COMMUNICATIONS FROM THE MAYOR

July 16, 1935.

To the Honorable President and
Members of the Common Council of the
City of Indianapolis, Indiana.

Gentlemen:

I have this day approved with my signature and delivered to Mr. Daniel J. O'Neill, Jr., City Clerk, the following ordinance:

GENERAL ORDINANCE NO. 50, 1935

AN ORDINANCE transferring moneys from certain funds of the City Plan Commission budget, reappropriating and reallocating

the same to another designated fund of said commission, and fixing a time when the same shall take effect.

Very truly yours,

JOHN W. KERN,
Mayor.

COMMUNICATIONS FROM CITY OFFICIALS

Mr. Daniel J. O'Neill, Jr.,
City Clerk,
Indianapolis, Ind.

Dear Sir:

I, Edward R. Kealing, introduce this Appropriation Ordinance No. 25, 1935, for a swimming pool at Brookside Park.

People of this Community have been trying to obtain a pool for at least twelve years. Brookside Park is in the center of the North-east section of the city and a swimming pool located there would benefit at least 40,000 persons.

It is my belief that moneys for labor in construction work may be obtained from the P. W. A.

Yours truly,

Signed EDWARD R. KEALING.

August 5, 1935.

To the Honorable President and
Members of the Common Council
of the City of Indianapolis.

Gentlemen:

Attached please find copies of Appropriation Ordinance No. 26, 1935, creating and establishing in the Board of Public Safety Market

Refrigeration budget, Fund No. 51 and appropriating thereto the sum of Four Hundred Forty-five Dollars and Fifty Cents, (\$445.50), appropriating also the sum of Six Hundred Fifty Dollars (\$650.00) to Board of Public Safety Dog Pound budget and the sum of One Hundred Twenty Dollars (\$120.00) to Department of Public Safety Building Department budget, all of said sums being appropriated out of the unappropriated and unexpended balance of the general fund for the year 1934.

I respectfully recommend the passage of this ordinance.

Yours very truly,

WALTER C. BOETCHER,
City Controller.

July 22, 1935.

Walter C. Boetcher,
City Controller,
City of Indianapolis.

Dear Sir:

We find that when the Market Refrigeration budget was made up last year the fact that the insurance covering the refrigeration plant expired this year was not taken into consideration and no money appropriated for the purpose of paying the premium.

The original policy was issued in 1932 for a period of three years and expired on the 23rd day of June this year. The premium on this policy is \$445.50. The insurance company has given a short extension of time in order that the fund from which this premium is paid may be established.

If this policy is continued in force, and we feel it should be, it is therefore, necessary for us to ask that you have an ordinance prepared, and presented to the Common Council for passage, establishing Fund No. 51—Insurance and Premiums—in the Market Refrigeration budget, and that Four Hundred Forty-five Dollars and Fifty Cents (\$445.50) be appropriated thereto from the unexpended

and unappropriated balance of the general fund of 1934 for the purpose of paying this premium.

Respectfully submitted,

BOARD OF PUBLIC SAFETY,

By: THEO. H. DAMMEYER,
President.

P. S. The above premium covers renewal of policy for a period of three years.

July 22, 1935.

Walter C. Boetcher
City Controller,
City of Indianapolis.

Dear Sir:

In checking over the Dog Pound budget we find that the balance remaining in several of the funds is insufficient to carry the department thru the remainder of the year for the purchase of actual necessities.

The drive that has been put on to rid the city of stray and unlicensed dogs has made deep inroads into the funds that under ordinary conditions are inadequate to meet the needs throughout the year.

For the past several years, as you are aware, thru the sale of dogs quite a sum has been contributed to the general fund of the city. Our records show that since the first of this year, thru this channel, \$472.00 has been turned in to the city general fund.

