August 10, 1976

TO THE HONORABLE PRESIDENT AND MEMBERS OF THE CITY-COUNTY COUNCIL
OF THE CITY OF INDIANAPOLIS AND MARION COUNTY, INDIANA:

Ladies and Gentlemen:

Pursuant to the laws of the State of Indiana, I caused to be published in the Indianapolis News and the Indianapolis Commercial on August 12, 1976, and August 19, 1976, a "Notice to Taxpayers" of a Public Hearing to be held on Monday August 19, 1976, at 7:00 p.m., on Proposal Nos. 336, 337, 338, 339, 340, 341, 342, 343, and 344, 1976.

PRESENTATION OF PETITIONS

Councilman Howard asked the Clerk to read the petition from the Black Community regarding the Department of Metropolitan Development, which reads as follows:

August 23, 1976

Dear City Council Members:

The United States is a land of Opportunity and plenty, where all of its' people are supposed to be guaranteed, by the constitution, the right to the pursuit of that goal. That is the philosophy of the American way, but the actual practice has been the short changing of the black community.

In Marion County, the black community finds the practice of discrimination and neglect in full bloom within the Department of Metropolitan Development. No other department of government has as greater an impact on the inner city and black people as that of the Department of Metropolitan Development. D.M.D. decides where the next reservation will be located. Where black people are moved around in this city like Indian tribes upon the desert. The city builds a Lockefield Gardens, now they are going to destroy it and decide where the next housing reservation will be provided. All of this of course with no black input.

D.M.D. has approximately 194 employees, not counting C.E.T.A. employees approximately 23 blacks. Only 2 blacks are in any semblance of a management roll and

they make no decisions, the remaining blacks are holding the lower jobs and receiving the lowest of pay within the department. That not being enough of an insult to the black community, recently the unwarranted request for Mr. Al Green's resignation as Administrator of Urban Renewal with no prior indication of ineffectiveness in his work or professional ability. This is the last insult that the black community will stand for.

We therefore ask that the budget for D.M.D., not to be passed until:

1. That there be some black representation in the affairs of Metropolitan Development.
2. We can consult with the proper federal officials to ascertain whether or not federal laws have been violated.
3. A thorough investigation into the request for Mr. Al Greene resignation.

Respectfully submitted,

Concerned Citizens

Mr. SerVaas said that the Council will look into this matter and make a report at a later date.

Councilman Miller presented a resume of Mr. Millard W. Jones. He asked that Council members appoint him to the Board of Zoning Appeals. Mr. Clark called for a point of order and said that appointments have always gone before the appropriate committee in the past.

Mr. SerVaas explained to Mr. Clark that this was to fill a vacancy that needs filling as soon as possible.

Councilman Durnil said there were requests for nominees several weeks ago and none were submitted.

The Chair asked that the nominee appear before the committee and asked Mr. Miller to advise Mr. Jones of this.

ANNOUNCEMENTS

Mr. SerVaas told the Council that the Airport Authority would like to invite them to visit their offices on August 26, 1976, at a dinner, to show their long range plan. After discussion, the Council members decided to postpone this invitation until after September 13, 1976.

Mr. Cantwell spoke to members of the Council regarding the Republican Caucus which was held last Friday and Saturday. He felt that the hours the minority members spent going over the budget were entirely wasted. Following much discussion, President SerVaas said that he would be willing to visit with a minority caucus if they wished to have one.
