonds.

Section 6. Delivery of any bonds shall be made at the office of the City Treasurer of the City of Indianapolis, Indiana, upon such

day or days as may be specified in the advertisement or readvertisement, or within such time thereafter as may be fixed by the City Controller, and the purchaser or purchasers and the City Controller may extend the time for such delivery not more than ten (10) days after the day or days specified or agreed upon as above provided, and the successful bidder or bidders shall take the bonds awarded to him or them, and pay for the same at such place and time, and his or their refusal or neglect or omission to do so shall be a breach of the contract of his or their bid or proposal on account of which damages shall be retained or recovered as liquidated, as provided in this ordinance.

Section 7. The bonds taken and paid for to the satisfaction of the City Controller shall be a binding obligation of the City of Indianapolis according to their tenor and effect, and the proceeds derived from the sale or sales or both as herein authorized shall be and are hereby appropriated to the Department of Law for the payment of judgment claims, interest and costs thereon, hereinbefore set out, and shall constitute and continue appropriations until all of said designated claims, interests and costs have been paid.
