From City Controller:

INDIANAPOLIS, IND., January 19, 1920.

To the Honorable President and Members of the Common Council, Indianapolis, Ind.

GENTLEMEN:—I hand you herewith a communication from the Board of Public Works, asking for the passage of an ordinance, appropriating the sum of nine thousand, nine hundred dollars (\$9,900.00) for the purpose of paying balance due on principal and interest of the judgment rendered against the City of Indianapolis by the Superior Court of Marion County, in favor of Wm. S. Coyner and Marion E. Ensley in Cause No. 106,677 and to pay costs in said cause adjudged against the City of Indianapolis.

I submit you also herewith an ordinance calling for above and recommend its passage.

Yours very truly,

ROBT. H. BRYSON, *City Controller.*

INDIANAPOLIS, IND., January 19, 1920.

Mr. Robert H. Bryson, City Controller, City.

DEAR SIR:—I am submitting herewith, for your approval and transmission to the Common Council, an ordinance appropriating money for the purpose of paying the balance due on the principal, interest and costs of the judgment rendered against the City of Indianapolis in favor of William S. Coyner and Marion E. Ensley by the Superior Court of Marion County in Cause No. 106,677, entitled William S. Coyner and Marion E. Ensley v. City of Indianapolis, County of Marion, et al.

Yours truly,

W. F. CLEARY,

Clerk Board of Public Works.

INDIANAPOLIS, IND., January 19, 1920.

To the Honorable President and Members of the Common Council, Indianapolis, Ind.

GENTLEMEN:—I hand you herewith, a communication from the Department of Public Sanitation, asking for the passage of an ordinance authorizing said department to make a temporary loan of three hundred and seventy-five thousand dollars (\$375,000.00).

Yours very truly,

R. H. EAYSON, *City Controller.*

INDIANAPOLIS, IND., January 17, 1920.

To the President and Members of the Common Council, City of Indianapolis.

GENTLEMEN:—We have asked that the attached ordinance be prepared for this department for presentation at the regular meeting of your body on January 19, 1920, for the reason that it is imperative to the prosecution of the work of this department that relief be afforded at an early date.

As set out in the ordinance, this department has incurred obligations aggregating \$150,000.00, which are due February 15, 1920. The Sanitary District has been unable to sell bonds since the passage of the tax law by the Legislature of 1919, for the reason that the exemption of the bonds of such district was not specially exempted from taxation, thus raising such a serious question as to the taxability of the bonds, that they are not subject to sale.

Last summer the contract was let for division one of the Sewage Disposal plant, which comprehends the construction of a large interceptor from the Sellers Farm connecting with the sewage system on the east side of the river. This contract was for approximately \$325,000 and calls for completion by December 1, of this year. It is further desired and becomes necessary to let contracts for and begin work on the two remaining divisions in the spring and early summer. It is now well under way of construction and the expenses of the work have been borne, to this time, by securing loans. It is estimated that in January of this year, the sum of \$17,000 will be needed; February, \$23,000; March, \$22,000; April, \$29,000; May, \$36,000; June, \$36,000; July, \$50,500, making a total for the first seven months of the year of \$213,500. There are sufficient funds on hand for the months of January and February. However, after that, the funds will be exhausted, and unless relief, in the form of an amendment to the taxation law specifically exempting from taxation the bonds from this department is had, the work can only progress by temporary loans.

At any special session of the Legislature which may be had, the relief will be asked for and beyond question, will be given, after which

it will not be necessary to borrow money. However, in view of the uncertainty and the fact that the work is well under way, it behooves this department to look forward for at least a considerable period, hence, with the \$150,000 which will have to be paid February 15th and with the sums necessary to conduct the work until August 15th it has been estimated, with considerable accuracy, that the sum of \$375,000 is needed.

In view of the fact that after authorization by your body, it is necessary to go to the Tax Board, which requires two weeks publication and further that the loan can then only be made after advertisement by the City Controller, we respectfully request that the attached ordinance be passed under a suspension of the rules.

We beg to further advise that this ordinance was not presented at the first meeting of the Council for this year, as it was hoped that a Special Session of the Legislature would obviate the necessity for such action. However at this date the matter must no longer remain an uncertainty.

Very respectfully,

BOARD OF SANITARY COMMISSIONERS.

By F. C. LINGENFELTER, *Pres.*

I recommend the passage of the above ordinance.

Yours very truly,

ROBT. H. BRYSON, *City Controller.*

Mr. George O. Hutsell, City Clerk, City.

DEAR SIR:—I am submitting herewith an ordinance providing for salary of the superintendent of street lighting and an additional ordinance for correction of Section 2 of General Ordinance No. 124 and a third ordinance for the purpose of permitting the payment of salary due to the superintendent of street lighting from January 1st to the date when the ordinance becomes effective.

Yours truly,

W. F. CLEARY,
Clerk Board of Public Works.

INDIANAPOLIS, IND., January 10, 1920.

Board of Public Works, Indianapolis, Indiana.

GENTLEMEN:—I am enclosing herewith two ordinances, one of them an amendment to General Ordinance No. 124, 1919, which corrects two mistakes. The first mistake is this: In the Engineer's office there are Class "A" and Class "B" "Inspectors and Assistants in the Laboratory," one receiving a salary of twelve hundred dollars per year, and the other a salary of ten hundred and twenty dollars per year. By a mistake, General Ordinance No. 124 made both Class "A." The second mistake was that it left out the position and salary of the superintendent of street gas lighting. These two mistakes have been corrected in this ordinance.

It will be seen that during the period since January 1st, when General Ordinance No. 124 took effect, there has been no authorization for the payment of salary for the position of superintendent of street gas lighting, and therefore the second enclosed ordinance is for the purpose of authorizing the payment of the same.

Yours very truly,

HARRY E. YOCKEY, *Asst. City Attorney.*
