COMMUNICATIONS FROM CITY OFFICIALS

Indianapolis, Ind., July 6, 1936.

To the Members of the Common Council,  
City of Indianapolis, Indiana.

Gentlemen:

I had intended appearing before your honorable body this evening for the purpose of explaining a request for an appropriation for \$000.00 now pending before the council. However, an unavoidable en-

agement prevents my presence at the meeting. Will you permit me therefore to emphasize in writing the urgent need for this rather small appropriation?

As you, no doubt, are aware, it is one of the duties of the Department of Health to keep a record of all births and deaths which occur in the City of Indianapolis. These are first recorded by machine on the vital statistics books and then in turn indexed in order that reference may be made to the copies in cases where a certified copy is requested. These copies are used by insurance companies, to secure passports, to collect insurance, to provide legal age for employment, marriage and the military service.

Owing to the fact that some two years ago the personnel in this office was reduced we have attempted to keep this work up to date with the present number of employees. However, the school attendance law, the recently passed social security act and the bonus payment have swamped the department. We therefore find ourselves very much in arrears with the indexing and recording of these very important documents.

With the \$600.00 we would be able to employ additional help and bring all of this work up to date and afterwards keep it as it should be kept. Incidentally the 50 cents charge made for certified copies has, I am sure, brought to the city far more revenue than would be expended in improving the efficiency of the service.

Knowing the interest of the various members of the council in the program of up to date public health administration, I am sure there will be no hesitancy in granting this appropriation when you fully understand the purpose for which it will be used.

Respectfully yours,

HERMAN G. MORGAN.

Indianapolis, Ind., July 1, 1936.

To the Honorable President and  
Members of the Common Council of the  
City of Indianapolis, Indiana.

Gentlemen:

On June 15th Ordinance No. 43, establishing two taxicab stands

—one on Illinois Street in front of the Lockerbie Hotel, and one on Market Street in front of the Harrison Hotel, was introduced in Council and recommended for passage by the Board of Safety.

We now find that the ordinance requiring the establishment of taxicab stands by ordinance through the Common Council has been amended and that it is not necessary to establish taxicab stands in that way, all it now requires is the approval and recommendation of the Board of Safety.

We regret this error, and respectfully request that Ordinance No. 43, establishing the above mentioned taxicab stands, be withdrawn at the next meeting of the Common Council.

Respectfully yours,

BOARD OF PUBLIC SAFETY,  
BLYTHE Q. HENDRICKS,  
Executive Secretary.

Indianapolis, Ind., July 6, 1936.

To the Honorable President and  
Members of the Common Council of the  
City of Indianapolis, Indiana.

Gentlemen:

In making a check of ordinances I find that Appropriation Ordinance No. 21, 1936, presented to the Common Council on June 15th, 1936, was written for the purpose of paying salaries to Board of Health employees under a court order, and Appropriation Ordinance No. 13, 1936, presented to the Common Council on April 6th, 1936, was for the same purpose. Therefore, I respectfully recommend that Appropriation Ordinance No. 21, 1936, be stricken from your files.

Yours very truly,

WALTER C. BOETCHER,  
City Controller.

Mr. Oren asked for a recess. The motion was seconded by Mr. Cable and the Council recessed at 7:35 p. m.

The Council reconvened at 9:00 p. m. with the same members present as before.