We find to reimburse these funds for the remainder of the year, and at the lowest figure possible, \$650.00 will be needed and we are, therefore, asking that an ordinance be prepared, and presented to the Common Council for passage, appropriating \$650.00 from the unexpended and unappropriated balance of the general fund of 1934 and reappropriate this amount to funds in the Dog Pound budget as follows:

Fund No. 32—Fuel and Ice.....	\$ 50.00
Fund No. 33—Garage and Motor.....	150.00
Fund No. 34—Institutional and Medical....	225.00
Fund No. 38—General Supplies	150.00
Fund No. 41—Building	75.00

Respectfully submitted,

BOARD OF PUBLIC SAFETY,

By: THEO. H. DAMMEYER,
President.

July 30, 1935.

Walter C. Boetcher,
City Controller,
City of Indianapolis.

Dear Sir:

Wm. F. Hurd, Commissioner of Buildings, has advised us that due to the increased number of permits in the various divisions of the Building Department, the appropriation to his fund No. 36—Office Supplies—has been practically exhausted and that this fund will have to be reimbursed in the amount of \$120.00 to carry on for the remainder of the year.

We, therefore, ask that you cause to be prepared an ordinance appropriating \$120.00 from the unexpended and unappropriated balance of the general fund of 1934 to fund No. 36—Office Supplies, Building Department budget, and present this ordinance to the Common Council for passage.

Very truly yours,

BOARD OF PUBLIC SAFETY,
BLYTHE Q. HENDRICKS,
Executive Secretary.

July 31, 1935.

Mr. Walter C. Boetcher,
City Controller.

Dear Sir:

The Board of Public Works and Sanitation respectfully request that you cause to be prepared an ordinance transferring the sum of \$1,000.00 from Board of Public Works and Sanitation Administration No. 26, gas tax, to Street Commissioner No. 43, gas tax, bridge lumber, spikes, etc., and submit the same to the Common Council at their next meeting, with the recommendation from the Board of Public Works and Sanitation that the same be passed.

This transfer is made necessary due to said 43 account being exhausted and bridge lumber must be purchased at once for the repair of the Oriental Street bridge over Pogues Run, which is now closed to vehicular traffic. Inasmuch as this street is one of the few through streets we feel that these repairs must be made at our earliest possible opportunity.

Very truly yours,

BOARD OF PUBLIC WORKS AND SANITATION

To the Honorable President and Members

Dollars for the purpose of establishing a revolving Fund in the office of the City Controller for the maintenance and operation of a Stores and Warehouse Supply Room.

This ordinance is predicated upon an amendment to the Original Law establishing the City Purchasing Department which incorporated and gave the City the authority to establish a Store-room. This amendment was passed by the last legislature.

The establishing of a City Store-room is a progressive step, based upon the experience of other cities, and is heartily endorsed by the Indianapolis Chamber of Commerce, after a research and survey was made by Mr. Virgil K. Shepherd.

It is respectfully requested that this ordinance be favorably acted upon by the council.

Respectfully submitted,

By the Purchasing Department:

GENERAL ORDINANCE NO. 63, 1935

AN ORDINANCE establishing a central storeroom in the purchasing department of the City of Indianapolis, providing for its operation and management, appropriating the sum of Fifteen Thousand Dollars (\$15,000) as a revolving fund for the purchase of supplies to be stored in the central storeroom, and fixing a time when the same shall take effect.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. ORGANIZATION OF CENTRAL STOREROOM. There is hereby created and established in the Department of Public Purchase

of the City of Indianapolis a CENTRAL STOREROOM, the head of which shall be the City Purchasing Agent. He shall have the power to recommend to the Mayor for appointment a storekeeper. Said storekeeper, when appointed, shall keep the records in connection with the CENTRAL STOREROOM.

Section 2. REQUISITIONS AND ESTIMATES. All using agencies of the City of Indianapolis shall file detailed estimates of their requirements in supplies and materials with the City Purchasing Agent, for purchase through the CENTRAL STOREROOM at such times and for such periods as the City Purchasing Agent shall prescribe. This shall in no wise prevent any using agency from filing with the City Purchasing Agent at any time a requisition for any supplies or materials which may be stored in the CENTRAL STOREROOM, the need for which was not foreseen when the detailed estimates were filed.

