You are hereby notified that the Board of Health of the City of Indianapolis, on the 21st. day of January, 1938, did determine that a contingency had arisen requiring the expenditure of the reserved appropriation of \$12,500.00 provided for in General Ordinance No. 60, 1937 (Amended 1938 Budget) as follows:

Department of Public Health and Charities Administration

Fund No. 26—Syphilis and Venereal Diseases.

This expenditure is deemed necessary by the Board in order to provide the following in the campaign of the Board of Health to prevent and control the spread of syphilis and venereal diseases:

WHEREAS, the undertaking of the above activities will require the expenditure of moneys by said board to:

1. Procure certain equipment.
2. Purchase drugs.
3. Employ investigators.
4. Provide housing facilities for the isolation of persons afflicted with said disease.
5. To furnish nurses and medical care.
6. Provide facilities for the treatment of transient cases of syphilis and venereal disease.

The Board requests that upon your approval of this proposed expenditure, you notify the Common Council in writing, so that the Council may, if it sees fit, adopt a resolution setting forth the circumstances regarding this said appropriation.

In view of the emergency which exists with regard to the prevalence and wide dissemination of syphilis and on account of the fact that the Board of Health has now completed its plan for cooperation with the United States Public Health Service, it is respectfully requested that the money in the above fund be made available for immediate use by the passage of a resolution by the Council under suspension of the rules.
