Mr. Walter C. Boetcher,  
City Controller,  
City Hall,  
Indianapolis, Indiana.

Dear Sir:

Under instructions of the Board of Health, I am transmitting copies of General Ordinance No. 84, 1936, an ordinance authorizing the issuance of two hundred ten (210) bonds of One Thousand Dollars each and the sale of ninety-five (95) of said bonds for the purpose of procuring funds with which to aid in the construction and equipment of a new building at the Indianapolis City Hospital.

The Board of Health proposes to construct and equip a building of either two or five floors, the erection of a five-floor building to depend upon the action of the United States of America with reference to an application for a grant of money to aid in the construction of the five-floor building. A similar grant offer on the two-floor building has already been made to, and accepted by, the city. It is estimated that the proceeds from the sale of ninety-five (95) bonds will be sufficient, coupled with the grant of the United States of America, heretofore offered and accepted, to construct the two-floor building.

Upon receipt of notice of favorable action by the United States Government, on the before mentioned application, the board shall then request the Council to pass an ordinance authorizing the sale of the balance of the bonds provided for in this ordinance, in order to procure funds with which to construct a building of five floors.

In order to comply with the regulations of the United States Government as to the beginning of construction of the building, it is of

vital importance that the necessary steps to raise these funds be taken immediately. Therefore, the Board of Health respectfully requests that you present this ordinance to the Common Council at its next meeting with a recommendation for its passage under suspension of the rules.

The Board further requests you to recommend to the Council that General Ordinance No. 83, 1936, be stricken from the files.

Respectfully yours,  
H. G. MORGAN,  
Secretary, Board of Health.

Indianapolis, Ind., December 21, 1936.

To the Honorable President and  
Members of the Common Council of the  
City of Indianapolis, Indiana.

Gentlemen:

Attached please find copies of Appropriation Ordinance No. 35, 1936, appropriating to the Department of Health and Charities the proceeds derived from the sale of "City Hospital Bonds of 1937—First Issue."

I respectfully recommend the passage of this ordinance, and also request that the rules be suspended to permit the introduction of this appropriation ordinance after the passage of General Ordinance No. 84, 1936.

Yours very truly,

WALTER C. BOETCHER,  
City Controller.

Indianapolis, Ind., December 21, 1936.

eral Ordinance No. 84, 1936, said bonds being designated "City of Indianapolis, City Hospital Bonds of 1937—First Issue."

The proceeds of these bonds are to be used in preparing a site for a new building at the City Hospital; for constructing such a new building; and for architect's fees in preparing plans and specifications and supervising the construction of the same.

The Board of Health further requests that you recommend to the Council that the rules be suspended to permit the introduction of the appropriation ordinance after the passage of General Ordinance No. 84, 1936.

Respectfully submitted,  
H. G. MORGAN,  
Secretary, Board of Health.

## INTRODUCTION OF GENERAL ORDINANCES

By the City Controller:

## GENERAL ORDINANCE NO. 84, 1936

AN ORDINANCE of the City of Indianapolis, Indiana, authorizing the issuance and sale of bonds of said city designated, "City of Indianapolis, City Hospital Bonds of 1937—First Issue", and matters connected therewith, and fixing a time when the same shall take effect.

WHEREAS, the Board of Health of the City of Indianapolis, Indiana, on the 18th day of December, 1936, passed a resolution to the effect that the erection and equipment of a new two-story building at, and upon the grounds of, the Indianapolis City Hospital is indispensable to the efficient and safe operation and conduct of said hospital; and that certain departments of said hospital and some members of the personnel thereof are housed in condemned and unsafe buildings thereat; that said condemned buildings should be razed and removed and a new building erected on part of the site occupied by the same; that temporary corridors should be erected for use during the progress of the construction; that the City of Indianapolis had obtained, and accepted, from the United States of America a certain grant to aid in the construction and equipment of a building of two stories; that said board was of the opinion that it would be for the best interests of the City of Indianapolis and its inhabitants, and a proper and economical policy to provide and construct, at the same time, three additional floors to such proposed two-story building; and

WHEREAS, said board has made application to the United States of America for a grant of money to aid in the construction of such a five-story building; and

WHEREAS, it is by the Common Council deemed necessary and advisable to build and erect a new building at the City Hospital, owned, maintained and operated by the City of Indianapolis; to prepare a site for the same by razing and removing condemned buildings; to employ an architect to prepare plans for the new building and to supervise the construction of the same; and to erect temporary corridors during the progress of such construction; and

WHEREAS, it is estimated that the amount of money necessary for the accomplishment of the aforesaid purposes will be Two Hundred Ten Thousand Dollars (\$210,000); and

WHEREAS, there are not now, and will not be, sufficient funds in the treasury of the City of Indianapolis with which to accomplish the purposes aforesaid, and it will be necessary for such city to borrow the sum of Two Hundred Ten Thousand Dollars (\$210,000) in order to procure a fund to be devoted for the purposes set out herein, and to provide for and secure the repayment thereof, and to evidence said indebtedness by the issuance and sale of its bonds in said amount, payable from the general funds, or from the Sinking Fund, of said city, or as may be required by law; NOW, THEREFORE,

The City Controller shall have the right to reject any and all bids. In the event the City Controller shall receive no satisfactory bid for said bonds at the time fixed in said notice of sale, he shall be authorized to continue to receive bids thereafter from day to day until a satisfactory bid has been received, and in the event of the continuation of sale the Controller shall open all bids filed at the same hour each day as stated in the bond sale notice.