Section 3. CONTRACT PROCEDURE. All expenditures for supplies or materials purchased for the CENTRAL STOREROOM, the estimated cost of which is over Two Thousand Dollars (\$2,000) must be first authorized by the Common Council of said city and shall be awarded on written contract to the lowest and most responsible bidder after public competitive bidding thereon has taken place. Notice inviting sealed competitive bids shall be published at least once in one (1) newspaper of general circulation in the City of Indianapolis, and at least five calendar days must intervene between the date of final publication and the date set for the submitting of bids. Such notice shall give the specifications of the articles to be purchased, shall state the amount of surety to be submitted, if any, with the bid, and the surety to be given with the contract, the time and place for the opening of bids, and shall give in general terms the conditions of award of the contract. The city purchasing agent shall, in addition, solicit sealed bids from all prospective suppliers who have requested their names to be added to the mailing list of vendors or who may hereafter request that their names be entered on said list by sending them a copy of such newspaper notice or such other notice as will acquaint them with the proposed award. All pending contracts shall also be advertised by a notice posted on a public bulletin board in the Purchasing Agent's office.

All bids shall be submitted sealed to the City Purchasing Agent and shall be accompanied by surety in the form of certified check, cash or bond in such amount as the City Purchasing Agent shall prescribe in the public notice inviting bids. The bids shall be opened

in public at the time and place stated in the newspaper notice. Any and all bids with alterations and erasures therein may be rejected. After examination and tabulation by the City Purchasing Agent, all bids may be inspected by the competing bidders. The City Purchasing Agent may, with the approval of the Mayor or, in his absence, the City Controller, reject any or all bids, or the bid for any one or more commodities included in the proposed contract, when the public interest will be served thereby. When all bids received or for the same total amount or unit price, and when the public interest will not permit the delay of re-advertising for bids, the City Purchasing Agent may purchase the commodities in the open market, provided the price paid in the open market shall not exceed any bid price submitted for the same commodity. Otherwise, the contract shall be awarded to the lowest and best bidder; quality offered with bid, delivery terms, and service reputation of the vendors may be taken into consideration in determining the successful bidder.

Before any contract is executed, the successful bidder shall file with the City Purchasing Agent a surety in the form of certified check, cash or bond in an amount to be determined by the City Purchasing Agent. All surety bonds and contracts shall be approved as to form by the department of law of the City of Indianapolis. Such certified check, cash or surety bond shall be payable to the City of Indianapolis. All certified checks shall be upon banks doing business in the City of Indianapolis, and all surety companies shall be those who are duly licensed and authorized to do business in the State of Indiana. If the successful bidder shall not, within ten (10) days after the award, enter into contract and file the required surety, he shall forfeit the surety which accompanied his bid. A copy of each long term contract shall be filed in the office of the purchasing department and the office of the City Controller and shall be a public record.

Section 4. OPEN MARKET ORDERS. All expenditures for supplies and materials to be stored in the CENTRAL STOREROOM, the estimated cost of which is less than Two Thousand Dollars (\$2,000) shall be made in the open market without newspaper advertisement and the procedure prescribed by Section 3 of this ordinance. In case of an emergency which requires immediate purchase of supplies or material, the Mayor or, in his absence, the City Controller may authorize the City Purchasing Agent to secure in the open market at the lowest obtainable price any supplies or materials, regardless of the amount of the expenditure; provided, however, that a full explanation of the circumstances of such emergency shall be entered

in the records of the purchasing department and shall be open to public inspection.

All open market purchases shall, wherever possible, be based on at least three (3) competitive bids, and shall be awarded to the lowest and most responsible bidder. The City Purchasing Agent shall solicit bids by direct mail request to prospective vendors, by telephone and by public notice on a bulletin board in his office. The City Purchasing Agent shall keep a record of all open market orders and the bids submitted in competition thereon, and such records shall also be open to public inspection.

