Mr. Walter Boetcher, Controller,  
City of Indianapolis, Indiana.

Dear Sir:

Acting under instructions from the Board of Health, City of Indianapolis, I am directed to request that you submit a bill for an ordinance ratifying, confirming and approving certain contracts entered into on the 1st of May, 1935, by and between the City of Indianapolis, acting through its Board of Health and with the approval of the Mayor, for certain contractors, said contracts being in connection with the construction of a new addition to the City Hospital, on the Indianapolis City Hospital grounds, to be known as the Indianapolis Flower Mission Memorial Hospital Building for the care of open and advanced cases of tuberculosis.

In view of the fact that the contracts have already been signed and both the Federal Government and the City are anxious to start working on this project, matters would be facilitated if this ordinance could be passed under suspension of rules.

Respectfully yours,

Dear Mr. O'Neill:

Very truly yours,

EDWARD B. RAUB.

April 23, 1935.

Mr. Edward B. Raub,  
C/o Indianapolis Life Insurance Co.,  
30th and Meridian Sts.,  
Indianapolis.

Dear Sir:

I am enclosing you herewith sixteen copies of the Repeal Ordinance concerning which I talked with you.

Mr. Deery advised me that sixteen copies should be delivered to whoever I expected to introduce the ordinance for me and I am therefore sending them to you to avail myself of your kind offer to introduce the ordinance at the next meeting, which I believe is May 6th.

I might add further regarding the old ordinance that its object, if it had any, was to secure City supervision over the territory in question and that matter is now amply provided for by the action of the last legislature providing for county planning, so that there is now no excuse whatever for the maintenance of the old ordinance.

As I think I told you, the old ordinance is held in abeyance under the statute by reason of an Appeal taken to the County courts and has never been in force or effect; furthermore, the old ordinance is wholly illegal, in that ground proposed to be annexed to the City must adjoin the same, whereas this ground is wholly separate and apart from the City and does not adjoin the corporation limits at any point save and except by the fiction of annexing 71st Street as a connecting link.

This subterfuge the courts have passed upon and rejected, as in the case of the Indianapolis Airport, so that a repeal of the old ordinance would seem to be a much better way of meeting the situation than to have a court order.

Unless I hear from you to the contrary I will not be present at the meeting where the ordinance is introduced and will depend entirely upon what contacts I can establish with the Councilmen and

what remarks may seem advisable by me at the time when the ordinance comes up for final hearing.

Thanking you very much in this matter, I am,

D. F. SMITH.

Mr. Daniel J. O'Neill, Jr.,  
City Clerk,  
35 South Alabama St.,  
Indianapolis, Indiana.

Dear Mr. O'Neill:

I am enclosing herewith fifteen copies of General Ordinance No. 37, 1935, entitled:

IND. U. LAW LIB. IND'PIS.

AN ORDINANCE concerning the salaries, wages, and compensation of officers and members of the Indianapolis Department and members of the Indianapolis Fire Department, Indianapolis, Indiana, supplementing, suspending and repealing any and all general, special and appropriation ordinances heretofore enacted and in conflict herewith; also of any ordinance of the City of Indianapolis, Indiana, or any executive order heretofore made by any Board, Commission, Department or governing body of any department or official of said City; and fixing a time when the same shall take effect.

The wages of the members of the Indianapolis Police Department and the Indianapolis Fire Department have heretofore been reduced approximately 15%. Such reduction at the time was occasioned by reduced costs of living. Since that reduction in wages, cost of living has materially increased to such an extent that a great hardship has been worked on the members of these departments.

I believe it only fair and just that the Common Council of the City of Indianapolis restore the salaries and wages paid to the Police and Firemen of this city to their original levels, and I am therefore recommending that the Common Council pass this ordinance without delay.

Yours truly,

EDWARD R. KEALING,  
City Councilman.