Section 5. ENCUMBRANCE OF FUNDS. Except in cases of emergency, the City Purchasing Agent shall not issue any order for delivery on a contract or any open market order for supplies or materials for the CENTRAL STOREROOM unless and until the City Controller certifies that there is to the credit of the revolving fund of the CENTRAL STOREROOM a sufficient balance in excess of all unpaid obligations to defray the cost of such supplies or materials.

Section 6. INSPECTION. The city purchasing department shall supervise inspection of all deliveries of supplies and materials for the CENTRAL STOREROOM to determine their conformance with the specifications set forth in the order or contract. Any department having the staff and facilities for adequate inspection may be authorized by the City Purchasing Agent to inspect all deliveries made to the CENTRAL STOREROOM under rules and regulations which the City Purchasing Agent shall establish. The City Purchasing Agent shall have authority to prescribe chemical and physical tests of samples submitted with bids and samples of deliveries to determine their quality and conformance with city specifications. In the performance of such duties the City Purchasing Agent shall have authority to make use of laboratory facilities of any agency of the city government.

Section 7. REVOLVING FUND. There is hereby appropriated out of the unexpended and unappropriated balance of the general fund of the civil city for the year 1934 the sum of Fifteen Thousand Dollars (\$15,000) as a revolving fund in the department of finance for the purchase of supplies and materials to be stored in the CENTRAL STOREROOM. Such revolving fund shall at all times be in the custody of the City Controller's office and the balance in such fund shall be administered in the same manner as balances in any other fund of the civil city government. Any balance at the close of the fiscal year in such revolving fund shall not revert back to the gen-

eral fund, but shall be classified as a *continuing fund* and shall remain intact. Disbursements from the revolving fund shall be made by the City Controller upon receipt of vouchers approved by the City Purchasing Agent and of properly signed supporting statements that the supplies or materials for which each voucher has been approved have been received by the CENTRAL STOREROOM.

The City Controller may at any time cause an inventory to be made of the materials and supplies on hand in the CENTRAL STOREROOM for the purpose of reconciling the balance in the revolving fund.

Transfers from the appropriation of the using agencies for supplies delivered to them from the CENTRAL STOREROOM shall be made in accordance with rules prescribed by the City Controller.

Section 8. BOARD OF STANDARDIZATION. The Mayor, Purchasing Agent and President of the Board of Public Works and Sanitation, personally or by deputy, shall constitute the Board of Standardization. The members of this board shall serve without additional compensation. It shall be the duty of this board to classify all the supplies and materials to be stored in the CENTRAL STOREROOM, to adopt as standards the minimum number of qualities, sizes and varieties of commodities consistent with the successful operation of the CENTRAL STOREROOM and of the using agencies. The Board of Standardization shall have power to make use of the laboratory and engineering facilities of the city and the technical staffs thereof in connection with its work of preparing and adopting standards and written specifications. The board shall also freely consult with the heads and other officials of the using agencies to determine their precise requirements, and shall endeavor to prescribe those standards which meet the needs of the majority of such agencies. After its adoption, each standard specification shall, until revised or rescinded, apply alike in terms and effect to every future purchase and contract for the commodity described in such specification; provided, however, that in case of emergency the Mayor may approve the purchase by the Purchasing Agent for storage in the CENTRAL STOREROOM of supplies and materials for which standard specifications have not been prescribed.

Section 9. RULES AND REGULATIONS. The City Purchasing Agent shall promulgate or make rules and regulations in connection with the operation of the CENTRAL STOREROOM and the use by using agencies of supplies therefrom, and from time to time amend the

same; such rules and regulations and amendments thereto shall be subject to the approval of the Mayor and City Controller. The City Purchasing Agent shall submit to the Mayor an annual report on the CENTRAL STOREROOM, showing what economies have been effected as a result of its operation, and may submit from time to time recommendation for changes in the operation of the CENTRAL STOREROOM which he deems necessary.

Section 10. DATE OF TAKING EFFECT. This ordinance shall be in full force and effect from and after its passage, approval by the Mayor and publication according to law.
